The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 31.

Notwithstanding the provisions of any law or regulation to the contrary, the release of the total annual amount due for the current fiscal year from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the "Best Practices Inventory" established by the Director

of the Division of Local Government Services and shall receive at least a minimum score on such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the director may take into account the particular circumstances of a municipality. In preparing the "Best Practices Inventory," the director shall identify best municipal practices in the areas of general administration, fiscal management, and operational activities, as well as the particular circumstances of a municipality, in determining the minimum score acceptable for the release of the total annual amount due for the current fiscal year.

The Director of the Division of Local Government Services may permit any municipality that received "Regional Efficiency Aid Program" funds pursuant to the annual appropriations act for fiscal year 2010, P.L.2009, c.68, to use a portion of its Consolidated Municipal Property Tax Relief Aid or Energy Tax Receipts Property Tax Relief Aid, or both Consolidated Municipal Property Tax Relief Aid and Energy Tax Receipts Property Tax Relief Aid, to provide "Regional Efficiency Aid Program" benefits pursuant to P.L.1999, c.61 (C.54:4-8.76 et seq.).

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Consolidation Implementation shall be allocated to provide reimbursement to local government units that consolidate pursuant to any law, including but not limited to P.L.2007, c.63 (C.40A:65-1 et seq.) and P.L.2009, c.118 (C.54:1-86 et seq.), or to a municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et seq., for non-recurring costs that the Director of the Division of Local Government Services, or in the case of a school district consolidation the Commissioner of Education, determines to be necessary to implement such consolidation or annexation, subject to the approval of the Director of the Division of Budget and Accounting; provided, however, that in addition to the amounts hereinabove appropriated, there are appropriated such additional amounts as are determined to be necessary for reimbursement of non-recurring costs associated with local government unit consolidations, subject to the approval of the Director of the Division of Budget and Accounting; provided further that there are appropriated such additional amounts, not to exceed \$15,000,000, as the Director of the Division of Budget and Accounting, in consultation with the Commissioner of Community Affairs and the Director of the Division of Local Government Services, shall determine to be necessary to design and implement a voluntary county-based demonstration project to achieve efficiencies and future cost savings in the provision of services at the local level.

Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be allocated by the Director of the Division of Local Government Services to provide shortterm financial assistance to a local government unit that is determined by the director to be experiencing financial distress caused by the destruction or loss of a major local business ratable. For purposes of this paragraph, a "major local business ratable" means one or more related parcels of property owned by a single business entity, classified as commercial or industrial, which comprised the largest assessed valuation of any one or more line items of taxable property in a municipality, or generated an annual PILOT payment in excess of 10% of the total municipal levy, or is otherwise determined by the director to be of such significance to a municipality that its destruction or loss has resulted in financial distress; provided, however, that notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services may direct that part of any such allocation be paid to an affected school district or county, or to both, in the same manner as if the award of Transitional Aid were raised as revenue from the municipal tax levy; and provided further that a local government unit determined to be experiencing financial distress because of the loss or destruction of a major local business ratable shall not be required to be subject to any additional conditions, requirements, orders, or other operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division of Local Government Services.

and on such other terms and conditions as may be determined to be appropriate by the Commissioner of Labor and Workforce Development. Any municipality that enters into an individualized payment plan agreement pursuant to this section shall be required to expend all funds budgeted for this activity remaining as of the last day of its budget year for the repayment of outstanding obligations under the plan.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality that is in serious fiscal distress meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if it is identified by the Director of the Division of Local Government Services as experiencing serious fiscal distress where the director determines that, despite local officials having implemented substantive cost reduction strategies, there continue to exist conditions of serious fiscal distress, which may include but shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring revenues; limited ability to raise supplemental non-property tax revenues; extraordinary demands for public safety appropriations; and other factors indicating a constrained ability to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the fiscal integrity of the municipality. The transitional aid shall be provided to the municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however, if the Director of the Division of Local Government Services deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from compliance with the requirements for transitional aid.

Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29) or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be retained by the municipality and not apportioned in the same manner as the general tax rate of the municipality.

Notwithstanding the provisions of any law or regulation to the contrary, payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be provided only to municipalities whose payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds of the payment amount provided in fiscal year 2010.

Notwithstanding the provisions of any law or regulation to the contrary, any qualifying municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, whenever funds appropriated as State Aid and payable to any municipality, which municipality requests and receives the approval of the Local Finance Board, such funds may be pledged as a guarantee for payment of principal and interest on any bond anticipation notes issued pursuant to section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available by the State Treasurer upon receipt of a written notification by the Director of the Division of Local Government Services that the municipality does not have sufficient funds available for prompt payment of principal and interest on such notes, and shall be paid by the State Treasurer directly to the holders of such notes at such time and in such amounts as specified

a safe and secure school environment for nonpublic school students.

Items purchased for the use of nonpublic school students with Nonpublic Technology Initiative 2 funds in previous budget cycles shall remain the property of the local education agency; provided, however, that they shall remain on permanent loan for the use of nonpublic school students for the balance of the technologies' useful life. Notwithstanding the provisions of any law or regulation to the contrary, Nonpublic Technology Initiative Aid shall be paid to school districts and allocated for nonpublic school pupils at 6 the rate of \$36 per pupil in a manner that is consistent with the provisions of the federal and State constitutions. 8 Such amounts received in the "School District Deficit Relief Account," established pursuant to section 5 of P.L.2006, c.15 (C.18A:7A-58), including loan repayments, are appropriated, 10 subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding the provisions of P.L.2006, c.15 (C.18A:7A-54 et seq.) or any law or regulation 12 to the contrary, in the event that a school district owes an amount greater than 50 percent of 14 its annual general fund budget attributable in substantial part to loans made to the district from the "School District Deficit Relief Account" established pursuant to P.L.2006, c.15 (C.18A:7A-54 et seq.), such debt, as reduced by the liquidation of all available assets of the 16 school district, may be forgiven upon the school district's merger with another district if the Commissioner of Education determines that such debt represents an impediment to 18 consolidation, subject to the approval of the Director of the Division of Budget and Accounting. 20 Notwithstanding the provisions of P.L.1999, c.12 (C.54A:9-25.12 et seq.), there is appropriated from the Drug Abuse Education Fund, the amount of \$50,000, to be used for the NJSIAA Steroid Testing program. In addition to the amount hereinabove appropriated for the School Construction and Renovation 24 Fund account to make payments under the contracts authorized pursuant to section 18 of P.L.2000, c.72 (C.18A:7G-18), there are appropriated such other amounts as the Director 26 of the Division of Budget and Accounting shall determine are required to pay all amounts due from the State pursuant to such contracts. 28 The unexpended balance at the end of the preceding fiscal year in the School Construction and Renovation Fund account is appropriated for the same purpose. Notwithstanding the provisions of any law or regulation to the contrary, in the event that an 32 "SDA district" sells district surplus property, the proceeds from such sale shall be applied as follows, subject to the approval of the Director of the Division of Budget and Accounting: 34 the Commissioner of Education, in his discretion, may direct that the proceeds be used by the SDA district upon a showing of financial need for a capital maintenance project or for 36 a school facilities project if such project is consistent with the district's Long-Range Facilities Plan (LRFP) and the project cost does not exceed \$500,000. If the project cost 38 exceeds \$500,000, the commissioner may direct all or a portion of the proceeds to the New Jersey Schools Development Authority (SDA) for use in projects identified in that district's 40 LRFP. In the case of capital maintenance projects, the SDA may forward the specified aid 42 amount directly to the district for completion of the projects. If the commissioner is not satisfied that there is a sufficient showing of financial need for a capital maintenance project or for a school facilities project or if the commissioner is not satisfied that the proposed 44 project is consistent with the district's LRFP, the proceeds shall be returned to the SDA for use by the SDA for school facilities projects in that SDA district which are consistent with 46 the SDA district's LRFP. For the purposes of this provision, "surplus property" means property which is not being replaced by other property under a grant agreement with the 48 SDA. Notwithstanding the provisions of any law or regulation to the contrary, "non-SDA" districts 50 that received their State support for approved project costs through the New Jersey Schools Development Authority shall be assessed an amount equal to the 2013-2014 assessment. 52 District allocations shall be withheld from 2019-2020 formula aid payments and the assessment cannot exceed the total of those payments. 54 Notwithstanding the provisions of any law or regulation to the contrary, the preschool per pupil aid amounts set forth in subsection d. of section 12 of P.L.2007, c.260 (C.18A:7F-54) shall 56 be adjusted by the geographic cost adjustment developed by the Commissioner of Education pursuant to P.L.2007, c.260.

Notwithstanding the provisions of any law or regulation to the contrary, amounts hereinabove

appropriated for Preschool Education Aid shall be allocated as follows: 1) in the case of a

district that received Early Launch to Learning Initiative aid in the 2007-2008 school year, an amount equal to the district's 2007-2008 allocation of Early Launch to Learning Initiative aid; 2) in the case of a school district that received a 2008-2009 allocation of Preschool Education Aid based on its 2007-2008 Early Childhood Program Aid allocation, an aid amount equal to the district's 2018-2019 per pupil allocation of Preschool Education Aid inflated by the CPI and multiplied by the district's projected preschool enrollment, except in the case of a school district that participated in the federal Preschool Expansion Grant in 2018-2019 and districts that received an allocation of Preschool Education Expansion Aid in 2017-2018 and 2018-2019; 3) in the case of any other district with an allocation of Preschool Education Aid in the 2018-2019 school year calculated using the provisions of section 12 of P.L.2007, c.260 (C.18A:7F-54), or for districts that participated in the federal Preschool Expansion Grant in 2018-2019, or that received an allocation of Preschool Education Expansion Aid in 2017-2018 or 2018-2019, an amount calculated in accordance with those provisions based upon 2019-2020 projected FTE enrollments, and multiplied by the per pupil allocations as set forth in the March 2019 State Aid notice issued by the Commissioner of Education. Notwithstanding the provisions of any law or regulation to the contrary, of the amounts hereinabove appropriated for Preschool Education Aid, an amount not to exceed \$20,000,000 shall be allocated by the commissioner to districts in total additional preschool funding for the purpose of expanding free access to full-day preschool for resident three- and four- year old children in accordance with the preschool quality standards issued by the commissioner and based on a district's demonstration of its readiness to operate a preschool program consistent with those standards.

From the amount hereinabove appropriated for Preschool Education Aid, the Commissioner of Education shall provide \$5,000,000 in State aid to SDA districts to reduce family cost-sharing for before-school, after-school, and summer "wrap around" child care.

Notwithstanding the provisions of any law or regulation to the contrary, a district's 2019-2020 allocation of the amounts hereinabove appropriated for School Choice Aid shall be calculated pursuant to the provisions of P.L.2007, c.260; provided, however, in the event that School Choice enrollment reflected on the October 2018 Application for State School Aid is less than projected School Choice enrollment reflected on the 2018-2019 State Aid notice, such district's 2019-2020 School Choice Aid allocation shall be adjusted to reflect actual prebudget year enrollment as of October 2018, as set forth in the March 2019 State Aid notice issued by the Commissioner of Education. A district's 2019-2020 School Choice enrollment shall not exceed the district's maximum funded choice student enrollment as determined by the Commissioner of Education.

Notwithstanding the provisions of any law or regulation to the contrary, following notification to the Joint Budget Oversight Committee there are appropriated to the Emergency Fund account such additional amounts as may be required, not to exceed \$20,000,000, to fund approved applications for emergency aid following district needs assessments conducted by the Department of Education, subject to the approval of the Director of the Division of Budget and Accounting. The commissioner shall determine the repayment terms, if any, that will be assessed.

Notwithstanding the provisions of any law or regulation to the contrary, a charter school's 2019-2020 allocation of the amount hereinabove appropriated for Charter School Aid shall be as set forth in the March 2019 State Aid notice issued by the Commissioner of Education, and shall be adjusted based on the October 15th and the end of the school year actual pupil counts in each of the following cases: 1) in the case of a charter school with higher enrollment in the 2019-2020 school year than in the 2007-2008 school year, to provide that in the 2019-2020 school year, the charter school receives no less total support from the State and the resident district than the sum of the total 2007-2008 payments from the resident district and the 2007-2008 payments of Charter School Aid and Charter Schools - Council on Local Mandates Aid and to ensure that such total payments provide a 2019-2020 per pupil amount that is no less than the 2007-2008 per pupil amount based on average daily enrollment; and 2) to provide amounts pursuant to section 12 of P.L.1995, c.426 (C.18A:36A-12).

Notwithstanding the provisions of section 3 of P.L.1971, c.271 (C.18A:46-31), a portion of the district tuition amounts payable to a county special services school district operating an extended school year program may be transferred to the county special services school district prior to the first of September in the event the board shall file a written request with the Commissioner of Education stating the need for the funds. 34	Notwithstanding the provisions of any law or regulation to the contrary, an eligible district's allocation of the amounts hereinabove appropriated for School Construction Debt Service
36	Aid and School Building Aid shall be 85 percent of the district's approved October 9, 2018 application amount.
38	Notwithstanding the provisions of any law or regulation to the contrary, of the amounts

18	Notwithstanding the provisions of section 9 of P.L.2000, c.72 (C.18A:7G-9) or any other law

52	In addition to the amount hereinabove appropriated for the School Construction and Renovation Fund account to make payments under the contracts authorized pursuant to section 18 of
	P.L.2000, c.72 (C.18A:7G-18), there are appropriated such other sums as the Director of the

In accordance with guidelines issued by the commissioner, the consortium shall assume the responsibilities of the eligible district under N.J.S.18A:39-1 for transporting to and from school the pupils for whom the consortium received the aid in-lieuof transportation amount. In order to permit flexibility in the handling of appropriations, amounts may be transferred to 2 and from the various items of appropriation within the AIDS Services program classification in the Department of Health, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. Of the amount hereinabove appropriated for AIDS Grants, savings realized from reduced 6 transportation costs may be transferred to the AIDS Drug Distribution Program account, subject to the approval of the Director of the Division of Budget and Accounting. 8 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize prescription drug coverage under the Medicare Part D program established pursuant to the 10 federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," the amounts hereinabove appropriated for the AIDS Drug Distribution Program (ADDP) shall not be spent unless the ADDP is designated as the authorized representative for the purposes of coordinating benefits with the Medicare Part D program, including enrollment and 14 appeals of coverage determinations. ADDP is authorized to represent program beneficiaries in the pursuit of such coverage. ADDP representation shall not result in any additional 16 financial liability on behalf of such program beneficiaries and shall include, but need not be limited to, the following actions: application for the premium and cost-sharing subsidies on 18 behalf of eligible program beneficiaries; pursuit of appeals, grievances, or coverage determinations; and facilitated enrollment in a prescription drug plan or Medicare 20 Advantage Prescription Drug plan. If any beneficiary declines enrollment in any Medicare Part D plan, that beneficiary shall be barred from all benefits of the ADDP Program. Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the AIDS Drug Distribution Program (ADDP) is conditioned upon the 2.4 Department of Health coordinating the benefits of ADDP with the prescription drug benefits of the Medicare Part D program, established pursuant to the federal "Medicare Prescription 26 Drug, Improvement, and Modernization Act of 2003," as the primary payer. The ADDP 28 benefit and reimbursement shall only be available to cover the beneficiary cost share to innetwork pharmacies and for deductible and coverage gap costs, as determined by the Commissioner of Health, associated with enrollment in Medicare Part D for ADDP beneficiaries, and for Medicare Part D premium costs for ADDP beneficiaries. 32 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the AIDS Drug Distribution Program (ADDP) account shall be available as payment as an ADDP benefit to any pharmacy that is not enrolled as a participating pharmacy in a 34 pharmacy network under the Medicare Part D program established pursuant to the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003." 36 Commencing with the start of the fiscal year, and consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (MMA), no 38 funds hereinabove appropriated from the AIDS Drug Distribution Program (ADDP) account shall be expended for any individual enrolled in the ADDP program unless the individual 40 provides all data necessary to enroll the individual in the Medicare Part D program 42 established pursuant to the MMA, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services. Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove 44 appropriated for the AIDS Drug Distribution Program shall be expended for drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including but not limited to drugs 46 used for baldness and weight loss. Of the amount hereinabove appropriated for Public Health Infectious Disease Control, up to 48 \$250,000 may be transferred to Direct State Services accounts in the Department of Health 50 to cover administrative costs of the program, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of the receipt of any monies hereunder by an acute care hospital that is requesting an advance of charity care/NJ FamilyCare or payments from the "Health Care Facilities Improvement Fund" or any payments over and above this act, the hospital shall comply with a request by the Commissioner of Health for a review of its finances and operations to ensure that access to health care is maintained and public funds are utilized for their intended purposes. The cost of such review shall be borne by the acute care hospital and shall comply with any financial and operational performance requirements imposed by the commissioner as deemed necessary as a result of the review.

Notwithstanding the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i) or any law or regulation to the contrary, the appropriation for Health Care Subsidy Fund Payments is subject to the following conditions: the distribution of Charity Care funding shall be calculated in the following manner: (a) source data for the most recent census data shall be from the 2017 5-Year American Community Survey; (b) source data used shall be from calendar year (CY) 2017 for documented charity care claims data and hospital-specific gross revenue for charity care patients and shall include all adjustments and void claims related to CY 2017 and any prior year submitted claims, as submitted by each acute care hospital or determined by the Department of Health (DOH); (c) source data used for CY 2017 documented charity care for each hospital's total gross revenue for all patients shall be from the CY 2017 audited Acute Care Hospital Cost Report as defined by Form E4, Line 1, Column E data and shall be according to the DOH due date of June 30, 2018, as submitted by December 31, 2018 by each acute care hospital and audited by January 31, 2019; (d) source data used for CY 2017 documented charity care shall be from CY 2017 Medicare Cost Report data; (e) in the event that an eligible hospital failed to submit the CY 2017 Acute Care Hospital Cost Report, source data from their CY 2016 Acute Care Hospital Cost Report shall be used for hospital-specific gross revenue for charity care patients and for hospital total gross revenue for all patients as defined by Form E4, Line 1, Column E; (f) in the event that an eligible hospital failed to submit a full year CY 2017 Acute Care Hospital Cost Report, source data from a supplemental 2017 Acute Care Hospital Cost Report shall be used for hospital-specific gross revenue for charity care patients and for hospital total gross revenue for all patients as defined by Form E4, Line 1, Column E; (g) for each eligible hospital, except those designated 96% by their hospital-specific reimbursed documented charity care, a proportionate decrease shall be applied to its calculated subsidy based on its percentage of total subsidy such that the total calculated subsidy for all hospitals shall equal \$269,000,000; and (h) the resulting value will constitute each eligible hospital's SFY 2020 charity care subsidy allocation.

Notwithstanding the provisions of any law or regulation to the contrary, any funds remaining as the result of a closure of a hospital eligible to receive Disproportionate Share Hospital (DSH) funds shall be redistributed at the discretion of the Commissioner of Health. Factors the commissioner will consider shall include, but not be limited to, maintenance of continued timely access to essential health services for persons eligible to participate in Charity Care, and continued operation in the same or adjoining municipality as the closed hospital of an acute care hospital, eligible to receive DSH funds, and serving substantially the same eligible population. Notice of such redistribution shall be provided to the Joint Budget Oversight Committee within five business days of each redistribution.

The amounts hereinabove appropriated for Health Care Subsidy Fund Payments are conditioned upon the following provision: the Department of Health shall review, examine and/or audit any and all financial information maintained by an acute care hospital to ensure appropriate use of public funds.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Charity Care Subsidy is subject to the condition that participating hospitals shall demonstrate participation in the New Jersey Department of Health's New Jersey Health Information Network (NJHIN). For purposes of this paragraph, demonstrated participation in the NJHIN shall mean: (1) the hospital has directly, or indirectly through another Trusted Data Sharing Organization, executed the NJHIN Data Use and Reciprocal Support Agreement and the NJHIN Business Associate Agreement; (2) the hospital executed and participates in the NJHIN Core Use Case; and (3) the hospital executed and participates in the Statewide Admission, Discharge, Transfer Notification Use Case, as determined by the Commissioner of Health. The amounts hereinabove appropriated for Charity Care or other funding to a health care facility are conditioned upon the following requirements: such health care facility shall participate in planning meetings supervised by the Department of Health for the planning of the

in planning meetings supervised by the Department of Health for the planning of the provision of hospital, medical, or health programs and services; respond to a survey distributed by the Department of Health, on or before December 31, 2019, soliciting information on the facilities' processes to connect individuals whose claims are submitted as charity care claims to primary and preventative care systems or other systems of value-based health care delivery; and shall, to the extent permitted by State and federal law, share patient-level data as needed to facilitate such purposes.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to the following condition: In a manner determined by the Commissioner of Health and subject to the approval of the Director of the Division of Budget and Accounting, eligible hospitals shall receive (1) their charity care subsidy payments beginning in July 2019, and (2) their January 2020 payments in December 2019.

There are appropriated such additional sums as are required to pay all amounts due from the State pursuant to any contract entered into between the State Treasurer and the New Jersey Health Care Facilities Financing Authority pursuant to section 6 of P.L.2000, c.98 (C.26:2I-7.1) in connection with the Hospital Asset Transformation Program.

Notwithstanding the provisions of any law or regulation to the contrary, in the event that the State's waiver extension for the Hospital Delivery System Reform Incentive Payments (DSRIP) program does not receive federal approval, the amounts hereinabove appropriated for that purpose may be transferred to either Charity Care or Graduate Medical Education, or both, to ensure payments to hospitals continue to include federal matching funds; provided, however, that any such reallocation of DSRIP funds shall be subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Hospital Delivery System Reform Incentive Payments (DSRIP) program of \$166,600,000 are subject to the following condition: a hospital's payment shall be calculated and distributed as set forth in the final approved version of New Jersey's Hospital Delivery System Reform Incentive Payments funding and mechanics protocol approved on February 14, 2018, as amended, by the Centers for Medicare and Medicaid Services (CMS), in connection with the New Jersey Comprehensive Medicaid 1115 Waiver, consistent with the Special Terms and Conditions of the approved Waiver, including but not limited to Section XIII, paragraphs 91 through 97 thereof as may be amended by CMS.

The amount hereinabove appropriated for the Hospital Delivery System Reform Incentive Payments (DSRIP) program is subject to the following condition: the Department of Health shall promptly file with the Presiding Officers of the Legislature copies of any reports or other determinations regarding DSRIP eligibility or plan performance, including but not limited to whether or not a hospital has satisfied any eligibility benchmarks required for receipt of DSRIP funding, which are made by the State or received from the Centers for Medicare and Medicaid Services (CMS).

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$218,000,000 from amounts hereinabove appropriated for Graduate Medical Education (GME) shall be designated the GME Subsidy, and shall be calculated as follows: (a) the subsidy payment shall be split into a Direct Medical Education (DME) portion and an Indirect Medical Education (IME) portion; (b) source data used for the GME calculation shall come from the Medicaid cost report for calendar year (CY) 2017 submitted by each acute care hospital by October 31, 2018 and Medicaid Managed Care encounter payments data for Medicaid and NJ FamilyCare clients as reported by insurers to the State for the following reporting period: services dates between January 1, 2017 and December 31, 2017; payment dates between January 1, 2017 and December 31, 2018; and a run-date

of not later than February 15, 2019; (c) in the event that a hospital reported less than 12 months of 2017 Medicaid costs, the number of reported months of data regarding days, costs, or payments shall be annualized. In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2017 submitted by the affected acute care hospital by October 31, 2018 shall be used. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ Family Care clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2017 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2017 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 2017 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^0.405 - 1]$, in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2017 Medicaid managed care GME costs shall equal total 2017 Medicaid managed care IME costs plus total 2017 Medicaid managed care DME costs; (k) the 2017 total Medicaid managed care DME costs is divided by the total 2017 Medicaid managed care GME costs; (1) the DME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m) each hospital's percentage of total 2017 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment; (n) the 2017 total Medicaid managed care IME costs are divided by the total 2017 Medicaid managed care GME costs; (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (n) above; (p) each hospital's percentage of total 2017 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2020, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey. Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$24,000,000 from the amounts hereinabove appropriated from Graduate Medical Education (GME) shall be designated as Supplemental Graduate Medical Education Subsidy (GME-S), and shall be available to hospitals that meet the following eligibility criteria: (a) an eligible hospital has a Relative Medicaid Percentage (RMP) that is among the top fourteen acute care hospitals with a residency program; (b) the RMP is a ratio calculated using the 2017 Audited Acute Care Hospital (ACH) Cost Reports; (c) the RMP numerator equals a hospital's gross revenue from patient care for Medicaid and

Medicaid HMO payers as reported on Forms E5 and E6, Line 1, Column D & Column H; (d) the RMP denominator equals a hospital's gross revenue from patient care as reported on Form E4, Line 1, Column E; (e) for instances where hospitals that have a single Medicaid identification number submit a separate ACH Cost Report for each individually licensed hospital, the ACH Cost Report data for those hospitals shall be consolidated to the single Medicaid identification number; (f) the GME-S Subsidy shall be calculated using the same methodology as the GME Subsidy is calculated in this act, except the total amount of the GME-S Subsidy payments shall not exceed \$24,000,000.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. To satisfy this condition, participating hospitals may develop an internal training program, enter into a partnership with a school or university, or provide financial support for residents and fellows to participate in independent educational programs or conferences that provide continuing medical education credits that are specifically focused in the subject area of addiction. To document compliance, participating hospitals shall complete a report to the Department of Health no later than May 31, 2020.

In addition to the amount hereinabove appropriated for Health Care Systems Analysis, an amount not to exceed \$1,000,000 is appropriated from amounts assessed and collected by the Department of Banking and Insurance pursuant to section 9 of P.L.2007, c.330 (C.17:1D-2), for the purpose of funding costs associated with the development and maintenance of the New Jersey Health Information Network, subject to a plan prepared by the Department of Health and approved by the Director of the Division of Budget and Accounting.

Ü	13 Support of Patients in County Psychiatric
	Hospitals (PTRF) (\$105,214,000)
8	The unexpended balance at the end of the preceding fiscal year in the Support of Patients in
	County Psychiatric Hospitals account is appropriated for the same purpose.
10	Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the
1.0	State share of payments from the Support of Patients in County Psychiatric Hospitals
12	account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of
14	the rate established by the Commissioner of Human Services, in consultation with the
1.	Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent
16	of the rate established by the Commissioner of Human Services, in consultation with the
	Commissioner of Health, for the period January 1 to June 30 such that the total amount to
18	be paid by the State on behalf of county indigent patients for the calendar year shall not
	exceed 85 percent of the total reasonable per capita cost; and further provided that the rate
20	at which the State will reimburse the county psychiatric hospitals shall not exceed 100
	percent of the per capita rate at which each county pays to the State for the reasonable cost
22	of maintenance and clothing of each patient residing in a State psychiatric facility, excluding
24	the depreciation, interest, and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each
24	individual county psychiatric hospital's rate established for the period January 1 to
26	December 31 by the Commissioner of Human Services in consultation with the
	Commissioner of Health. The initial determination of whether a county hospital rate exceeds
28	the per capita rate that counties pay to the State on behalf of applicable patients residing in
	a State psychiatric facility will be based on a comparison of estimated cost used to set
30	reimbursement rates for the upcoming calendar year. A second comparison of the actual per
	diem costs of the county psychiatric hospital and State psychiatric hospitals will be
32	completed after actual cost reports for the period are available including an inflationary
34	adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the
34	State will exclude costs found to exceed 100 percent of the actual cost rate of the State
36	psychiatric facilities.
	Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
38	appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
	following provision: payments to county psychiatric hospitals will only be made after
40	receipt of their claims by the Division of Mental Health and Addiction Services. County
	psychiatric hospitals shall submit such claims no less frequently than quarterly and within
42	15 days of the close of each quarter.
1.1	With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to
44	hospitals that serve a disproportionate share of low-income patients, which shall be retained
46	by the State, the sharing of revenues received to defray the State Aid appropriation for the
	costs of maintaining patients in State and county psychiatric hospitals shall be based on the
48	same percent as costs are shared between the State and counties.
	The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
50	of patients in county psychiatric facilities shall be limited to inpatient services only, except
	that such reimbursement shall be paid to a county for outpatient and partial hospitalization
52	services as defined by the Department of Human Services, if outpatient and/or partial
	hospitalization services had been previously provided at the county psychiatric facility prior
54	to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
56	the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the
50	number of innatient beds or innatient services provided at such hospitals which will have

number of inpatient beds or inpatient services provided at such hospitals which will have

a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional amounts as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share Hospital claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), and (3) the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of chapter 85 of Title 8 of the New Jersey Administrative Code or any other law or regulation to the contrary, and subject to any required federal approval, the amounts hereinabove appropriated within the General Medical Services program classification are subject to the following conditions: (1) Class I (private), Class II (county), and Class III (special care) nursing facilities being paid on a fee-for-service basis, shall be reimbursed at the greater of the rate received on June 30, 2019, or the per diem rate, including the quality of care add-on, of \$188.35; (2) nursing facilities that are being paid by a Managed Care Organization (MCO) for custodial care through a provider contract that includes a negotiated rate shall receive that negotiated rate; (3) any Class I and Class III nursing facility that is being paid by an MCO for custodial care through a provider contract but has not yet negotiated a rate shall receive the greater of the equivalent fee-for-service per diem reimbursement rate as it received as of June 30, 2019, or the per diem rate, including the quality of care add-on, of \$188.35, and any Class II nursing facility that is being paid by an MCO but has not yet negotiated a rate shall receive the greater of the equivalent fee-for-service per diem reimbursement rate received on June 30, 2019, had it been a Class I nursing facility, or the per diem rate, including the quality of care add-on, of \$188.35; (4) notwithstanding paragraph (1) of subsection d. of section 6 of P.L.2003, c.105 (C.26:2H-97), the provider tax add-on payable as an allowable cost shall be \$13.67; (5) the quality of care portion of the provider tax add-on shall be equivalent to the amount received as of June 30, 2019; (6) for the purposes of this paragraph, a nursing facility's per diem reimbursement rate or negotiated rate shall not include, if the nursing facility is eligible for reimbursement, the difference between the full calculated provider tax add-on and the quality-of-care portion of the provider tax add-on, or any performance add-on amount as outlined in this paragraph; (7) each Class I, Class II, and Class III nursing facility with a performance score greater than or equal to the national average performance score, as collected and published by the Centers for Medicare and Medicaid Services, for reporting periods Q2 2017, Q3 2017, Q4 2017, and Q1 2018, for one or more of the following metrics shall receive a performance add-on of \$.60 for each metric where average facility performance across the four quarters of data combined is greater than or equal to the national average performance for the same twelve month period: antipsychotic medication use; incidence of pressure ulcers; use of physical restraints; and falls with major injury; (8) each Class I, Class II, and Class III nursing facility that received a composite score of 75 or greater on the Core Q Resident and Family Experience Survey for Q2 2018 shall receive a \$.60 performance add-on; (9); each class I and class III nursing facility shall receive a per diem adjustment that shall be calculated based upon an additional \$15,000,000 in State and \$15,000,000 in federal appropriations; and (10) additional revenues derived from the fiscal year 2020 adjustment to the nursing home provider assessment are appropriated to implement the provisions of this paragraph.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: nursing facilities shall not receive payments for bed hold or therapeutic leave days for NJ FamilyCare beneficiaries, provided that nursing facilities shall continue to reserve beds for NJ FamilyCare beneficiaries who are hospitalized or on therapeutic leave as required by N.J.A.C. 8:85-1.14.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of receipt of any NJ FamilyCare payments a nursing home shall provide to the Commissioner of Human Services information on the facility's finances comparable to the information provided by hospitals to the Department of Health pursuant to N.J.A.C.8:31B-3.1 et seq. and N.J.A.C.8:31B-4.1 et seq., as requested by the commissioner, and the commissioner shall periodically assess the financial status of the industry.

To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based Senior Programs are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Programs. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount programs, there are appropriated from the General Fund and available federal matching funds such additional amounts as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law to the contrary, amounts hereinabove appropriated for Aging and Disability Resource Connections (ADRC) shall be conditioned upon the

following: federal matching funds derived from ADRC or Area Agencies on Aging Medicaid costs, pursuant to an approved cost allocation plan, shall be disbursed to counties solely for the expansion of long-term care services and supports for older adults and individuals seeking home and community based services.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human Services coordinating the benefits of the PAAD programs with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Human Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or the Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs and Senior Gold Prescription Discount Program recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold Prescription Discount Program accounts shall be expended for any individual unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount Program provides all data necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount Program as the primary payer until such time as the original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended to cover medications not on the formulary of a PAAD program or Senior Gold Prescription Discount Program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove 2 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin 6 conditions. From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -8 Claims and Senior Gold Prescription Discount Program, an amount not to exceed 10 \$2,850,000 may be transferred to various accounts as required, including Direct State Services accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription 14 Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the 16 Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription Discount Program is authorized to represent program beneficiaries in the 18 pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not be limited to, the following actions: pursuit of appeals, grievances, and 20 coverage determinations. In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as part of Community Based Senior Programs, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the 2.4 Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. 2.6 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of 28 receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the 30 current fiscal year's annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the 32 approval of the Director of the Division of Budget and Accounting. In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged 34 and Disabled and Hearing Aid Assistance for the Aged and Disabled programs, there are appropriated from the Casino Revenue Fund and available federal matching funds such 36 additional amounts as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting. All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same 40 program classification from which the recovery originated. The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the 42 Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years. Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other 48 instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD 50 payments shall be made as a result of any such provision. Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and 52 Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical 54 Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs. Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Human Services, no funds appropriated for the 58 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to

P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer,

unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail-order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Human Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Human Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD program beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account shall be expended for any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug paid by PAAD as a primary payer until such time as the original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by

the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with Section 1927(f) of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit; or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, \$172,000 shall be charged to the Casino Simulcasting Fund.

In addition to the amount hereinabove appropriated for Tuition Aid Grants, there are appropriated such amounts as are required to cover the costs of increases in the number of applicants qualifying for full-time Tuition Aid Grant awards or to fund shifts in the distribution of awards that result in an increase in total program costs, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, participation in the Tuition Aid Grant program hereinabove appropriated shall be limited to those institutions that had previously participated in the Tuition Aid Grant program, or had applied in writing to the Higher Education Student Assistance Authority to participate in the Tuition Aid Grant program prior to September 1, 2009 and met all eligibility requirements prior to September 1, 2009.

The amount hereinabove appropriated for Part-Time Tuition Aid Grants for County Colleges shall be used to provide funds for tuition aid grants for eligible, qualified part-time students enrolled at the county colleges established pursuant to N.J.S.18A:64A-1 et seq. The tuition aid grants shall be used to pay the tuition at a county college established pursuant to N.J.S.18A:64A-1 et seq. Within the limits of available appropriations as determined by the Higher Education Student Assistance Authority, part-time grant awards shall be pro-rated against the full-time grant award for the applicable institutional sector established pursuant to N.J.S.18A:71B-21 as follows: an eligible student enrolled with six to eight credits shall receive one-half of the value of a full-time award and an eligible student enrolled with nine to eleven credits shall receive three-quarters of a full-time award. Students shall apply first for all other forms of federal student assistance grants and scholarships; student eligibility for the Tuition Aid Grant program for part-time enrollment at a county college shall in other respects be determined by the authority in accordance with the criteria established pursuant to N.J.S.18A:71B-20, other than the criterion for full-time enrollment.

The unexpended balances reappropriated to the Part-Time Tuition Aid Grants for County Colleges account shall be available to fund increases in the number of applicants qualifying for Part-Time Tuition Aid Grants for County Colleges awards, to fund increases in award amounts, and to fund shifts in the distribution of awards that result in an increase in program costs.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Community College Opportunity Grants is subject to the following conditions: (1) \$25 million is appropriated to the Higher Education Student Assistance Authority for the purpose of providing grants to eligible enrollees at New Jersey county colleges for the Fall 2019 and Spring 2020 semesters and summer courses, to pay for the costs of tuition or approved educational fees, including fees for nursing, culinary, and other career and technical education programs, or both, that are not already covered by other available funding opportunities, including, but not limited to, awards of tuition assistance and grants from any source, as determined by the Higher Education Student Assistance Authority; provided, however, that the Higher Education Student Assistance Authority, in consultation with the Office of the Secretary of Higher Education, shall establish criteria governing student eligibility and other necessary program elements, which shall be published on the Authority's Internet website; provided further that for Fiscal Year 2020, grants shall be available only to students determined to be eligible by the Authority, and whose adjusted gross income does not exceed \$65,000; and provided further that the maximum per student tuition and approved educational fee amounts eligible for Community College Opportunity Grants coverage shall not be more than two percent greater than the equivalent tuition and fee amounts at each county college in Academic Year 2018-2019; and provided further that unexpended balances, not to exceed \$5 million, may be reallocated to augment the Tuition Assistance Grant program for county colleges, upon the recommendation of the Secretary of Higher Education and subject to the approval of the Director of the Division of Budget and Accounting; (2) students must be enrolled in 6 or more credit hours, as defined pursuant to N.J.A.C. 9A:9-2.6; (3) \$5,000,000 shall be

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.
