The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 35 31. 37 Notwithstanding the provisions of any law or regulation to the contrary, the release of the total annual amount due for the current fiscal year from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall 39 submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the "Best Practices Inventory" established by the Director 41 of the Division of Local Government Services and shall receive at least a minimum score on 43 such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the director may take into account the particular circumstances of a municipality. In preparing the "Best Practices Inventory," the director shall identify best municipal practices in the areas of general administration, fiscal management, and 47 operational activities, as well as the particular circumstances of a municipality, in determining the minimum score acceptable for the release of the total annual amount due for 49 the current fiscal year. The Director of the Division of Local Government Services may permit any municipality that received "Regional Efficiency Aid Program" funds pursuant to the annual appropriations act 51 for fiscal year 2010, P.L.2009, c.68, to use a portion of its Consolidated Municipal Property 53 Tax Relief Aid or Energy Tax Receipts Property Tax Relief Aid, or both Consolidated Municipal Property Tax Relief Aid and Energy Tax Receipts Property Tax Relief Aid, to provide "Regional Efficiency Aid Program" benefits pursuant to P.L.1999, c.61 (C.54:4-8.76 57 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Consolidation Implementation shall be allocated to provide reimbursement 59 to local government units that consolidate pursuant to any law, including but not limited to P.L.2007, c.63 (C.40A:65-1 et seq.) and P.L.2009, c.118 (C.54:1-86 et seq.), or to a 61 municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et seq., for non-recurring costs that the Director of the Division of Local Government Services,

or in the case of a school district consolidation the Commissioner of Education, determines

to be necessary to implement such consolidation or annexation, subject to the approval of the Director of the Division of Budget and Accounting; provided, however, that in addition to the amounts hereinabove appropriated, there are appropriated such additional amounts as are determined to be necessary for reimbursement of non-recurring costs associated with local government unit consolidations, subject to the approval of the Director of the Division of Budget and Accounting; provided further that there are appropriated such additional amounts, not to exceed \$15,000,000, as the Director of the Division of Budget and Accounting, in consultation with the Commissioner of Community Affairs and the Director of the Division of Local Government Services, shall determine to be necessary to design and implement one or more voluntary county-based demonstration projects to achieve efficiencies and future cost savings in the provision of services at the local level.

Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be allocated by the Director of the Division of Local Government Services to provide shortterm financial assistance to a local government unit that is determined by the director to be experiencing financial distress caused by the destruction or loss of a major local business ratable. For purposes of this paragraph, a "major local business ratable" means one or more related parcels of property owned by a single business entity, classified as commercial or industrial, which comprised the largest assessed valuation of any one or more line items of taxable property in a municipality, or generated an annual PILOT payment in excess of 10% of the total municipal levy, or is otherwise determined by the director to be of such significance to a municipality that its destruction or loss has resulted in financial distress; provided, however, that notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services may direct that part of any such allocation be paid to an affected school district or county, or to both, in the same manner as if the award of Transitional Aid were raised as revenue from the municipal tax levy; and provided further that a local government unit determined to be experiencing financial distress because of the loss or destruction of a major local business ratable shall not be required to be subject to any additional conditions, requirements, orders, or other operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division of Local Government Services.

Of the amount hereinabove appropriated for Transitional Aid to Localities, amounts may be allocated by the Director of the Division of Local Government Services to reimburse any State agency or department for services provided to a participating municipal government unit pursuant to a memorandum of understanding between that State agency or department, the participating municipal government unit, and the Division of Local Government Services, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Transitional Aid to Localities is subject to the following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or regulation to the contrary, the Commissioner of Labor and Workforce Development, in consultation with the Commissioner of Community Affairs, is authorized to enter into individualized payment plan agreements with municipalities that receive Transitional Aid for the reimbursement of unemployment benefits paid to former employees of such municipal government units, at reasonable interest rates based on current market conditions, and on such other terms and conditions as may be determined to be appropriate by the Commissioner of Labor and Workforce Development. Any municipality that enters into an individualized payment plan agreement pursuant to this section shall be required to expend all funds budgeted for this activity remaining as of the last day of its budget year for the repayment of outstanding obligations under the plan.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality that is in serious fiscal distress meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if it is identified by the Director of the Division of Local Government Services as experiencing serious fiscal distress where the director determines that, despite local officials having implemented substantive cost reduction strategies, there continue to exist conditions of serious fiscal distress, which may include but shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring revenues; limited ability to raise supplemental non-property tax revenues; extraordinary demands for public safety appropriations; and other factors indicating a constrained ability to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an application on a form prescribed by the director, which application, among other things, shall

	43
1	set forth the minimum criteria that must be met in order for an application to be considered by the director for a determination of eligibility. The director shall determine whether a
3	municipality which files an application meeting such minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid should be provided to address the
5	municipality's serious fiscal distress. The transitional aid shall be provided to the municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144
7	(C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality
9	may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in
11	the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the current fiscal year. Provided,
13	however, if the Director of the Division of Local Government Services deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal
15	Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from compliance with the requirements for transitional aid.
17	Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29) or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
19	the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be retained by
21	the municipality and not apportioned in the same manner as the general tax rate of the municipality.
23	Notwithstanding the provisions of any law or regulation to the contrary, payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
25	for recreation and conservation purposes shall be provided only to municipalities whose payments received in fiscal year 2010 exceeded \$5,000, subject to the approval of the
27	Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, any qualifying

municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, whenever funds appropriated as State Aid and payable to any municipality, which municipality requests and receives the approval of the Local Finance Board, such funds may be pledged as a guarantee for payment of principal and interest on any bond anticipation notes issued pursuant to section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available by the State Treasurer upon receipt of a written notification by the Director of the Division of Local Government Services that the municipality does not have sufficient funds available for prompt payment of principal and interest on such notes, and shall be paid by the State Treasurer directly to the holders of such notes at such time and in such amounts as specified by the director, notwithstanding that payment of such funds does not coincide with any date for payment otherwise fixed by law.

The State Treasurer, in consultation with the Commissioner of Community Affairs, is empowered to direct the Director of the Division of Budget and Accounting to transfer appropriations from any State department to any other State department as may be necessary to provide a loan for a term not to exceed 180 days to a local government unit faced with a fiscal crisis, including but not limited to a potential default on tax anticipation notes and on such other terms and conditions as may be required by the commissioner.

Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary, a county that assumes responsibility for the provision of local police services in one or more municipalities utilizing a new or expanded county police force may display the anticipated revenues and appropriations associated with such county police force in its annual budget by annexing to that budget a statement describing the sources and amounts of anticipated dedicated revenues and appropriating those dedicated amounts for the purposes of the county

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Trenton Capital City Aid is subject to the following condition: The City of Trenton shall enter into an agreement with the Department of Community Affairs setting forth the terms and conditions for receipt of such aid, which shall include financial and operational oversight by the Director of the Division of Local Government Services in the Department of Community Affairs.

hospitals shall demonstrate participation in the New Jersey Department of Health's New Jersey Health Information Network (NJHIN). For purposes of this paragraph, demonstrated participation in the NJHIN shall mean: (1) the hospital has directly, or indirectly through another Trusted Data Sharing Organization, executed the NJHIN Data Use and Reciprocal Support Agreement and the NJHIN Business Associate Agreement; (2) the hospital executed and participates in the NJHIN Core Use Case; and (3) the hospital executed and participates in the Statewide Admission, Discharge, Transfer Notification Use Case, as determined by the Commissioner of Health. Provided further, that notwithstanding the provisions of any law or regulation to the contrary, participating hospitals also shall report to the Commissioner of Health key indicators of connections to care provided to patients who are eligible for Charity Care, as defined by the Commissioner of Health; in the event that a hospital does not report such information as determined by the Commissioner of Health, the final 1/12 of the hospital's Charity Care subsidy may be withheld, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for Charity Care or other funding to a health care facility are conditioned upon the following requirements: such health care facility shall participate in planning meetings supervised by the Department of Health for the planning of the provision of hospital, medical, or health programs and services; respond to a survey distributed by the Department of Health, on or before December 31, 2020, soliciting information on the facilities' processes to connect individuals whose claims are submitted as charity care claims to primary and preventative care systems or other systems of value-based health care delivery; and shall, to the extent permitted by State and federal law, share patient-level data as needed to facilitate such purposes.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to the following condition: In a manner determined by the Commissioner of Health and subject to the approval of the Director of the Division of Budget and Accounting, eligible hospitals shall receive (1) their charity care subsidy payments beginning in October 2020, and (2) their January 2021 payments in December 2020.

There are appropriated such additional sums as are required to pay all amounts due from the State pursuant to any contract entered into between the State Treasurer and the New Jersey Health Care Facilities Financing Authority pursuant to section 6 of P.L.2000, c.98 (C.26:2I-7.1) in connection with the Hospital Asset Transformation Program.

In order to permit flexibility in the handling of appropriations and ensure timely payments to hospitals, amounts may be transferred from the State, dedicated, and federal Quality Improvement Program-New Jersey (QIP-NJ) program accounts to the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$163,500,000 from amounts hereinabove appropriated for Graduate Medical Education (GME) shall be designated the GME Subsidy, and shall be calculated as follows: (a) the subsidy payment shall be split into a Direct Medical Education (DME) portion and an Indirect Medical Education (IME) portion; (b) source data used for the GME calculation shall come from the Medicaid cost report for calendar year (CY) 2018 submitted by each acute care hospital by February 14, 2020 and Medicaid Managed Care encounter payments data for Medicaid and NJ Family Care clients as reported by insurers to the State for the following reporting period: services dates between January 1, 2018 and December 31, 2018; payment dates between January 1, 2018 and December 31, 2019; and a run-date of not later than February 15, 2020; (c) in the event that a hospital reported less than 12 months of 2018 Medicaid costs, the number of reported months of data regarding days, costs, or payments shall be annualized. In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2018 submitted by the affected acute care hospital by January 31, 2020 shall be used. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ Family Care clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2018 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2018 resident full time equivalent employees (FTE),

The total GME Subsidy amount and these payments shall not exceed \$163,500,000 and shall be paid in 9 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2021, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$18,000,000 from the amounts hereinabove appropriated from Graduate Medical Education (GME) shall be designated as Supplemental Graduate Medical Education Subsidy (GME-S), and shall be available to hospitals that meet the following eligibility criteria: (a) an eligible hospital has a Relative Medicaid Percentage (RMP) that is among the top fourteen acute care hospitals with a residency program; (b) the RMP is a ratio calculated using the 2018 Audited Acute Care Hospital (ACH) Cost Reports according to the DOH due date of June 30, 2019, as submitted by December 31, 2019 by each acute care hospital and audited by January 3, 2020; (c) the RMP numerator equals a hospital's gross revenue from patient care for Medicaid and Medicaid HMO payers as reported on Forms E5 and E6, Line 1, Column D & Column H; (d) the RMP denominator equals a hospital's gross revenue from patient care as reported on Form E4, Line 1, Column E; (e) for instances where hospitals that have a single Medicaid identification number submit a separate ACH Cost Report for each individually licensed hospital, the ACH Cost Report data for those hospitals shall be consolidated to the single Medicaid identification number; (f) the GME-S Subsidy shall be calculated using the same methodology as the GME Subsidy is calculated in this act, except the total amount of the GME-S Subsidy payments shall not exceed \$18,000,000.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. To

satisfy this condition, participating hospitals may develop an internal training program, enter 1 into a partnership with a school or university, or provide financial support for residents and fellows to participate in independent educational programs or conferences that provide 3 continuing medical education credits that are specifically focused in the subject area of addiction. To document compliance, participating hospitals shall complete a report to the Department of Health no later than May 31, 2021. In addition to the amount hereinabove appropriated for Health Care Systems Analysis, an amount not to exceed \$1,000,000 is appropriated from amounts assessed and collected by the Department of Banking and Insurance pursuant to section 9 of P.L.2007, c.330 (C.17:1D-2), for the purpose of funding costs associated with the development and maintenance of the 11 New Jersey Health Information Network, subject to a plan prepared by the Department of Health and approved by the Director of the Division of Budget and Accounting. The amount hereinabove appropriated for Regional Coordinator Hospitals shall be distributed 13 equally among the State's Regional Coordinator Hospitals as designated by the 15 Commissioner of Health pursuant to Executive Directive No. 20-007 to support their actions in coordinating the State's health care response to COVID-19. 17 19 23 Mental Health and Addiction Services 21 DIRECT STATE SERVICES 15-4291 Patient Care and Health Services \$212,079,000 23 99-4291 Administration and Support Services 41,839,000 Total Direct State Services Appropriation, Mental Health and Addiction Services \$253,918,000 2.5 Direct State Services: Personal Services: Salaries and Wages 2.7 (\$234,875,000)Materials and Supplies (9,329,000)Services Other Than Personal 29 (5,626,000)Maintenance and Fixed Charges (2,836,000)Special Purpose: 31 (491,000)Interim Assistance 33 Additions, Improvements and Equipment. Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, 37 the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals 39 is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall 43 set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric 45 facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient 47 residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), and (3) the rates to be paid for the reasonable cost of maintenance and clothing 49 of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other 51 residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the 53 Commissioner of Human Services to the clerk of the respective boards of chosen freeholders. In the event that the Division of Mental Health and Addiction Services is notified that a county 55 psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by 57 the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals 59 account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the 61 Division of Budget and Accounting. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such amounts as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below.
