

ASSEMBLY REGULATED PROFESSIONS COMMITTEE

STATEMENT TO

ASSEMBLY, No. 1060

with committee amendments

STATE OF NEW JERSEY

DATED: FEBRUARY 13, 2023

The Assembly Regulated Professions Committee reports favorably Assembly Bill No. 1060 with committee amendments.

As amended, this bill provides that persons who, prior to moving to New Jersey, rendered barbering services in a professional capacity in another state or foreign country that does not issue licenses to render barbering services, may qualify for a temporary permit under the three-year pilot program, which was established in P.L.2019, c.20 (C.45:5B-28) and is extended for an additional three years.

Under the bill, a temporary permit issued under the pilot program shall be valid for a period of 120 days and shall be subject to extension if the applicant continues to meet the requirements of the pilot program and the application for issuance of a license remains pending.

Under current law, the three-year pilot program applies only to those persons who possess a license to render barbering services in another state or foreign country and who meet certain other criteria.

This bill was pre-filed for introduction in the 2022-2023 session pending technical review. As amended and reported, the bill includes the changes required by technical review, which has been performed.

COMMITTEE AMENDMENTS

The committee amended the bill to extend the pilot program for an additional three years.
