1 AN ACT creating the Disparity in Treatment of Persons with 2 Disabilities in Underrepresented Communities Commission and 3 supplementing Title 52 of the Revised Statutes. 4 5 **BE IT ENACTED** by the Senate and General Assembly of the State 6 of New Jersey: 7 8 1. The Legislature finds and declares that: 9 The State of New Jersey has a diverse population with a a 10 large percentage of residents who are members of a racial or ethnic minority and who often reside in economically challenged areas of 11 12 the State. b. Studies have shown that members of racial or ethnic 13 14 minorities have less access to employment opportunities, education, 15 health care, and other vital public services than other residents of 16 the State. 17 c. A member of a racial or ethnic minority with a disability experiences a form of "double jeopardy" in which both the 18 individual's classification as a minority and the individual's 19 disability prevent the individual from receiving the same 20 opportunities that are afforded to a majority of the residents of New 21 22 Jersey. 23 d. Minorities with disabilities constitute a significant portion of 24 the vulnerable population in New Jersey, and they are plagued by the disparity in the availability of, and access to, public and private 25 26 health services. 27 New Jerseyans take seriously their obligation to their fellow e. 28 residents with disabilities. Government provides a plethora of services to those individuals; however, there is no Statewide effort 29 to conduct a wide ranging cross-disability study to determine the 30 additional limitations put on racial or ethnic minorities with 31 32 disabilities and how to alleviate those limitations. 33 34 2. A Disparity in Treatment of Persons with Disabilities in 35 Underrepresented Communities Commission is established in, but 36 not of, the Department of Community Affairs. The commission is 37 allocated to the Department of Community Affairs for the purpose 38 of complying with Article V, Section IV, paragraph 1 of the New 39 Jersey Constitution. The Commissioner of Community Affairs shall be the request officer for the commission within the meaning of 40 41 section 6 of article 3 of P.L.1944, c.112 (C.52:27B-15) and shall exercise that authority and other administrative functions, powers, 42 43 and duties consistent with the provisions of this act. 44 45 3. a. The Disparity in Treatment of Persons with Disabilities 46 in Underrepresented Communities Commission shall be composed 47 of 20 members, 10 of whom shall be public members, appointed as follows: four by the Governor, three by the President of the Senate, 48

3

and three by the Speaker of the General Assembly. No public 1 2 member shall hold any elective office in the State, or any political 3 subdivision thereof, while serving on the commission. Two of the 4 members appointed by the Governor shall have academic expertise 5 in the field of statistical analysis. The remaining eight public 6 members shall be chosen from leaders in community-based or civil rights organizations with experience in community and urban affairs 7 8 in traditionally underserved populations. Of those eight members, 9 two appointed by the Governor and one each appointed by the 10 President of the Senate and the Speaker of the General Assembly 11 shall have experience with cross-disability issues.

12 b. The remaining 10 members shall consist of one 13 representative each from the Department of Community Affairs, the 14 Department of Labor and Workforce Development, the Department 15 of Human Services, the Department of Health, the Department of 16 Corrections, the Department of Law and Public Safety, the 17 Department of Education, the Department of Children and Families, 18 the Department of Banking and Insurance, and the Juvenile Justice 19 Commission. The representatives from the departments and the 20 Juvenile Justice Commission shall be designated by their respective commissioners, shall serve ex officio, and shall be ineligible to vote 21 22 on matters before the commission. The public members shall serve 23 for terms of five years and until the appointment and qualification 24 of a successor; except that in making the first appointments to the 25 commission, two shall be appointed to serve for a term of one year, 26 two for a term of two years, two for a term of three years, two for a 27 term of four years, and two for a term of five years. The length of 28 the respective term of each public member of the first commission 29 shall be determined by lot at the organization of the commission. 30

31 4. a. Appointments to the Disparity in Treatment of Persons 32 with Disabilities in Underrepresented Communities Commission 33 shall be made within 90 days following the effective date of this 34 act, and the commission shall hold its initial organizational meeting 35 within 150 days following the effective date of this act. The 36 Governor shall appoint a chairperson of the commission from one 37 of the six members appointed by the President of the Senate and the 38 Speaker of the General Assembly.

b. The commission shall hold meetings at a time and place
determined by the chairperson. The meetings shall be held at times
and places which afford a reasonable prospect of participation by
groups and individuals most affected by the issues studied by the
commission. The commission shall meet at least once per month or
at such other times as are designated by the chair.

45

46 5. a. The members of the Disparity in Treatment of Persons
47 with Disabilities in Underrepresented Communities Commission
48 shall serve without compensation, but shall be reimbursed for the

4

reasonable expenses necessarily incurred in the performance of
 their duties, within the limit of funds appropriated or otherwise
 made available to the commission for its purposes.

b. The Department of Community Affairs shall provide such
stenographic, clerical, and other administrative assistants, and such
professional staff, as the commission requires to carry out its work.
The commission shall also be entitled to call to its assistance and
avail itself of the services of the employees of any State, county, or
municipal department, board, bureau, commission, or agency as it
may require and as may be available for its purposes.

11

12 6. a. The Disparity in Treatment of Persons with Disabilities 13 in Underrepresented Communities Commission shall study and 14 report on the disparate treatment received by persons of a racial or 15 ethnic minority with disabilities. The commission shall conduct 16 wide cross-disability studies, inclusive of all persons classified as 17 disabled by section 3 of the Americans with Disabilities Act of 18 1990, 42 U.S.C. s.12102. The commission shall study the unique 19 concerns of racial or ethnic minorities with disabilities and the 20 effect their status as a racial or ethnic minority has on exacerbating 21 the impact of the disability. The studies shall include, but not be 22 limited to, disparities in the treatment of racial or ethnic minorities 23 and their access to educational opportunities, employment 24 opportunities, health care, and other services provided by both the 25 private and public sectors. The commission shall have wide latitude 26 in determining which issue it will study, provided the commission 27 can show a correlation between the issue and racial or ethnic 28 minorities with disabilities. The commission shall issue reports to 29 the Governor and the Legislature, pursuant to section 2 of 30 P.L. 1991, c.164 (C.52:14-19.1), detailing its findings and making 31 recommendations as to how the disparate treatment of these 32 individuals with disabilities may be remedied.

33 The commission shall solicit suggestions from the public b. 34 regarding issues relating to racial and ethnic minorities with 35 disabilities that should be studied by the commission. The 36 commission shall then make a determination as to which issues it 37 will study. The commission shall announce the first issue that it 38 will study within 60 days of its initial organizational meeting. This 39 first report shall be issued no later than six months following the 40 announcement of the topic.

41 Following the release of its initial report, the commission с. 42 shall continue to conduct studies on issues impacting upon racial 43 and ethnic minorities with disabilities; however, the commission 44 shall issue an annual report summarizing the studies, findings, and 45 recommendations of the commission for the prior year. The annual 46 report shall be released on or before October 31 of each year. 47 Nothing in this paragraph shall prohibit the commission from 48 releasing more than one report each year.

5

d. The commission shall hold public hearings, as determined 1 2 by the chairperson, in order to receive public comment regarding 3 the first issue to be studied by the commission pursuant to 4 subsection b. of this subsection. Further public hearings shall be 5 conducted on every issue subsequently studied by the commission 6 pursuant to subsection b. of this section in order to receive 7 testimony from experts or interested members of the general public. 8 All public hearings shall be held at a time and place which allows 9 for the attendance of members of the general public most affected 10 by the issue being studied pursuant to subsection b. of this section. Nothing in this section shall prohibit the commission from holding 11 12 private meetings to deliberate on the matters being studied. 13

14 7. This act shall take effect immediately.
