

SENATE JUDICIARY COMMITTEE

STATEMENT TO

SENATE, No. 2956

STATE OF NEW JERSEY

DATED: AUGUST 8, 2022

The Senate Judiciary Committee reports favorably Senate Bill No. 2956.

This bill would designate as natural habitat and preserve the 21.5 acre Caven Point Peninsula. Caven Point Peninsula is an estuarine ecosystem for plants and animals, critical bird breeding habitat, and urban environmental education resource. The peninsula is located in Liberty State Park, in Jersey City, Hudson County, and stretches into the Upper New York Bay.
