SENATE, No. 2981

with Senate Floor Amendments
(Proposed by Senator CRYAN)

ADOPTED: OCTOBER 17, 2022

These floor amendments would require the Governor to appoint each of the 10 members of the Home Sharing Evaluation Task Force (task force), upon the recommendations of the Senate President and the Speaker of the General Assembly. Previously, the Governor, Senate President, and the Speaker of the General Assembly were required to individually make certain appointments to the task force.
