

STATEMENT TO

SENATE COMMITTEE SUBSTITUTE FOR
SENATE, Nos. 3632 and 3649

with Senate Floor Amendments
(Proposed by Senator JOHNSON)

ADOPTED: MAY 22, 2023

The Senate Committee Substitute for Senate Bill Nos. 3632 and 3649 requires labeling of non-flushable disposable wipes.

These Senate amendments revise the definition of “label notice” to clarify that a label notice is required to contain the phrase “Do Not Flush,” not the “Do Not Flush” symbol, and that “symbol” is separately defined. In addition, the Senate amendments make certain technical changes.
