

ASSEMBLY TRANSPORTATION AND INDEPENDENT
AUTHORITIES COMMITTEE

STATEMENT TO

ASSEMBLY, No. 4284

STATE OF NEW JERSEY

DATED: MAY 6, 2024

The Assembly Transportation and Independent Authorities Committee reports favorably Assembly Bill No. 4284.

As reported, this bill eliminates the fee imposed by the New Jersey Motor Vehicle Commission for the issuance of a special license plate for any person who is a compensated, partially compensated, or volunteer member of any fire department in this State (firefighter) or any person who is a compensated, partially compensated, or volunteer member of any first aid or rescue squad in this State.

Under current law, firefighters and members of any first aid or rescue squad in this State may apply for and receive the special license plate, which costs \$15 in addition to other fees prescribed by law for the registration of the firefighter's or member's vehicle.

This bill would allow firefighters and members of any first aid or rescue squad in this State to apply for and receive the special license plate for no additional cost, except for any fees prescribed by law for the registration of the firefighter's or member's vehicle.
