

STATEMENT TO
ASSEMBLY, No. 4841

with Assembly Floor Amendments
(Proposed by Assemblywoman REYNOLDS-JACKSON)

ADOPTED: DECEMBER 19, 2024

The amendments to this bill accomplish the following:

- remove a dollar adjustment to current law concerning when a requirement for an employee to retire constitutes an unlawful employment practice; and
- restore a provision of existing law that expressly permits an employer to restrict employment to United States citizens when the restriction is required by federal law or necessary to protect national security.
