STATEMENT

26

27 This bill provides that a home-schooled child must be administered
28 each of the Statewide assessment tests required by the State of public
29 school pupils that are appropriate for the grade level of the child. The
30 tests would be administered in a school of the resident school district.
31 In addition, the bill requires the parents or guardians of a home-
32 schooled child to provide documentation to the resident district board
33 of education no later than September 1 of each year that the child has
34 undergone an annual medical examination.
