7 2. Section 3 of P.L.1970, c.226 (C.24:21-3) is amended to read
8 as follows:

9 3. Authority to control. a. The **[commissioner]** director shall

14 **[8]** 8.1 of [this act] P.L.1970, c.226, as amended and
15 supplemented (C.24:21-5 through 24:21-8.1). In determining
16 whether to control a substance, the **[commissioner]** director shall
17 consider the following:

- 18 (1) Its actual or relative potential for abuse;
19 (2) Scientific evidence of its pharmacological effect, if known;
20 (3) State of current scientific knowledge regarding the substance;
21 (4) Its history and current pattern of abuse;
22 (5) The scope, duration, and significance of abuse;
23 (6) What, if any, risk there is to the public health;
24 (7) Its psychic or physiological dependence liability; and
25 (8) Whether the substance is an immediate precursor of a
26 substance already controlled under this article.

27 After considering the above factors, the **[commissioner]** director
28 shall make findings with respect thereto and shall issue an order
29 controlling the substance if he finds that the substance has a
30 potential for abuse.

31 b. If the **[commissioner]** director designates a substance as an
32 immediate precursor, substances which are precursors of the
33 controlled precursor shall not be subject to control solely because
34 they are precursors of the controlled precursor.

35 c. If any substance is designated, rescheduled or deleted as a
36 controlled dangerous substance under Federal law and notice
37 thereof is given to the **[commissioner]** director, the
38 **[commissioner]** director shall similarly control the substance under
39 **[this act]** P.L.1970, c.226, as amended and supplemented, after the
40 expiration of 30 days from publication in the Federal Register of a
41 final order designating a substance as a controlled dangerous
42 substance or rescheduling or deleting a substance, unless within that
43 30-day period, the **[commissioner]** director objects to inclusion,
44 rescheduling, or deletion. In that case, the **[commissioner]** director
45 shall cause to be published in the New Jersey Register and made
46 public the reasons for his objection and shall afford all interested

1 parties an opportunity to be heard. At the conclusion of any such
2 hearing, the **【commissioner】** director shall publish and make public
3 his decision, which shall be final unless the substance is specifically
4 otherwise dealt with by an act of the Legislature. Upon publication
5 of objection to inclusion or rescheduling under **【this act】** P.L.1970,
6 c.226 (C.24:21-1 et seq.) by the **【commissioner】** director, control of
7 such substance under this section shall automatically be stayed until
8 such time as the **【commissioner】** director makes public his final
9 decision.

10 The **【Commissioner of Health】** director may by regulation
11 exclude any nonnarcotic substance from a schedule if such
12 substance may, under the provisions of Federal or State law, be
13 lawfully sold over the counter without a prescription, unless
14 otherwise controlled pursuant to rules and regulations promulgated
15 by the **【department】** division.

16 d. The **【State Department of Health】** director shall update and
17 republish the schedules in sections 5 through **【8】** 8.1 of P.L.1970,
18 c.226, as amended and supplemented (C.24:21-5 through 24:21-8.1)
19 **【on a semiannual basis for 2 years from the effective date of this act**
20 **and thereafter on an annual basis】** periodically.

37 read as follows:

38 10. Registration requirements. a. Every person who
39 manufactures, distributes, or dispenses any controlled dangerous
40 substance within this State or who proposes to engage in the
41 manufacture, distribution, or dispensing of any controlled
42 dangerous substance within this State, shall obtain **【annually】** a
43 registration issued by the **【State Department of Health】** division in
44 accordance with rules and regulations promulgated by it.

45 b. Persons registered by the **【commissioner】** director under this
46 act to manufacture, distribute, dispense, or conduct research with
47 controlled dangerous substances may possess, manufacture,

1 distribute, dispense, or conduct research with those substances to
2 the extent authorized by their registration and in conformity with
3 the other provisions of this article.

4 c. The following persons shall not be required to register and
5 may lawfully have under their control or possess controlled
6 dangerous substances under the provisions of **【this act】 P.L.1970,**
7 c.226 (C.24:21-1 et seq.), as amended and supplemented; provided,
8 however, that nothing in this section shall be construed as
9 conferring on a person who is not registered or licensed as a
10 practitioner or as a pharmacist any authority, right or privilege that
11 is not granted him by the laws of this State:

12 (1) An agent, or an employee thereof, of any registered
13 manufacturer, distributor, or dispenser of any controlled dangerous
14 substance if such agent is acting in the usual course of his business

16 (2) A common carrier or warehouseman, or an employee
17 thereof, whose possession of any controlled dangerous substance is

25 employees or agents of persons lawfully entitled to possession, or
26 by persons whose possession is authorized for the purpose of aiding
27 peace officers in performing their official duties.

28 d. The **【commissioner】** director may, by regulation, waive the
29 requirement for registration of certain manufacturers, distributors,
30 or dispensers if he finds it consistent with the public health and
31 safety.

32 e. A separate registration shall be required at each principal
33 place of business or professional practice where the applicant
34 manufactures, distributes, or dispenses controlled dangerous
35 substances.

36 f. The **【commissioner】** director is authorized to inspect the
37 establishment of a registrant or applicant for registration in
38 accordance with the rules and regulations promulgated by him.
39 (cf: P.L.1971, c.3, s.5)

40
41 10. Section 11 of P.L.1970, c.226 (C.24:21-11) is amended to
42 read as follows:

43 11. Registration. a. The **【State Department of Health】** division
44 shall not register an applicant to manufacture or distribute
45 controlled dangerous substances included in Schedules I through IV
46 of article 2 of **【this act】 P.L.1970, c.226 (C.24:21-3 et seq.)**, as
47 amended and supplemented, unless it determines that the issuance

1 of such registration is consistent with the public interest. In
2 determining the public interest, the following factors shall be
3 considered:

4 (1) Maintenance of effective controls against diversion of
5 particular controlled dangerous substances into other than
6 legitimate medical, scientific, or industrial channels;

7 (2) Compliance with applicable State and local laws;

8 (3) Any convictions of the applicant under any Federal and State
9 laws relating to any controlled dangerous substance;

10 (4) Past experience in the manufacture of controlled dangerous
11 substances, and the existence in the applicant's establishment of
12 effective controls against diversion;

13 (5) Furnishing by the applicant false or fraudulent material in
14 any application filed under this act;

15 (6) Suspension or revocation of the applicant's Federal
16 registration to manufacture, distribute, or dispense controlled
17 dangerous substances as authorized by Federal law; and

18 (7) Such other factors as may be relevant to and consistent with
19 the public health and safety.

20 b. Registration granted under subsection a. of this section shall
21 not entitle a registrant to manufacture and distribute controlled
22 dangerous substances in Schedule I or II other than those specified
23 in the registration.

24 c. Practitioners shall be registered to dispense substances in
25 Schedules II through IV if they are authorized to dispense or
26 conduct research under the law of this State. The **commissioner**
27 director need not require separate registration under this article for
28 practitioners engaging in research with nonnarcotic controlled
29 dangerous substances in Schedules II through IV where the
30 registrant is already registered under this article in another capacity.
31 Practitioners registered under Federal law to conduct research in
32 Schedule I substances are permitted to conduct research in Schedule
33 I substances within this State upon furnishing the **commissioner**
34 director evidence of that Federal registration.

35 d. Compliance by manufacturers and distributors with the
36 provisions of the Federal law respecting registration (excluding
37 fees) entitles them to be registered under **this act** P.L.1970, c.226
38 (C.24:21-1 et seq.), as amended and supplemented.

39 e. The **State Department of Health** division shall initially
40 permit persons to register who own or operate any establishment
41 engaged in the manufacture, distribution or dispensing of any
42 controlled dangerous substances prior to the effective date of **this**
43 **act** P.L.1970, c.226, as amended and supplemented, and who are
44 registered or licensed by the State.

45 f. An incorporated humane society or a licensed animal control
46 facility may designate an officer, a member of its board of trustees,
47 the owner, the operator or the manager as its duly authorized agent.

1 The **【State Department of Health】** division shall, consistent with
2 the public interest, register such duly authorized agent for the
3 limited purpose of buying, possessing, and dispensing to registered
4 and certified personnel sodium pentobarbital to euthanize injured,
5 sick, homeless and unwanted domestic pets or domestic or wild
6 animals. The duly authorized agent shall file, on a quarterly basis, a
7 report of any purchase, possession and use of sodium pentobarbital,
8 which report shall be certified by the humane society or animal
9 control facility as to its accuracy and validity. This report shall be
10 in addition to any other recordkeeping and reporting requirements
11 of State and Federal law and regulation.

12 The **【State Department of Health】** division shall adopt rules and
13 regulations providing for the registration and certification of any
14 individual who, under the direction of the duly authorized and
15 registered agent of an incorporated humane society or licensed
16 animal control facility, uses sodium pentobarbital to euthanize
17 injured, sick, homeless and unwanted domestic pets or domestic or
18 wild animals. The **【State Department of Health】** division may also
19 adopt such other rules and regulations as shall provide for the safe
20 and efficient use of sodium pentobarbital by animal control
21 facilities and humane societies. Nothing herein shall be deemed to
22 waive any other requirement imposed on animal control facilities
23 and humane societies by State and Federal law and regulation.

24 (cf: P.L.1979, c.204, s.1)
25

26 11. Section 12 of P.L.1970, c.226 (C.24:21-12) is amended to
27 read as follows:

28 12. Denial, revocation, or suspension of revocation. a. A
29 registration pursuant to section 11 of P.L.1970, c.226 (C.24:21-11)
30 to manufacture, distribute, or dispense a controlled dangerous
31 substance, may be suspended or revoked by the **【commissioner】**
32 director upon a finding that the registrant:

33 (1) Has materially falsified any application filed pursuant to
34 **【this act】** P.L.1970, c.226 (C.24:21-1 et seq.), as amended and
35 supplemented, or required by **【this act】** P.L.1970, c.226, as
36 amended and supplemented; or

37 (2) Has been convicted of an indictable offense under **【this act】**
38 P.L.1970, c.226, as amended and supplemented, or any law of the
39 United States, or of any State, relating to any substance defined
40 herein as a controlled dangerous substance; or

41 (3) Has violated or failed to comply with any duly promulgated
42 regulation of the **【commissioner】** director and such violation or
43 failure to comply reflects adversely on the licensee's reliability and
44 integrity with respect to controlled dangerous substances; or

45 (4) Has had his Federal registration suspended or revoked by
46 competent Federal authority and is no longer authorized by Federal

1 law to engage in the manufacturing, distribution, or dispensing of
2 controlled dangerous substances; or

3 (5) Has had his registration suspended or revoked by competent
4 authority of another state for violation of its laws or regulations
5 comparable to those of this State relating to the manufacture,
6 distribution or dispensing of controlled dangerous substances.

7 b. The **【commissioner】** director may limit revocation or
8 suspension of a registration to the particular controlled dangerous
9 substance with respect to which grounds for revocation or
10 suspension exist.

11 c. Before taking action pursuant to this section or pursuant to a
12 denial of registration under section 11 of P.L.1970, c.226 (C.24:21-
13 11), the **【commissioner】** director shall serve upon the applicant or
14 registrant an order to show cause why registration should not be
15 denied, revoked, or suspended. The order to show cause shall
16 contain a statement of the basis thereof and shall call upon the
17 applicant or registrant to appear before the **【commissioner】** director
18 at a time and place stated in the order, but in no event less than 30
19 days after the date of receipt of the order unless an earlier date is
20 requested by the applicant or registrant and agreed to by the
21 **【commissioner】** director. Proceedings to deny, revoke, or suspend
22 shall be conducted pursuant to this section in accordance with the
23 provisions of the “Administrative Procedure Act,” P.L.1968, c.410
24 (C. 52:14B-1 et seq.). Such proceedings shall be independent of,
25 and not in lieu of, criminal prosecutions or other proceedings under
26 **【this act】** P.L.1970, c.226, as amended and supplemented, or any
27 law of the State.

28 d. The **【commissioner】** director may, in his discretion, suspend
29 any registration simultaneously with the institution of proceedings
30 under this section in cases where he finds that there is an imminent
31 danger to the public health or safety. Such suspensions shall
32 continue in effect until the conclusion of such proceedings,
33 including judicial review thereof, unless sooner withdrawn by the
34 **【commissioner】** director or dissolved by a court of competent
35 jurisdiction.

36 e. In the event the **【commissioner】** director suspends or revokes
37 a registration granted under section 11 of P.L.1970, c.226 (C.24:21-
38 11), all controlled dangerous substances owned or possessed by the
39 registrant pursuant to such registration at the time of suspension or
40 the effective date of the revocation order, as the case may be, may
41 in the discretion of the **【commissioner】** director be placed under
42 seal. No disposition may be made of substances under seal until the
43 time for taking an appeal has elapsed or until all appeals have been
44 concluded unless a court, upon application therefor, orders the sale
45 of perishable substances and the deposit of the proceeds of the sale
46 with the court. Upon a revocation order becoming final, all such
47 controlled dangerous substances may be forfeited to the State.

1 f. The **【commissioner】** director shall promptly notify the
2 **【Bureau of Narcotics and Dangerous Drugs】** Drug Enforcement
3 Administration of all orders suspending or revoking registration and
4 all forfeitures of controlled dangerous substances.

5 (cf: P.L.1970, c.226, s.12)

11 **act】** P.L.1970, c.226 (C.24:21-1 et seq.), as amended and
12 supplemented, shall keep records and maintain inventories in
13 conformance with the recordkeeping and inventory requirements of

21 Schedule I and II shall be distributed only by a registrant, pursuant
22 to an official written order form, clearly identifying it as covering
23 or relating to Schedule I and Schedule II, or either thereof,
24 controlled dangerous substances and bearing the registration
25 number of the registrant. **【Except as provided herein, compliance】**
26 Compliance with Federal law respecting order forms shall be
27 deemed compliance with this section.

28 b. A pharmacist, only upon an official written order, may sell to
29 a practitioner in quantities not exceeding one ounce at any one time,
30 aqueous or oleaginous solutions compounded by him of which the
31 content of narcotic drugs or other controlled dangerous substances
32 does not exceed a proportion greater than 20% of the complete
33 solution, to be used for medical purposes.

34 c. An official written order for any controlled dangerous
35 substance in Schedule I or Schedule II shall be signed in triplicate
36 by the person giving said order or by his duly authorized agent.
37 The original and triplicate shall be presented to the person who sells
38 or dispenses the controlled dangerous substance or substances
39 named therein. In the event of the acceptance of such order by said
40 person, except as may be otherwise required by rule, regulation, or
41 order of the **【commissioner】** director, each party to the transaction
42 shall preserve his copy of such order for a period of **【2】** two years,
43 in such a way as to be readily accessible for inspection by any
44 public officer or employee engaged in the enforcement of this
45 chapter.

1 d. Use of an official written order in electronic form shall
2 comply with the requirements of State law and regulations.

3 (cf: P.L.1970, c.226, s.14)

28 more than **[6]** six months after the date thereof or be refilled more
29 than **[5]** five times after the date of the prescription, unless
30 renewed by the practitioner.

1 any unused portion of the substance when it is no longer required
2 by the patient or when its return is requested by the practitioner.

3 g. Whenever it appears to the **【State Department of Health】**
4 director that a drug not considered to be a prescription drug under
5 existing State law should be so considered because of its abuse
6 potential, it shall so advise the New Jersey State Board of Pharmacy
7 and furnish to it all available data relevant thereto.
8 (cf: P.L.1971, c.3, s.7)

4 17. Section 32 of P.L.1970, c.226 (C.24:21-32) is amended to
5 read as follows:

6 32. Administrative inspections and warrants. a. Issuance and
7 execution of administrative inspection warrants shall be as follows:

8 (1) Any judge of a court having jurisdiction in the municipality
9 where the inspection or seizure is to be conducted, may, upon
10 proper oath or affirmation showing probable cause, issue warrants
11 for the purpose of conducting administrative inspections authorized
12 by **[this act]** P.L.1970, c.226 (C.24:21-1 et seq.), as amended and
13 supplemented, or regulations thereunder, and seizures of property
14 appropriate to such inspections. For the purposes of this section,
15 “probable cause” means a valid public interest in the effective
16 enforcement of **[the act]** P.L.1970, c.226, as amended and
17 supplemented, or regulations sufficient to justify administrative
18 inspection of the area, premises, building or conveyance in the
19 circumstances specified in the application for the warrant;

20 (2) A warrant shall issue only upon an affidavit of an officer or
21 employee duly designated and having knowledge of the facts
22 alleged, sworn to before the judge and establishing the grounds for
23 issuing the warrant. If the judge is satisfied that grounds for the
24 application exist or that there is probable cause to believe they
25 exist, he shall issue a warrant identifying the area, premises,
26 building, or conveyance to be inspected, the purpose of such
27 inspection, and, where appropriate, the type of property to be
28 inspected, if any. The warrant shall identify the item or types of
29 property to be seized, if any. The warrant shall be directed to a
30 person authorized by **[section 3]** section 31 of P.L.1970, c.226
31 (C.24:21-31) to execute it. The warrant shall state the grounds for
32 its issuance and the name of the person or persons whose affidavit
33 has been taken in support thereof. It shall command the person to
34 whom it is directed to inspect the area, premises, building, or
35 conveyance identified for the purpose specified, and where
36 appropriate, shall direct the seizure of the property specified. The
37 warrant shall direct that it be served during normal business hours.
38 It shall designate the judge to whom it shall be returned;

39 (3) A warrant issued pursuant to this section must be executed
40 and returned within 10 days of its date. If property is seized
41 pursuant to a warrant, the person executing the warrant shall give to
42 the person from whom or from whose premises the property was
43 taken a copy of the warrant and a receipt for the property taken or
44 shall leave the copy and receipt at the place from which the
45 property was taken. The return of the warrant shall be made
46 promptly and shall be accompanied by a written inventory of any
47 property taken. The inventory shall be made in the presence of the

1 person executing the warrant and of the person from whose
2 possession or premises the property was taken, if they are present,
3 or in the presence of at least one credible person other than the
4 person executing the warrant. The clerk of the court, upon request,
5 shall deliver a copy of the inventory to the person from whom or
6 from whose premises the property was taken and to the applicant
7 for the warrant; and

8 (4) The judge who has issued a warrant under this section shall
9 attach to the warrant a copy of the return and all papers filed in
10 connection therewith and shall cause them to be filed with the court
11 which issued such warrant.

25 controlled dangerous substance.

26 (2) When so authorized by an administrative inspection warrant
27 issued pursuant to paragraph (1) of subsection a. [(1)] of this

45 (c) To inventory any stock of any controlled dangerous
46 substance therein and obtain samples of any such substance.

1 (4) This section shall not be construed to prevent entries and
2 administrative inspections (including seizures of property) without
3 a warrant:

4 (a) With the consent of the owner, operator or agent in charge of
5 the controlled premises;

6 (b) In situations presenting imminent danger to health or safety;

7 (c) In situations involving inspection of conveyances where
8 there is reasonable cause to believe that the mobility of the
9 conveyance makes it impracticable to obtain a warrant;

10 (d) In any other exceptional or emergency circumstance where
11 time or opportunity to apply for a warrant is lacking; and,

12 (e) In all other situations where a warrant is not constitutionally
13 required.

14 (5) Except when the owner, operator, or agent in charge of the
15 controlled premises so consents in writing, no inspection authorized
16 by this section shall extend to:

17 (a) Financial data;

18 (b) Sales data other than shipment data;

19 (c) Pricing data;
