27 substantially similar statute governing the disability retirement of
28 federal law enforcement officers, provided the officer was a
29 regularly employed, full-time law enforcement officer for an
30 aggregate of four or more years prior to his disability retirement and
31 further provided that the disability which constituted the basis for
32 the officer's retirement did not involve a certification that the officer
33 was mentally incapacitated for the performance of his usual law
34 enforcement duties and any other available duty in the department
35 which his employer was willing to assign to him or does not subject

39 be valid for one year from the date of issuance and shall be valid
40 throughout the State. The identification card shall not be
41 transferable to any other person. The identification card shall be
42 carried at all times on the person of the retired officer while the
43 retired officer is carrying a handgun. The retired officer shall
44 produce the identification card for review on the demand of any law
45 enforcement officer or authority.
