STATEMENT

13

14 This bill prohibits a business, or any holding company or
15 affiliate of the business, or an officer, director, or key or principal
16 employee of the business, from making campaign contributions to
17 candidates for nomination or election to any public office in the
18 State during a period when the business is receiving a development
19 subsidy totaling \$25,000 or more from a State agency or authority.
20 The prohibition does not prohibit any individual who is a candidate
21 for public office in this State from contributing to the individual's
22 own campaign.

23

24 A violation of this prohibition would be a crime of the fourth
25 degree, except that the amount of a fine may be up to \$200,000, and
26 in the case of a person other than a natural person, the amount of a
27 fine may be up to \$500,000. Further, a recipient business found to
28 have willfully and intentionally made a contribution or failed to
29 reveal a contribution may be liable to a penalty of up to the value of
30 its development subsidy with the State agency, may be ineligible for
31 any remaining amount of the development subsidy, and may be
32 debarred by the State Treasurer from contracting with any State
33 agency or receiving a development subsidy for up to five years.

33

34 The bill provides that a candidate for nomination or election to
35 any public office in this State who solicits or accepts a political
36 contribution prohibited by the bill is liable to a penalty for each
violation as set forth in current law in N.J.S.A.19:44A-22.
