6

7 1. A school district, in submitting a written request to the
8 executive county superintendent of schools for permission to use an
9 unrecognized position title as required pursuant to State Board of
10 Education regulations, shall include, along with any other
11 information required by the State board: a list of all positions
12 abolished in the school district in the prior calendar year, or that
13 will be abolished upon the approval of the unrecognized position
14 title, and a detailed job description for each of these positions; and

STATEMENT

38

39 Under current State Board of Education regulations at
40 N.J.A.C.6A:9B-5.5, if a board of education desires to use an
41 unrecognized position title in the district, the board is required to
42 submit to the executive county superintendent a written request for
43 permission to use the proposed title prior to appointing a candidate.
44 According to the regulation, the request must include a detailed job
45 description for the proposed title. This bill would require that the
46 request also include: a list of all positions abolished in the school
47 district in the prior calendar year, or that will be abolished upon the
48 approval of the unrecognized position title, and a detailed job

1 description for each of these positions; and a list of all positions in
2 which there have been layoffs in the district in the prior calendar
3 year, or positions in which there will be layoffs upon the approval
4 of the unrecognized position title, and a detailed job description for
5 each of these positions. In addition, the school district must also
6 include in its request the number of times within the prior three
7 school years that it has submitted a request for permission to use an
8 unrecognized position title.

9 If the detailed job description of the proposed unrecognized
10 position title is substantially similar to the detailed job description
11 of an abolished position or a position that will be abolished upon
12 the approval of the unrecognized position title, or a position in
13 which there has been a layoff or in which there will be a layoff
14 upon the approval of the unrecognized position title, the executive
15 county superintendent may not approve the unrecognized position.
16 In this case the executive county superintendent will be required to
17 forward the request to the Commissioner of Education, and it will
18 be the commissioner's responsibility to make the final
19 determination on the request.
