31 8. Appeal to the governing body; time; notice; modification;

34 approving an application for development pursuant to subsection d.
35 of section 57 of P.L.1975, c.291 (C.40:55D-70), if so permitted by
36 ordinance. Such appeal shall be made within 10 days of the date of
37 publication of such final decision pursuant to subsection i. of
38 section 6 of P.L.1975, c.291 (C.40:55D-10). In the case of any
39 board established pursuant to article 10 of P.L.1975, c.291, the
40 governing body of the municipality in which the land is situated
41 shall be the "governing body" for purposes of this section. The
42 appeal to the governing body shall be made by serving the
43 municipal clerk in person or by certified mail with a notice of
44 appeal, specifying the grounds thereof and the name and address of
45 the appellant and name and address of his attorney, if represented.
46 Such appeal shall be decided by the governing body only upon the
47 record established before the board of adjustment.

1 b. Notice of the meeting to review the record below shall be
2 given by the governing body by personal service or certified mail to
3 the appellant, to those entitled to notice of a decision pursuant to
4 subsection h. of section 6 of P.L.1975, c.291 (C.40:55D-10) and to
5 the board from which the appeal is taken, at least 10 days prior to
6 the date of the meeting. The parties may submit oral and written
7 argument on the record at such meeting, and the governing body
8 shall provide for verbatim recording and transcripts of such meeting
9 pursuant to subsection f. of section 6 of P.L.1975, c.291 (C.40:55D-
10 10).

11 c. The appellant shall, (1) within five days of service of the
12 notice of the appeal pursuant to subsection a. hereof, arrange for a
13 transcript pursuant to subsection f. of section 6 of P.L.1975, c.291
14 (C.40:55D-10) for use by the governing body and pay a deposit of
15 \$50.00 or the estimated cost of such transcript, whichever is less, or
16 (2) within 35 days of service of the notice of appeal, submit a
17 transcript as otherwise arranged to the municipal clerk; otherwise,
18 the appeal may be dismissed for failure to prosecute.

19 The governing body shall conclude a review of the record below
20 not later than 95 days from the date of publication of notice of the
21 decision below pursuant to subsection i. of section 6 of P.L.1975,
22 c.291 (C.40:55D-10), unless the applicant consents in writing to an
23 extension of such period. Failure of the governing body to hold a
24 hearing and conclude a review of the record below and to render a
25 decision within such specified period shall constitute a decision
26 affirming the action of the board.

27 d. The governing body may reverse, remand, or affirm with or
28 without the imposition of conditions the final decision of the board
29 of adjustment approving a variance pursuant to subsection d. of
30 section 57 of P.L.1975, c.291 (C.40:55D-70). The review shall be
31 made on the record made before the board of adjustment.

32 e. The affirmative vote of a majority of the full authorized
33 membership of the governing body shall be necessary to reverse or
34 remand to the board of adjustment or to impose conditions on or
35 alter conditions to any final action of the board of adjustment.
36 Otherwise the final action of the board of adjustment shall be
37 deemed to be affirmed; a tie vote of the governing body shall
38 constitute affirmance of the decision of the board of adjustment.

39 f. An appeal to the governing body shall stay all proceedings
40 in furtherance of the action in respect to which the decision
41 appealed from was made, unless the board from whose action the
42 appeal is taken certifies to the governing body, after the notice of
43 appeal shall have been filed with such board, that by reason of facts
44 stated in the certificate, a stay would, in its opinion, cause imminent
45 peril to life or property. In such case, proceedings shall not be
46 stayed other than by an order of the Superior Court on application
47 upon notice to the board from whom the appeal is taken and on
48 good cause shown.

1 g. The governing body shall mail a copy of the decision to the
2 appellant or, if represented, then to his attorney, without separate
3 charge, and for a reasonable charge to any interested party who has
4 requested it, not later than 10 days after the date of the decision. A
5 brief notice of the decision shall be published in the official
6 newspaper of the municipality, if there be one, or in a newspaper of
7 general circulation in the municipality. Such publication shall be
8 arranged by the applicant unless a particular municipal officer is so
9 designated by ordinance; provided that nothing contained herein
10 shall be construed as preventing the applicant from arranging such
11 publication if he so desires. The governing body may make a
12 reasonable charge for its publication. The period of time in which
13 an appeal to a court of competent jurisdiction may be made shall
14 run from the first publication, whether arranged by the municipality
15 or the applicant.

16 h. Nothing in this act shall be construed to restrict the right of
17 any interested party to obtain a review by any court of competent
18 jurisdiction, according to law, however, an interested party shall not
19 have standing to institute an action or proceeding challenging any
20 final decision of a board of adjustment approving an application for
21 development unless that interested party appeared at the public
22 hearing and satisfied the disclosure requirements of subsection d. of
23 section 1 of P.L.1977, c.336 (C.40:55D-48.1).

24 (cf: P.L.1991, c.256, s.3)

25

26 5. Section 9 of P.L.1975, c.291 (C.40:55D-18) is amended to
27 read as follows:

28 9. Enforcement. a. The governing body of a municipality shall
29 enforce this act and any ordinance or regulation made and adopted
30 hereunder. To that end, the governing body may require the
31 issuance of specified permits, certificates or authorizations as a
32 condition precedent to (1) the erection, construction, alteration,
33 repair, remodeling, conversion, removal or destruction of any
34 building or structure, (2) the use or occupancy of any building,
35 structure or land, and (3) the subdivision or resubdivision of any
36 land; and shall establish an administrative officer and offices for the
37 purpose of issuing such permits, certificates or authorizations; and
38 may condition the issuance of such permits, certificates and
39 authorizations upon the submission of such data, materials, plans,
40 plats and information as is authorized hereunder and upon the
41 express approval of the appropriate State, county or municipal
42 agencies; and may establish reasonable fees to cover administrative
43 costs for the issuance of such permits, certificates and
44 authorizations. The administrative officer shall issue or deny a
45 zoning permit within 10 business days of receipt of a request
46 therefor. If the administrative officer fails to grant or deny a zoning
47 permit within this period, the failure shall be deemed to be an
48 approval of the application for the zoning permit. In case any

1 building or structure is erected, constructed, altered, repaired,
2 converted, or maintained, or any building, structure or land is used
3 in violation of this act or of any ordinance or other regulation made
4 under authority conferred hereby, the proper local authorities of the
5 municipality or an interested party, in addition to other remedies,
6 may institute any appropriate action or proceedings to prevent such
7 unlawful erection, construction, reconstruction, alteration, repair,
8 conversion, maintenance or use, to restrain, correct or abate such
9 violation, to prevent the occupancy of said building, structure or
10 land, or to prevent any illegal act, conduct, business or use in or
11 about such premises; however, an interested party shall not have
12 standing to institute an action or proceeding challenging any final
13 decision of a board of adjustment or planning board approving an
14 application for development unless the interested party appeared at
15 the public hearing and satisfied the disclosure requirements of
16 subsection d. of section 1 of P.L.1977, c.336 (C.40:55D-48.1).

17 b. The court, on motion of a defendant whose application for
18 development is affected by the commencement of an action or
19 proceeding pursuant to subsection a. of this section, or of a
20 municipality or municipal agency joined as a defendant in the
21 action or proceeding, may require the posting of security or other
22 equitable terms as it deems appropriate.

23 c. Whenever the court determines in an action or proceeding
24 commenced pursuant to subsection a. of this section that a
25 municipality or municipal agency joined as a defendant acted
26 properly within the scope of its delegated authority and that the
27 challenged action of the municipality or municipal agency should
28 be upheld, the court may award attorneys' fees, costs, and expenses
29 to the municipality or municipal agency, if and to the extent the
30 attorneys' fees, costs, and expenses were paid out of public funds
31 and not funded or reimbursed by an applicant, developer, or other
32 third party.

33 d. Actions or proceedings commenced pursuant to subsection a.
34 of this section shall not be commenced or prosecuted for any
35 improper purpose, such as to harass or to cause unnecessary delay
36 or costs of litigation. The claims asserted therein shall be warranted
37 by existing law, or by a non-frivolous argument for the extension,
38 modification, or reversal of existing law or the establishment of
39 new law. A defendant, within 10 days of receipt of the summons
40 and complaint, may demand in writing the discontinuance of an
41 action or proceeding, on the ground that the claims asserted therein
42 are frivolous or that the action or proceeding has been commenced
43 for an improper purpose. If the plaintiff does not discontinue the
44 action or proceeding in response to the defendant's demand, and the
45 court subsequently determines the claims asserted therein to be
46 frivolous, or that the action or proceeding was commenced for an
47 improper purpose, then in connection with the dismissal thereof,
48 and in addition to the security posted, if any, the court may award

1 to each of the defendants reasonable attorneys' fees and all costs
2 and expenses of the action or proceedings, as and to the extent
3 provided by applicable court rule; provided, however, that nothing
4 in this subsection shall be construed as limiting or restricting an
5 award of attorneys' fees, costs, and expenses to a prevailing
6 municipality or municipal agency pursuant to subsection c. of this
7 section. In addition, the court may impose sanctions on the
8 plaintiff, the attorney for plaintiff, or both, in addition to awarding
9 attorneys' fees, costs, and expenses to a defendant, as and to the
10 extent provided by applicable court rule.

37 38 39 STATEMENT

40
41 This bill, designated the Equitable Disclosure Act of 2010
42 applies the same rules for objectors and applicants in the land use
43 approval and appeals process. The goal is to make sure land use
44 boards and other boards of jurisdictions receive full disclosure of
45 applicants and objectors. Due process rights are fully maintained
46 under this bill. Disclosure requirements are applied to objectors and
47 applicants on a level playing field.

1 The proposed legislation applies current case law and court rules
2 for the disclosure of all interests before a land use board or court.
3 The legislation addresses coordinated efforts to delay approvals that
4 are oftentimes undertaken by economic competitors and are at times
5 clandestine. The Wall Street Journal reports how these covert
6 operations are proudly referred to as “black arts” by the groups
7 undertaking them. (“Rival Chains Secretly Fund Opposition to
8 Walmart,” The Wall Street Journal, June 7, 2010.)

9 The approval and appeal process outline in the "Municipal Land
10 Use Law" (MLUL), P.L.1975, c.291 (C40:55D-1 et seq.) has
11 become a tool for economic competitors of land use applicants. The
12 tactic is to delay final approval of projects at the expense of
13 taxpayers, businesses, and developers. Economic competitors who
14 have no legitimate land use based objections to an application are
15 manipulating the MLUL with a strategy of delay and deception.

16 This bill does not limit anyone’s rights, including economic
17 competitors, with legitimate, land-use based objections from
18 appearing and testifying. The bill contains the following
19 components:

20 1. Clarifies the definition of interested party in the MLUL to
21 exclude economic competition as the sole reason for standing while
22 at the same time protects economic competitors standing as “a party
23 immediately concerned” and gives them an opportunity to make
24 their case as to how the approval would negatively impact their
25 position on land use grounds (language modeled after case law);

26 2. Adds transparency and fairness by applying disclosure
27 requirements to objectors similar to the ownership disclosure
28 requirements for the applicant. They include providing: name and
29 address, employer, affiliation with an economic competitor, who is
30 paying for professional fees if any, and a statement on how the right
31 to use, acquire, or enjoy property is affected;

32 3. Empowers court, in its discretion, to award attorney’s fees
33 that were paid with public funds should an approval be upheld on
34 appeal;

35 4. Empowers court, in its discretion, to award applicant’s
36 attorney’s fees should the case be deemed to be frivolous (language
37 modeled from court rules);

38 5. Empowers court, at its discretion, to order appellant to post
39 security (modeled after court rules);

40 6. Provides planning or zoning board with continuing
41 jurisdiction over an application notwithstanding an appeal unless a
42 stay has been issued by the reviewing court;

43 7. Requires participation in public hearing process in order to
44 have standing to appeal to courts.
