

STATEMENT TO  
**ASSEMBLY, No. 4532**

with Assembly Floor Amendments  
(Proposed by Assemblyman DEANGELO)

ADOPTED: FEBRUARY 15, 2017

These floor amendments would limit the bill's exception to the award of attorney's fees under P.L.1963, c.73 (C.47:1A-1 et seq.), commonly known as the "Open Public Records Act" (OPRA), to proceedings involving pet and home alarm system license records. Previously, the bill barred the award of an attorney's fee in any OPRA proceeding if the records custodian acted reasonably and exercised good faith and due diligence.
