36 any appeal of the decision resulting from the hearing as may be

STATEMENT

16

17 This bill requires that, as a condition of the sale or transfer of a
18 dog within or into the State, any breeder or owner or operator of a
19 business providing dogs to pet shops submit a certification to the
20 Department of Health (DOH) that it is in compliance with DOH
21 regulations establishing proper breeding practices and standards of
22 care for female dogs and puppies at any facility used for the
23 breeding or housing of dogs. The bill directs the DOH to adopt
24 regulations that:

25 1) establish breeding practices and a standard of care for female
26 dogs and puppies at a facility used for breeding or housing dogs;

27 2) prohibit a female dog from being bred more than once every
28 365 days; and

29 3) establish the procedures and requirements for the
30 certification of compliance required to be submitted by breeders or
31 owners or operators of a business providing dogs to pet shops in the
32 State.

33 Furthermore, the bill prohibits a pet shop from selling or offering
34 to sell any dog unless the pet shop has obtained from the breeder or
35 the owner or operator of a business providing dogs to pet shops a
36 copy of the certification submitted to the DOH. The bill also
37 provides that, notwithstanding this prohibition, a pet shop may sell
38 or offer for sale any dog obtained by the pet shop directly from a
39 shelter, pound, or animal rescue organization. The DOH or the
40 local health authority, if so authorized by the DOH, is required to
41 inspect each pet shop within 30 days after it opens for business, and
42 once every 90 days thereafter, to determine if the pet shop is in
43 compliance with the requirements of the bill. The bill provides a
44 revenue source for implementing the bill by reallocating one third
45 of dog registration tag fees moneys collected by municipalities to
46 the municipality for this purpose. Finally, the bill also establishes a
47 penalty for violations of a fine for up to \$1,000 and possible license
48 revocation for the pet shop.
