2 under the Public Employees' Retirement System and amending
3 P.L.1954, c.84 and N.J.S.11A:2-11.
4

5 **BE IT ENACTED** by the Senate and General Assembly of the State
6 of New Jersey:

7
8 1. Section 43 of P.L.1954, c.84 (C.43:15A-43) is amended to
9 read as follows:

10 43. A member who has not attained age 65 shall, upon the
11 application of the head of the department in which he is employed
12 or upon his own application or the application of one acting in his
13 behalf, be retired by the board of trustees, if said employee is
14 permanently and totally disabled as a direct result of a traumatic
15 event occurring during and as a result of the performance of his
16 regular or assigned duties, on an accidental disability allowance. A
17 traumatic event occurring during voluntary performance of regular
18 or assigned duties at a place of employment before or after required
19 hours of employment which is not in violation of any valid work
20 rule of the employer or otherwise prohibited by the employer shall
21 be deemed as occurring during the performance of regular or
22 assigned duties. A traumatic event (1) occurring during and as a
23 result of the performance of a State employee's regular or assigned
24 duties as, but not limited to, a doctor, nurse, healthcare worker,
25 social worker, or correction officer caring for or guarding
26 individuals who are permanently or temporarily incarcerated for any
27 reason at Trenton Psychiatric Hospital, any other State psychiatric
28 institution or any State correctional facility and (2) occurring when
29 the employee is employed temporarily and not yet eligible for
30 membership in the retirement system shall be deemed as occurring
31 during membership, if the employee becomes a member of the
32 retirement system without interruption in that employment.

33 The application to accomplish such retirement must be filed
34 within five years of the original traumatic event, but the board of
35 trustees may consider an application filed after the five-year period
36 if it can be factually demonstrated to the satisfaction of the board of
37 trustees that the disability is due to the accident and the filing was
38 not accomplished within the five-year period due to a delayed
39 manifestation of the disability or to circumstances beyond the
40 control of the member.

41 Permanent and total disability resulting from a cardiovascular,
42 pulmonary or musculo-skeletal condition which was not a direct
43 result of a traumatic event occurring in the performance of duty
44 shall be deemed an ordinary disability.

45 Before consideration of the application by the board of trustees,

EXPLANATION – Matter enclosed in bold-faced brackets **[thus]** in the above bill is
not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

1 the physician or physicians designated by the board shall have first
2 made a medical examination of the member at his residence or at
3 any other place mutually agreed upon and shall have certified to the
4 board that he is physically or mentally incapacitated for the
5 performance of duty, and should be retired, and the appointing
6 authority shall have certified to the board that the member is
7 permanently and totally disabled as a direct result of a traumatic
8 event occurring during and as a result of the performance of his
9 regular or assigned duties, the time and place where the duty
10 causing the disability was performed, that the disability was not the
11 result of his willful negligence and that the member should be
12 retired.

13 No person who becomes a member of the retirement system on
14 or after the effective date of P.L.2010, c.3 shall be eligible for
15 retirement pursuant to this section.

30 STATEMENT
31

32 This bill allows a member of the Public Employees' Retirement
33 System (PERS) to apply for accidental disability benefits based
34 upon an injury sustained while employed temporarily at Trenton
35 Psychiatric Hospital, any other State psychiatric institution or any
36 State correctional facility, which injury continues to be disabling
37 after the person becomes a PERS member. Temporary public
38 employees are not eligible for PERS membership until the
39 employment becomes permanent or the passage of one year,
40 whichever occurs first. Currently, persons employed temporarily at
41 any State psychiatric institution or any State correctional facility
42 who are injured while ineligible for PERS membership are eligible
43 for workers compensation benefits only. They are not eligible for
44 PERS accidental disability benefits even after attaining PERS
45 member status because the injury occurred when not a PERS
46 member.

47 The bill provides that, for purposes of application for a PERS
48 accidental disability benefit, a traumatic event (1) occurring during

1 and as a result of the performance of a State employee's regular or
2 assigned duties as, but not limited to, a doctor, nurse, healthcare
3 worker, social worker, or correction officer caring for or guarding
4 individuals who are permanently or temporarily incarcerated for any
5 reason at Trenton Psychiatric Hospital, any other State psychiatric
6 institution or any State correctional facility and (2) occurring when
7 the employee is employed temporarily and not yet eligible for
8 membership in the retirement system will be deemed as occurring
9 during membership, if the employee becomes a member of the
10 retirement system without interruption in that employment. The
11 bill's provisions would apply retroactively to January 1, 2003.

12 In addition, the bill also adds to the duties of the Civil Service
13 Commission a personnel orientation program that informs new
14 employees of State psychiatric institutions and State correctional
15 facilities of the risk of injury occurring during and as a result of the
16 performance of their regular or assigned duties.
