31 manner consistent with regulations adopted by the commissioner.
32 **【For the purposes of this paragraph (3), policies or contracts offered**

47 effective on the date the policy or contract is issued.

1 (6) The board shall establish, pursuant to section 17 of

10 this act shall apply to a carrier which provides a health benefits plan
11 to one or more small employers through a policy issued to an
12 association or trust of employers.

13 A carrier which provides a health benefits plan to one or more
14 small employers through a policy issued to an association or trust of
15 employers after the effective date of P.L.1992, c.162 (C.17B:27A-
16 17 et seq.), shall be required to offer small employer health benefits
17 plans to non-association or trust employers in the same manner as
18 any other small employer carrier is required pursuant to P.L.1992,

23 f. No insurance contract or policy subject to this act, including
24 a contract or policy entered into with a small employer who is a
25 member of a Small Employer Purchasing Alliance pursuant to the
26 provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.), may be
27 entered into unless and until the carrier has made an informational
28 filing with the commissioner of a schedule of premiums, not to
29 exceed 12 months in duration, to be paid pursuant to such contract
30 or policy, of the carrier's rating plan and classification system in
31 connection with such contract or policy, and of the actuarial
32 assumptions and methods used by the carrier in establishing
33 premium rates for such contract or policy.

34 g. (1) Beginning January 1, 1995, a carrier desiring to increase or

36 pursuant to subsection i. of section 3 of P.L.1992, c.162
37 (C.17B:27A-19) subject to this act may implement such increase or
38 decrease upon making an informational filing with the
39 commissioner of such increase or decrease, along with the actuarial
40 assumptions and methods used by the carrier in establishing such
41 increase or decrease, provided that the anticipated minimum loss
42 ratio for all policy forms shall not be less than 80% of the premium
43 therefor as provided in paragraph (2) of this subsection. The
44 commissioner may disapprove any informational filing on a finding
45 that it is incomplete and not in substantial compliance with
46 P.L.1992, c.162 (C.17B:27A-17 et seq.), or that the rates are
47 inadequate or unfairly discriminatory. Until December 31, 1996,
48 the informational filing shall also include the carrier's rating plan

1 and classification system in connection with such increase or
2 decrease.

3 (2) Each calendar year, a carrier shall return, in the form of
4 aggregate benefits for all of the standard policy forms offered by
5 the carrier pursuant to subsection a. of section 3 of P.L.1992, c.162
6 (C.17B:27A-19), at least 80% of the aggregate premiums collected
7 for all of the standard policy forms, **[other than]** including alliance
8 policy forms, and at least 80% of the aggregate premiums collected
9 for all of the non-standard policy forms during that calendar year.
10 **[A carrier shall return at least 80% of the premiums collected for all**
11 **of the alliances during that calendar year, which loss ratio may be**
12 **calculated in the aggregate for all of the alliances or separately for**
13 **each alliance.]** Carriers shall annually report, no later than August
14 1st of each year, the loss ratio calculated pursuant to this section for
15 all of the standard**[, other than alliance]** policy forms**[,]** and non-
16 standard policy forms **[and alliance policy forms]** for the previous
17 calendar year**],** provided that a carrier may annually report the loss
18 ratio calculated pursuant to this section for all of the alliances in the
19 aggregate or separately for each alliance**].** In each case where the
20 loss ratio fails to substantially comply with the 80% loss ratio
21 requirement, the carrier shall issue a dividend or credit against
22 future premiums for all policyholders with the standard**[, other than**
23 **alliance policy forms,]** and nonstandard policy forms **[or alliance**
24 **policy forms]**, as applicable, in an amount sufficient to assure that
25 the aggregate benefits paid in the previous calendar year plus the
26 amount of the dividends and credits shall equal 80% of the
27 aggregate premiums collected for the respective policy forms in the
28 previous calendar year. All dividends and credits must be
29 distributed by December 31 of the year following the calendar year
30 in which the loss ratio requirements were not satisfied. The annual
31 report required by this paragraph shall include a carrier's calculation
32 of the dividends and credits applicable to standard**[, other than**
33 **alliance policy forms,]** and non-standard policy forms **[and alliance**
34 **policy forms]**, as well as an explanation of the carrier's plan to issue
35 dividends or credits. The instructions and format for calculating
36 and reporting loss ratios and issuing dividends or credits shall be
37 specified by the commissioner by regulation. Such regulations shall
38 include provisions for the distribution of a dividend or credit in the
39 event of cancellation or termination by a policyholder. For
40 purposes of this paragraph, "alliance policy forms" means policies
41 purchased by small employers who are members of Small Employer
42 Purchasing Alliances.

43 (3) The loss ratio of a health benefits plan issued pursuant to
44 subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall
45 be calculated in accordance with the provisions of section 7 of
46 P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the
47 requirements of this subsection.

- 1 h. (Deleted by amendment, P.L.1993, c.162).

- 3 which are delivered, issued for delivery, renewed or continued on or
- 4 after January 1, 1994.
- 5 j. (Deleted by amendment, P.L.1995, c.340).
- 6 k. A carrier who negotiates a reduced premium rate with a
- 7 Small Employer Purchasing Alliance for members of that alliance
- 8 shall provide a reduction in the premium rate filed in accordance
- 9 with paragraph (3) of subsection a. of this section, expressed as a
- 10 percentage, which reduction shall be based on volume or other
- 11 efficiencies or economies of scale and shall not be based on health
- 12 status-related factors.
- 13 (cf: P.L.2008, c.38, s.24)
- 14
- 15 3. Section 8 of P.L.2001, c.352 (C.17B:27C-8) is amended to
- 16 read as follows:
- 17 8. a. Except as provided by this act, the insurance laws of this
- 18 State do not apply to the operation of self-funded multiple employer
- 19 welfare arrangements. A self-funded multiple employer welfare
- 20 arrangement is not an insurance company or insurer under the laws
- 21 of this State.
- 22 b. Any self-funded multiple employer welfare arrangement
- 23 shall offer all products that it is actively marketing to any employer,
- 24 and accept any employer and any employee of that employer who
- 25 applies for any of those products; provided, however that a self-
- 26 funded multiple employer welfare arrangement may limit
- 27 participation to members of the association.
- 28 c. Assessments payable by small employer members, except
- 29 for dental plans, shall **be** established in accordance with the rating
- 30 requirements of section 9 of P.L.1992, c.162 (C.17B:27A-25) and
- 31 regulations promulgated thereunder not be greater than 300
- 32 percent of the assessment charged to the lowest rated small
- 33 employer member of the self-funded multiple employer welfare
- 34 arrangement.
- 35 d. (1) If the member is a small employer, the **health**
- 36 coverage of mandated hospital and medical benefits **to be**
- 37 provided by the self-funded multiple employer welfare arrangement
- 38 shall at all times be equal to or greater than the hospital and medical
- 39 benefits required to be **provided in** covered under the lowest
- 40 benefit level standard plan promulgated by the New Jersey Small
- 41 Employer Health Benefits Program pursuant to P.L.1992, c.162
- 42 (C.17B:27A-17 et seq.). The provisions of this subsection shall not
- 43 require a self-funded multiple employer welfare arrangement to
- 44 provide small employer members with any plan provisions
- 45 applicable under the New Jersey Small Employer Health Benefits
- 46 Program, other than coverage of mandated hospital and medical
- 47 benefits.

1 (2) As used in this subsection:

2 “Hospital and medical benefits” means benefits provided

STATEMENT

This bill revises certain requirements for individual and small employer health benefits plans and for small employer members of multiple employer welfare arrangements.

This bill would bring New Jersey statutes that govern the rating factors used by health insurance carriers to charge premiums for health benefits plans in the individual and small employer markets into compliance with certain provisions of the federal Affordable Care Act (ACA). Current New Jersey statutes allow premiums for health benefits plans offered in these markets to vary according to certain factors and within certain ranges in ways that are not in compliance with the requirements of the ACA.

Specifically, with respect to plans offered through the New Jersey Individual Health Coverage Program, the bill: (1) provides that the premium rate charged by a carrier for the highest rated individual or class of individuals shall not exceed 300%, instead of 350% as provided in current law, of the premium rate charged for the lowest rated individual or class of individuals purchasing the same individual health benefits plan; and (2) requires rate differentials based on age to use classifications established in one-year increments, instead of five-year increments as provided in current law.

With respect to plans offered through the New Jersey Small Employer Health Benefits Program, the bill: (1) removes gender as a permissible rating factor; (2) eliminates separate rating treatment for small employer purchasing alliances for determining permissible rate differentials between the highest rated and lowest rated plans, and for determining compliance with medical loss ratios; and (3) requires rate differentials based on age to use classifications established in one-year increments, instead of five-year increments as provided in current law.

By amending these statutes that govern the offering of individual and small employer plans in the State, the bill brings New Jersey law into conformance with certain provisions of the ACA.

With respect to plans offered through the Small Employer Health Benefits Program, the bill also provides that the premium rate charged by a carrier to the highest rated small group purchasing a small employer health benefits plan may not be greater than 300% of the premium rate charged for the lowest rated small group purchasing that same health benefits plan.

A multiple employer welfare arrangement, or MEWA, is a self-funded or partially self-funded multiple employer welfare arrangement that provides for health benefits plans and that has one or more of the employer members either domiciled in New Jersey or its principal headquarters or principal administrative office located in the State.

1 Under current law, the assessments payable by small employer
2 members of MEWAs are required to be in accordance with the
3 rating requirements of the New Jersey Small Employer Health
4 Benefits Program. Pursuant to this requirement, assessments
5 payable by small employer members may not be greater than 200%
6 of the premium rate charged for the lowest rated small employer
7 member. Under the bill, assessments payable by small employer
8 members would be required to be no greater than 300% of the
9 assessment charged to the lowest rated small employer member of
10 the self-funded multiple employer welfare arrangement.

11 The bill also clarifies the requirements for small employer
12 members of MEWAs concerning mandated health benefits. Under
13 current law, small employer members are required to provide health
14 benefits that are equal to or greater than benefits required to be
15 provided by the New Jersey Small Employer Health Benefits
16 Program. Under the bill, small employer members would be
17 required to provide hospital and medical benefits that are equal to
18 or greater than the hospital and medical benefits required to be
19 provided by the New Jersey Small Employer Health Benefits
20 Program. The bill clarifies this coverage requirement and also
21 makes it clear that a self-funded multiple employer welfare
22 arrangement is not required to provide small employer members
23 with any plan provisions applicable under the New Jersey Small
24 Employer Health Benefits Program other than coverage of
25 mandated hospital and medical benefits. As used in the bill, plan
26 provisions include, but are not limited to, any rules, requirements,
27 and payment provisions, including any cost-sharing requirements,
28 designed to implement those plans.
