**STATEMENT**

7

8       This bill provides a tax levy cap adjustment for school districts  
9 that are spending below adequacy and are subject to a reduction in  
10 State aid between the prebudget and budget years pursuant to  
11 section 4 of P.L.2018, c.67 (C.18A:7F-68), commonly referred to as  
12 S-2. The adjustment will be effective for the 2020-2021 through  
13 2024-2025 school years. The amount of the allowable adjustment  
14 will equal the difference between the amount of State aid received  
15 by the school district in the prebudget year and the amount of State  
16 aid received by the school district in the budget year. However, the  
17 amount of the allowable adjustment may not exceed the amount that  
18 brings the school district's spending to adequacy.

19       This additional tax levy cap adjustment will assist districts who  
20 are spending below adequacy and are subject to reductions in State  
21 aid to raise additional tax levy to compensate for this aid loss.
