33 4. Section 12 of P.L.1991, c.431 (C.40A:20-12) is amended to
34 read as follows:

35 12. The rehabilitation or improvements made in the development or redevelopment of a redevelopment area or area appurtenant 36 37 thereto or for a redevelopment relocation housing project, pursuant 38 to P.L.1991, c.431 (C.40A:20-1 et seq.), shall be exempt from 39 taxation for a limited period as hereinafter provided. When housing 40 is to be constructed, acquired or rehabilitated by an urban renewal 41 entity, the land upon which that housing is situated shall be exempt 42 from taxation for a limited period as hereinafter provided. The 43 exemption shall be allowed when the clerk of the municipality 44 wherein the property is situated shall certify to the municipal tax 45 assessor that a financial agreement with an urban renewal entity for 46 the development or the redevelopment of the property, or the 47 provision of a redevelopment relocation housing project, or the 48 provision of a low and moderate income housing project has been

entered into and is in effect as required by P.L.1991, c.431
 (C.40A:20-1 et seq.).

3 Delivery by the municipal clerk to the municipal tax assessor of 4 a certified copy of the ordinance of the governing body approving 5 the tax exemption and financial agreement with the urban renewal 6 entity shall constitute the required certification. For each 7 exemption granted pursuant to P.L.2003, c.125 (C.40A:12A-4.1 et 8 al.), upon certification as required hereunder, the tax assessor shall 9 implement the exemption and continue to enforce that exemption 10 without further certification by the clerk until the expiration of the 11 entitlement to exemption by the terms of the financial agreement or 12 until the tax assessor has been duly notified by the clerk that the 13 exemption has been terminated.

Tax exemptions granted pursuant to P.L.2003, 29 c.125 (C.40A:12A-4.1 et al.) represent long term financial 30 agreements between the municipality and the urban renewal entity 31 and as such constitute a single continuing exemption from local 32 property taxation for the duration of the financial agreement. The 33 validity of a financial agreement or any exemption granted pursuant 34 thereto may be challenged only by filing an action in lieu of 35 prerogative writ within 20 days from the publication of a notice of 36 the adoption of an ordinance by the governing body granting the 37 exemption and approving the financial agreement. Such notice 38 shall be published in a newspaper of general circulation in the 39 municipality and in a newspaper of general circulation in the county if different from the municipal newspaper. 40

a. The ¹financial agreement shall specify the¹ duration of the
exemption for urban renewal entities ¹[shall be as follows] in
accordance with the parameters of either paragraph (1) or paragraph
(2) of this subsection¹:

45 ¹[for all projects, a term of] (1) the financial agreement may
46 <u>specify a duration of</u>¹ not more than 30 years from the completion
47 of the entire project, or unit of the project if the project is

undertaken in units, or not more than 35 years from the execution of
 the financial agreement between the municipality and the urban
 renewal entity ¹; or
 (2) for each project undertaken pursuant to a redevelopment

5 agreement which allows the redeveloper to undertake two or more 6 projects sequentially, the financial agreement may specify a 7 duration of not more than 30 years from the completion of a project, 8 or unit of the project if the project is undertaken in units, or not 9 more than 50 years from the execution of the first financial 10 agreement implementing a project under the redevelopment 11 agreement. 15 ¹<u>A financial agreement may provide for an exemption period of</u> 16 less than 30 years from the completion of the entire project, less 17 than 35 years from the execution of the financial agreement, or less 18 than 50 years from the execution of the first financial agreement implementing a project under the redevelopment agreement. 19 20 Nothing in this subsection shall be construed as requiring a 21 financial agreement for a project undertaken pursuant to a 22 redevelopment agreement which allows the redeveloper to 23 undertake two or more projects sequentially to specify a duration 24 within the parameters of paragraph (2) of this subsection.¹

25 b. During the term of any exemption, in lieu of any taxes to be 26 paid on the buildings and improvements of the project and, to the 27 extent authorized pursuant to this section, on the land, the urban 28 renewal entity shall make payment to the municipality of an annual 29 service charge [, which] for public services. The annual service charge for [municipal] public 35 services supplied to the project to be paid by the urban renewal entity for any period of exemption, shall be determined as follows: 36

37 (1) An annual amount equal to a percentage determined 38 pursuant to this subsection and section 11 of P.L.1991, c.431 39 (C.40A:20-11), of the annual gross revenue from each unit of the 40 project, if the project is undertaken in units, or from the total 41 project, if the project is not undertaken in units. The percentage of 42 the annual gross revenue shall not be more than ¹[15%] 15 percent¹ 43 in the case of a low and moderate income housing project, nor less than 1 [10%] <u>10 percent</u>¹ in the case of all other projects. 44

45 At the option of the municipality, or where because of the nature 46 of the development, ownership, use or occupancy of the project or 47 any unit thereof, if the project is to be undertaken in units, the total

12

annual gross rental or gross shelter rent or annual gross revenue 1 2 cannot be reasonably ascertained, the governing body shall provide 3 in the financial agreement that the annual service charge shall be a 4 sum equal to a percentage determined pursuant to this subsection 5 and section 11 of P.L.1991, c.431 (C.40A:20-11), of the total 6 project cost or total project unit cost determined pursuant to 7 P.L.1991, c.431 (C.40A:20-1 et seq.) calculated from the first day 8 of the month following the substantial completion of the project or 9 any unit thereof, if the project is undertaken in units. (2) In either case, the financial agreement shall establish a
schedule of annual service charges to be paid over the term of the
exemption period, which shall be in stages as follows:

17 (a) For the first stage of the exemption period, which shall 18 commence with the date of completion of the unit or of the project, 19 as the case may be, and continue for a time of not less than six years 20 nor more than 15 years, as specified in the financial agreement, the 21 urban renewal entity shall pay the municipality an annual service 22 charge for [municipal] public services supplied to the project in an 23 annual amount equal to the amount determined pursuant to 24 paragraph (1) of this subsection and section 11 of P.L.1991, c.431 25 (C.40A:20-11). For the remainder of the period of the exemption, if 26 any, the annual service charge shall be determined as follows:

(b) For the second stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to paragraph (1) of this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), or ¹[20%] <u>20 percent¹</u> of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;
