47 and certify to the commissioner that the health benefits plans to be

1 used by the carrier are in substantial compliance with the provisions
2 in the corresponding approved plans. The certification shall be
3 signed by the chief executive officer of the carrier. Upon receipt by
4 the commissioner of the certification, the certified plans may be
5 used until the commissioner, after notice and hearing, disapproves

27 related changes in premium. Such notification shall be in a form
28 and manner to be determined by the Commissioner of Banking and
29 Insurance.

30 (3) Screening for newborn hearing loss by appropriate
31 electrophysiologic screening measures and periodic monitoring of
32 infants for delayed onset hearing loss, pursuant to P.L.2001, c.373
33 (C.26:2-103.1 et al.). Payment for this screening service shall be
34 separate and distinct from payment for routine new baby care in the

36 provider and facility.

37 The benefits provided pursuant to this subsection shall be
38 provided to the same extent as for any other medical condition
39 under the health benefits plan, except that a deductible shall not be
40 applied for benefits provided pursuant to this subsection; however,
41 with respect to a health benefits plan that qualifies as a high
42 deductible health plan for which qualified medical expenses are
43 paid using a health savings account established pursuant to section

5 effective on the first 12-month anniversary date of a health benefits
6 plan in effect on the effective date of P.L.2001, c.361 (C.17:48-6z
7 et al.), the health benefits plans required pursuant to section 3 of
8 P.L.1992, c.161 (C.17B:27A-4) that provide benefits for expenses
9 incurred in the purchase of prescription drugs shall provide benefits
10 for expenses incurred in the purchase of specialized non-standard
11 infant formulas, when the covered infant's physician has diagnosed
12 the infant as having multiple food protein intolerance and has
13 determined such formula to be medically necessary, and when the
14 covered infant has not been responsive to trials of standard non-cow
15 milk-based formulas, including soybean and goat milk. The
16 coverage may be subject to utilization review, including periodic
17 review, of the continued medical necessity of the specialized infant
18 formula.

19 The benefits shall be provided to the same extent as for any other
20 prescribed items under the health benefits plan.

21 This subsection shall apply to all individual health benefits plans
22 in which the carrier has reserved the right to change the premium.

23 g. Effective immediately for an individual health benefits plan
24 issued on or after the effective date of P.L.2005, c.248 (C.17:48E-
25 35.27 et al.) and effective on the first 12-month anniversary date of
26 an individual health benefits plan in effect on the effective date of
27 P.L.2005, c.248 (C.17:48E-35.27 et al.), the health benefits plans
28 required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4)

32 Code of 1986 (26 U.S.C. s.223), including any plan offered by a
33 federally qualified health maintenance organization, shall contain
34 benefits for expenses incurred in connection with any medically
35 necessary benefits provided in-network which represent preventive
36 care as permitted by that federal law.

37 The benefits provided pursuant to this subsection shall be
38 provided to the same extent as for any other medical condition
39 under the health benefits plan, except that a deductible shall not be
40 applied for benefits provided pursuant to this subsection. This
41 subsection shall apply to all individual health benefits plans in
42 which the carrier has reserved the right to change the premium.

46 to read as follows:

47 10. a. A carrier shall not deliver or issue for delivery a hospital
48 confinement or other supplemental limited benefit insurance plan

1 unless the applicant for such coverage signs a statement on the
2 application form that confirms that the applicant is already covered
3 under a health benefits plan contract or policy. The application
4 form shall be filed with the board on an informational basis.

5 b. A hospital confinement plan or other supplemental limited
6 benefit insurance plan issued to a small employer or other group

10 to health benefits plans issued pursuant to paragraph (2) of
11 subsection a. of section 9 of P.L.1992, c.162 (C.17B:27A-25),
12 except that a hospital confinement plan and supplemental limited

23 amended to read as follows:

24 6. a. No health benefits plan subject to this act shall include a

28 preexisting condition provision may apply to a late enrollee or to
29 any group of two to five persons if such provision excludes
30 coverage for a period of no more than 180 days following the
31 effective date of coverage of such enrollee, and relates only to
32 conditions, whether physical or mental, manifesting themselves
33 during the six months immediately preceding the enrollment date of
34 such enrollee and for which medical advice, diagnosis, care, or

44 more than 90 days prior to the effective date of the new coverage,
45 exclusive of any applicable waiting period under such plan. A
