STATEMENT

16

17 In July 2016, the State Board of Education adopted regulations
18 regarding the testing for lead in drinking water in public schools
19 throughout New Jersey (N.J.A.C.6A:26-12.4). Under the
20 regulations, initial testing was to be completed by July 13, 2017 and
21 then within six years following the initial testing and every six
22 years thereafter. The results of these tests are required to be made
23 publicly available on the school district's website.

24

25 This bill requires the Department of Education to post, in a
26 prominent location on the homepage of its Internet website, a
hyperlink to school district water lead level test results.
