STATEMENT

17

18 The bill would continue to exempt municipalities without a full-
19 time police department or force, which receive patrol and general
20 police services, from paying for these services. R.S.53:2-1, which
21 defined the powers and duties of the New Jersey State Police upon
22 its founding in 1921, requires that the State Police provide adequate
23 police protection to the inhabitants of rural sections.

24 The Governor's recommended budget for FY 2003, however
25 would require that these rural municipalities that are served by State
26 Police pay for these services.

27 Currently, the State Police furnish full-time police protection to
28 73 municipalities and part-time protection to 24 municipalities. It is
29 the sponsor's view that municipalities should not be required to pay
30 for these services since a primary function of the New Jersey State
31 Police is to provide protection to such municipalities.
