17 to any person who is a certified homemaker-home health aide, or is
18 an applicant for certification, and for whom the board has received

27 withholding of approval based on subparagraph (a) or (b) of this
28 paragraph shall remain in effect pending the final disposition of any
29 inquiry or investigation conducted by the board, or pending the

35 other good cause shown. (25) It shall require that nursing school
36 curricula include, and shall prescribe standards for, the training of
37 registered professional nurses in the supervision of, and the
38 delegation of nursing tasks to, unlicensed assistive personnel, and
39 shall further prescribe standards establishing the criteria for
40 determining those tasks which registered professional nurses may
41 delegate to unlicensed assistive personnel working under their
42 supervision and the type of supervision required with respect to
43 those personnel. (26) It shall prescribe standards and requirements
44 for unlicensed assistive personnel, including initial education and

1 "unlicensed assistive personnel" means any unlicensed or
2 uncertified personnel employed by a licensed health care facility
3 that perform nursing tasks which do not require the skill or
4 judgment of a registered professional nurse and which are assigned
5 to them by, and carried out under the supervision of, a registered
6 professional nurse. (27) It may require licensees to meet continuing
7 education requirements as a condition of relicensure.

8 e. Compensation. Each member of the board shall receive
9 \$15.00 per day for each day in which such member is actually
10 engaged in the discharge of duties and traveling and other expenses
11 necessarily incurred in the discharge of duties.

17 STATEMENT

18
19 This bill, designated as "Maria's Law," requires the New Jersey
20 Board of Nursing to defer consideration or withhold the
21 certification of a homemaker-home health aide under certain
22 circumstances.

23 Homemaker-home health aides are persons certified by the board
24 who perform certain nursing tasks delegated through the authority
25 of a duly licensed registered professional nurse and are employed
26 by a home care services agency. Homemaker-home health aides
27 work in a variety of assisted living residences, as well as the homes
28 of individual patients. Current law requires criminal history record
29 background checks for all certified homemaker-home health aides
30 and disqualifies any certified person, or any applicant for
31 certification, if the person is found to have been convicted of
32 certain crimes and offenses.

33 The bill requires the board to defer consideration or withhold the
34 approval of a certification or conditional certification with respect
35 to any person who is a certified homemaker-home health aide or is
36 an applicant for certification and for whom the board has received
37 the following:

38 (1) notification of a charge or complaint filed against the person
39 by a law enforcement agency that alleges abuse, neglect, or
40 violence inflicted by the person on a patient; or

41 (2) credible evidence supporting an allegation of abuse, neglect,
42 or violence inflicted by the person on a patient.

43 The deferred consideration or withholding of approval of a
44 certification or conditional certification pursuant to the provisions
45 of this bill must remain in effect pending the final disposition of
46 any inquiry or investigation conducted by the board, or pending the
47 final disposition of any civil or criminal proceedings resulting from
