6

7 1. The Legislature finds and declares that public safety will be
8 enhanced by preventing sex offenders, who have committed crimes
9 against minors, from residing within 500 feet of certain areas where
10 children congregate. It is not the intent of the Legislature to further
11 penalize certain sex offenders.

14 maintained by the Superintendent of the State Police pursuant to

16 law enforcement officer of a municipality, the chief law
17 enforcement officer shall forward the name and address of the
18 person registering to the members of the governing body of the
19 municipality. If a person is listed on the Internet registry
20 maintained by the Superintendent of the State Police pursuant to
21 section 2 of P.L.2001, c.167 (C.2C:7-13) and required to register
22 with the Superintendent of State Police pursuant to section 2 of
23 P.L.1994, c.133 (C.2C:7-2) because the person is moving to a

25 Superintendent of State Police shall forward the name and address
26 of the person registering to the members of the governing body of
27 the municipality where the person registering intends to reside.

28

29 3. It shall be unlawful for a person subject to the registration
30 requirements set forth in P.L.1994, c.133 (C.2C:7-1 et seq.) who

36 of P.L.1999, c.50 (C.52:27D-123.9) unless:

37 a. The person is required to serve a sentence at a jail, prison,
38 juvenile facility or other correctional institution or facility which is

40 elementary or secondary school, child care center or playground;

STATEMENT

12

13 This bill expands Megan's Law to require that members of
14 municipal governing bodies be notified when a sex offender moves
15 into a municipality and restricts sex offenders from residing in areas
16 frequented by children.

17 Under the provisions of the bill, when a sex offender listed on
18 the Internet registry maintained by the Superintendent of the State
19 Police registers with the chief law enforcement officer of a
20 municipality, the officer must forward the name and address of the
21 sex offender to the members of the governing body of the
22 municipality. If the sex offender must register with the
23 Superintendent of State Police because he is moving to a
24 municipality that does not have a police force, then the
25 Superintendent of State Police must forward the sex offender's
26 name and address to the members of the governing body of the
27 municipality in which the sex offender intends to reside.

28 Under the provisions of the bill, it is unlawful for a person who
29 is subject to the Megan's Law registration requirements for a sex
30 offense against an individual under the age of 18 to reside within
31 500 feet of an elementary or secondary school, playground or child
32 care center. The residential ban would not cover a sex offender
33 who: resides at a prison or mental health facility; resides at a
34 residence established before the bill's enactment; has a school,
35 playground or child care center established or built within 500 feet
36 of their existing residence; was granted a needs based exception by
37 the parole board; or was discharged from a psychiatric facility by a
38 court and was granted an exemption by a court.
