27 This bill requires that any motor vehicle driver's license,  
28 probationary license, non-driver identification card, or any other  
29 identification card issued by the New Jersey Motor Vehicle  
30 Commission (commission), is to allow a person who identifies as an  
31 undesignated non-binary gender individual to indicate "X" for sex,  
32 if applicable. The bill prohibits the commission from requiring a  
33 person to provide documentation for the indication. The bill also  
34 provides that changes to any driver's licenses or non-driver  
35 identification cards are to be subject to any fee already required by  
36 law.
