6 *of New Jersey:*

21 2. This act shall take effect immediately.

26 This bill requires the Department of Education, in consultation
27 with the Department of Health, to develop health and safety best
28 practices for the use of digital devices in school classrooms.
29 Under the bill, the Department of Education will provide the best
30 practices to every school district and nonpublic school in the State
31 for consideration and adoption. The best practices are required to
32 be developed within one year of the bill's effective date. The bill
33 also directs the Department of Education and the Department of
34 Health to periodically review the best practices and revise or update
35 them as necessary or appropriate.
