22 STATEMENT

23
24 This bill provides that student records are exempt from being
25 released under the law commonly referred to as the open public
26 records act (OPRA). Currently, information concerning student
27 records or grievance or disciplinary proceedings against a student,
28 to the extent disclosure would reveal the identity of the student, is
29 prohibited from being released under OPRA. Under the bill, the
30 student records exemption is expanded to include all student records
31 containing information relating to an individual student even if the
32 document has been redacted of personally identifiable information.

33 This bill codifies in the statutes a recent court decision
34 prohibiting access to student records, even if redacted to eliminate
35 all personal information.
