1 AN ACT concerning the implementation of renewable energy and
2 energy efficiency systems and water conservation, flood and

7 **BE IT ENACTED** by the Senate and General Assembly of the State
8 of New Jersey:

9

10 1. (New section) The Legislature finds and declares it to be the
11 public policy of this State that:

12 a. Investing in water conservation, stormwater management,
13 renewable energy, energy efficiency, and flood and hurricane
14 mitigation improvements to real property is a critical component in
15 conserving natural resources and mitigating the effects of floods
16 and hurricanes;

17 b. The up-front costs of retrofitting properties with these
18 improvements are often a barrier to investing in such improvements,
19 and the additional cost of meeting new code requirements in
20 connection with new construction is a deterrent to the investments;

21 c. Recent studies have demonstrated that the existing financing
22 options for these projects have not made them sufficiently available
23 to property owners and developers;

24 d. Property assessed clean energy (“PACE”) financing, in
25 which repayment is made by way of a special assessment on the real
26 property to which the improvement is made, is an innovative way
27 for property owners to finance or refinance renewable energy,
28 energy and water efficiency, and other eligible improvements
29 which, in turn, saves a significant sum in utility costs or insurance
30 premiums, creates jobs, stimulates local economies, reduces
31 greenhouse gas emissions, and improves the safety and quality of
32 the building stock;

33 e. To date, PACE programs for commercial properties (“C-
34 PACE”) operate in 24 other states and the District of Columbia, and
35 they have facilitated more than \$1.5 billion in investment in over
36 2,100 C-PACE projects;

37 f. C-PACE financing will enable New Jersey municipalities to
38 contribute toward their goals of community sustainability and
39 reducing greenhouse gas emissions and energy consumption, and
40 will provide a valuable service to the citizens of their communities;
41 and

42 g. C-PACE financing serves a valid public purpose and
43 enactment of P.L. , c. (C.) (pending before the Legislature as
44 this bill) is expressly declared to be in the public interest.

16 section on its Internet website.

17

18 4. (New section) a. The authority shall establish a Garden

30 local improvement and shall be assessed separately to the property
31 owner benefitted thereby.

32 b. The authority may contract with one or more third-party
33 administrators to assist the authority in its implementation or
34 administration, or a combination thereof, of the Garden State C-

- 1 (4) the process by which a municipality applies to the authority
2 for approval of a local C-PACE program ordinance.
- 3 b. The model opt-in ordinance, as well as any local C-PACE
4 program ordinance, shall prescribe criteria for qualifying a C-PACE
5 project for a C-PACE assessment and shall include the following
6 requirements:
- 7 (1) financing recipients shall be the legal or beneficial owners of
8 the property or duly authorized by the legal or beneficial owners of
9 the property, there shall be no defaults on any mortgage loans on
10 the subject property, all tax payments with respect to the property
11 shall be current, the legal or beneficial owners of the property shall
12 not be not subject to any bankruptcy proceeding, and the subject
13 property shall not be not the subject of a bankruptcy proceeding;
- 14 (2) the aggregate amount of all C-PACE assessments plus the
15 outstanding balance due on all mortgage loans on a property shall
16 not exceed 95 percent of the value of the property after including
17 the value created by the C-PACE project;
- 18 (3) the determination of value of a property for purposes of
19 qualifying for a C-PACE assessment shall be based on of any of the
20 following:
- 21 (a) the value of the property as determined by the assessor;
- 22 (b) the market value of the property as estimated in a broker
23 price opinion or comparative market analysis by a real estate broker
24 or managing broker; or
- 25 (c) the as-complete or stabilized prospective market value of the
26 property as estimated in an appraisal report prepared or co-signed
27 by a licensed real estate appraiser within at least 24 months of the
28 application for financing;
- 29 (4) the maximum duration of a C-PACE assessment shall not
30 exceed the weighted average useful life of the improvements in the
31 C-PACE project or 30 years, whichever is less;
- 32 (5) the amount of C-PACE assessment for a property shall be a
33 specific amount, and the terms of repayment of direct financing
34 shall be solely determined and negotiated between a property owner
35 and capital provider subject to the maximum duration of an
36 assessment in paragraph (4) of this subsection; and
- 37 (6) a property owner seeking a C-PACE assessment shall
38 receive written consent of the existing mortgage holders on the
39 property prior to the closing of the financing.
- 40 c. The Garden State C-PACE program guidelines and any local
41 C-PACE program guidelines authorized by resolution of the
42 governing body of a participating municipality shall include, but not
43 be limited, to the following minimum procedures and requirements:
- 44 (1) a uniform project application, uniform application
45 requirements, including uniform application documents; and the
46 procedures for a property owner to obtain approval of a C-PACE
47 project and a capital provider to finance a C-PACE project;

- 1 (2) minimum standards for a C-PACE project to qualify for C-
2 PACE financing;
- 3 (3) eligibility criteria for a property owner and property to
4 qualify for a C-PACE assessment; and
- 5 (4) rules for refinancing projects completed prior to the
6 submission of a project application for a C-PACE assessment.
- 7 The provisions of the Administrative Procedure Act, P.L.1968,
8 c.410 (C.52:14B-1 et seq.), shall not apply to the preparation,
9 publication, or implementation of the uniform assessment
10 documents or the program guidelines of the Garden State C-PACE
11 program or a local C-PACE program.
- 12 d. Upon recordation of the notice of assessment and C-PACE
13 assessment agreement in the land records of the property, the C-
14 PACE assessment shall be a single, continuous first lien on the
15 property on and after the date of recordation. The lien thereof shall
16 be perfected for all purposes in accordance with law, and the lien
17 shall be a continuous first lien upon the real estate described in the
18 assessment, paramount to all prior or subsequent alienations and
19 descents of the real estate or encumbrances thereon, without any
20 additional notice, recording, filing, continuation filing, or action,
21 until payment in full of the C-PACE assessment, notwithstanding
22 any mistake in the name or names of any owner or owners, or any
23 omission to name any owner or owners who are unknown, and
24 notwithstanding any lack of form therein, or in any other
25 proceeding which does not impair the substantial rights of the
26 owner or owners or other person or persons having a lien upon or
27 interest in any the real estate. Any confirmation of the amount of
28 the C-PACE assessment by the governing body or by the court shall
29 be considered as determining the amount of the existing lien and not
30 as establishing the lien. All C-PACE assessments shall be
31 presumed to have been regularly assessed and confirmed and every
32 assessment or proceeding preliminary thereto shall be presumed to
33 have been regularly made or conducted until the contrary be shown.
- 34 e. A C-PACE assessment shall be treated as a municipal lien
35 rather than a contractual lien for all purposes of law.
- 36 f. Funds to finance a C-PACE project may be disbursed to, or
37 for the benefit of, the property owner at execution of the C-PACE
38 assessment agreement, or may be disbursed in installments over
39 time. The funds shall not constitute public funds, and shall not be
40 subject to the laws governing public funds, including, but not
41 limited to, laws regarding the receipt, expenditure, deposit,
42 investment, or appropriation of the same. Payments of C-PACE
43 assessments shall commence as set forth in the C-PACE assessment
44 agreement. To the extent that upon completion of the C-PACE
45 project, funds remain that have not been disbursed to the property
46 owner, those funds on hand shall be used to reduce the amount of
47 the C-PACE assessment in accordance with the C-PACE
48 assessment agreement.

1 g. Except as provided in this subsection, if any payment of a C-
2 PACE assessment is not made within 10 days after the time when
3 that payment shall have become due, or later, consistent with any
4 grace period provided or extended by a participating municipality
5 for the payment of property tax bills, interest thereon shall be
6 imposed at the same rate as may be imposed upon unpaid property
7 taxes in the participating municipality, and shall be collected and
8 enforced in the same manner as unpaid property taxes, including by
9 accelerated tax sale if the participating municipality enforces
10 collection of its unpaid property taxes through accelerated tax sales.
11 The proceeds of the sale shall also pay the outstanding C-PACE
12 assessments. However, the balance due on a C-PACE assessment
13 shall not be subject to acceleration or extinguishment in the event of
14 a default in payment. Notwithstanding any other provision of law,
15 in the event that any lien on the property shall be exposed to tax
16 sale, pursuant to the “tax sale law,” R.S.54:5-1 et seq., and any the
17 lien is struck off and sold to the participating municipality, the C-
18 PACE assessment shall survive any subsequent action to foreclose
19 the right of redemption and continue as a first lien upon the real
20 estate described in the assessment, paramount to all prior or
21 subsequent alienations and descents of the real estate or
22 encumbrances thereon, and provided that, notwithstanding the
23 obligations of a participating municipality pursuant to section 1 of
24 P.L.1942, c.54 (C.54:5- 53.1), while the participating municipality
25 holds the lien or owns the property, the participating municipality
26 shall not be responsible for or required to make any payment in
27 furtherance of or to satisfy the C-PACE assessment. In the event of
28 a taking of the property by eminent domain or condemnation, the C-
29 PACE assessment may be accelerated or extinguished, at the
30 election of the capital provider, provided the capital provider is
31 compensated by the governmental entity utilizing eminent domain
32 or condemnation for the balance due on the unpaid C-PACE
33 assessment and any interest, penalties, or other charges related
34 thereto.

35 h. (1) C-PACE assessments shall be assigned directly by the
36 participating municipality, and any assignee thereof, as security for
37 financing from a capital provider to finance C-PACE projects.
38 Notwithstanding any law to the contrary, the assignment shall be an
39 absolute assignment of all of the participating municipality’s right,
40 title, and interest in and to the C-PACE assessment, except for its
41 obligations to bill, collect, remit, and enforce C-PACE assessments
42 as set forth in the assignment agreement. The proceeds of a C-
43 PACE assessment shall be considered “special revenues” owned by
44 the capital provider pursuant to chapter 9 of the federal bankruptcy
45 code.

46 (2) C-PACE assessments assigned as provided hereunder shall
47 not be included in the general funds of the participating
48 municipality, or be subject to any laws regarding the receipt,

1 deposit, investment, or appropriation of public funds, and shall
2 retain such status notwithstanding enforcement of the assessment by
3 the participating municipality or assignee as provided herein. In the
4 case of a participating municipality that is otherwise subject to tax
5 or revenue sharing pursuant to law and which assigns C-PACE
6 assessments as set forth in this section, the C-PACE assessments
7 shall not be considered part of the tax or revenue sharing formula or
8 calculation of municipal revenues for the purpose of determining
9 whether that participating municipality is obligated to make
10 payment to, or receive a credit from, any tax sharing or revenue
11 sharing pool. However, the redemption of any delinquent and
12 unpaid C-PACE assessments, including any interest, penalties, or
13 other charges related thereto, shall be paid no later than on the first
14 available tax bill after the property has been sold after an action to
15 foreclose the right of redemption.

16 i. The provisions of the Administrative Procedure Act,
17 P.L.1968, c.410 (C.52:14B-1 et seq.), shall not apply to the
18 preparation, publication, or implementation of the uniform
19 assessment documents or the program guidelines of the Garden
20 State C-PACE program or a local C-PACE program.

21

22 6. (New section) a. A municipality that has adopted an opt-in
23 ordinance may also establish a local C-PACE program to facilitate
24 the financing of C-PACE projects in that municipality. In a
25 municipality that has established a local C-PACE program pursuant
26 to a local C-PACE Program ordinance, any C-PACE projects in that
27 municipality may be financed pursuant to the Garden State C-PACE
28 program or the local C-PACE program. In a municipality that has
29 not established a local C-PACE program pursuant to a local C-
30 PACE program ordinance, any C-PACE projects in that
31 municipality may be financed pursuant to the Garden State C-PACE
32 program only.

33 b. Notwithstanding the provisions of P.L.2011, c.187 (C.40:56-
34 1.4 et al.), or any other law, to the contrary, a municipality seeking
35 to establish and implement a local C-PACE program shall adopt a
36 local C-PACE program ordinance consistent with this section and
37 section 5 of P.L. , c. (C) (pending before the Legislature as
38 this bill). A municipality may establish a local C-PACE program
39 through the adoption of a local C-PACE program ordinance if the
40 municipality has entered an administration agreement with the
41 authority, and obtained approval of the ordinance from the authority
42 pursuant to section 7 of P.L. , c. (C) (pending before the
43 Legislature as this bill). In addition to prescribing criteria for
44 qualifying a C-PACE project for a C-PACE assessment pursuant to
45 subsection b. of section 5 of P.L. , c. () (pending before the
46 Legislature as this bill), the local C-PACE program ordinance shall
47 establish the following:

1 (1) A participating municipality may enter into an agreement
 2 with a county improvement authority or it may, pursuant to the

14 improvement authority shall be non-recourse obligations of the
15 issuer and shall not be considered to be direct and general
16 obligations of the issuer, or the State of New Jersey or any political
17 subdivision thereof. Any bonds issued or authorized by a
18 municipality pursuant to P.L. , c. (C.) (pending before the
19 Legislature as this bill) shall not be considered gross debt of the
20 municipality on any debt statement filed in accordance with the
21 “Local Bond Law,” N.J.S. 40A:2-1 et seq.

18 municipality, county, county improvement authority, other public
19 entity, or private entity, or capital provider is authorized to sell,
20 grant, assign, convey, or otherwise dispose of its interest in the
21 certificates or credits to repay the financing.

22

29 systems and energy efficiency improvements by property owners as
30 a local improvement and may provide by ordinance for a “clean
31 energy special assessment” to be imposed on a property within the
32 municipality, if the owner of the property requests the assessment in
