STATEMENT

16

17 Current law provides each board of education with the discretion
18 to annually determine the dates between which the schools of the
19 district will be open, in accordance with law. Current law does not
20 require schools to be closed on any particular holiday. This bill
21 prohibits a board of education from opening schools on November
22 11th of each school year, in observance of Veterans Day.

23

24 It is the sponsor's intent to ensure that New Jersey's young
25 citizens are taught to honor our veterans, who have so bravely
26 served our country and who did not hesitate to answer when their
27 nation called on them. Closing the schools on Veterans Day will
appropriately signal to students the importance of the holiday.
