ASSEMBLY, No. 3007

with Assembly Floor Amendments
(Proposed by Assemblywoman LAMPITT)

ADOPTED: JANUARY 11, 2021

These Assembly amendments:

1. require public and independent institutions of higher education to:
 - (a) ensure that all on-campus students have access to campus-based mental health care programs and services; and
 - (b) provide assistance and referrals to mental health support services to any student unable to access on-campus services;
2. make a technical correction to clarify the name of the National Suicide Prevention Lifeline; and
3. Provide that, in addition to the National Suicide Prevention Lifeline and the NJ Hopeline, institutions may provide students with the hotline number of any 24/7 mental health hotline deemed appropriate by the Secretary of Higher Education to satisfy the hotline requirements established in the bill.
