1 AN ACT concerning the delivery of mail-in ballots for the 2020
2 primary election.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6

7 1. Notwithstanding section 9 of P.L.2009, c.79 (C.19:63-9),
8 starting on or before the 45th day before the day the 2020 primary
9 election is held, each county clerk shall forward mail-in ballots by
10 first-class postage, hand delivery, or electronically to each
11 uniformed and overseas mail-in voter, as defined by the federal
12 “Uniformed and Overseas Citizens Absentee Voting Act” (52
13 U.S.C. s.20310 et seq.), whose request therefor has been approved.
14 Any additional mail-in ballots that have been approved before the
15 45th day before the election shall be forwarded or delivered at least
16 38 days before the day of the election. Hand delivery of a mail-in
17 ballot shall be made by the county clerk or the clerk's designee only
18 to the voter, or the voter's authorized messenger, who must appear
19 in person. No person shall serve as an authorized messenger for
20 more than three qualified voters in an election. Ballots that have
21 not been hand delivered shall be addressed to the voter at the
22 forwarding address given in the application.

23

24 2. This act shall take effect immediately and shall expire on the
25 date of the 2020 primary election.

STATEMENT

29

30 This bill seeks to address concerns over sufficient time to
31 prepare the significant number of mail-in ballots expected for the
32 2020 primary election. Under current law, thousands of ballots will
33 be required to be mailed by April 18, 2020, which gives county
34 clerks less than four days to prepare and deliver mail-in ballots.
35 This bill would provide county clerks with an additional week to
36 proof, print, prepare, and mail ballots following the ballot draw
37 date.

38 Under the bill, any additional mail-in ballots that have been
39 approved before the 45th day before the 2020 primary election are
40 required to be forwarded or delivered at least 38 days, instead of 45
41 days, before the day of the election. Under the bill, county clerks
42 are still required to comply with federal guidelines and have
43 military and overseas ballots mailed by April 18, 2020. The
44 additional week provided under the bill is temporary and will only
45 apply to the 2020 primary election.
