29 STATEMENT

30

31 This bill authorizes craft distilleries to direct ship up to nine
32 liters of distilled spirits per year and eliminates certain sales
33 restrictions.

34 The bill expressly authorizes craft distillery licensees to ship up
35 to nine liters of distilled spirits per year to any person over 21 years
36 of age for personal consumption and not for resale. The bill
37 provides that a copy of the original invoice is to be available for
38 inspection at the licensed premises of the distillery for a minimum
39 period of three years.

40 The bill removes existing statutory language: 1) prohibiting the
41 direct shipment of distilled spirits within and outside the State; 2)
42 requiring visitors take a tour in order to be allowed to consume
43 distilled spirits on the premises; and 3) limiting the retail sale of the
44 distilleries' products for consumption off the premises to five liters
45 per person.

46 This legislation is similar to a Kentucky law, referred to as
47 "Bourbon without Borders," which authorizes the shipment of up to
48 nine liters of distilled spirits per year.
