1 AN ACT establishing the Commission on Asian ¹American¹
2 Heritage and supplementing chapter 4 of Title 18A of the New
3 Jersey Statutes.

4

5 **BE IT ENACTED** by the Senate and General Assembly of the State
6 of New Jersey:

7

8 1. The Legislature finds and declares that:

9 a. The 2010 United States Census estimated that there were
10 approximately 17.3 million Asian Americans residing in the United
11 States, or roughly 5.6 percent of the nation's population, with the
12 largest subgroups being Chinese Americans, Filipino Americans,
13 Indian Americans, Vietnamese Americans, Korean Americans, and
14 Japanese Americans.

15 b. According to the census, almost three-quarters of all Asian
16 Americans live in just 10 states (California, New York, Texas, New
17 Jersey, Hawaii, Illinois, Washington, Florida, Virginia, and
18 Pennsylvania). In fact, only two states, Hawaii and California, had a
19 higher percentage of Asian Americans in their total populations
20 than New Jersey.

21 c. By 2016, in its estimate of the nation's population, the
22 census bureau estimated that the population of Asian Americans
23 had grown to approximately 21 million.

24 d. New Jersey is home to a significant number of people of
25 Asian descent. According to the most recent American Community
26 Survey, the Asian population of New Jersey is 9.4 percent of the
27 total population of the State, significantly higher than the national
28 percentage.

29 e. The histories of our nation and our State have been
30 significantly enriched by the heritage of people of Asian descent.
31 Our nation and our State have benefitted substantially from the
32 influences and contributions of these men, women, and children and
33 their culture, history, and heritage.

34 f. It is desirable to educate our citizens about the positive
35 aspects of the culture, music, art, language, history, and people of
36 Asian heritage.

37 g. It is the policy of the State of New Jersey that the culture,
38 history, and heritage of people of Asian descent are a proper
39 concern for all people, particularly students enrolled in the schools
40 of the State.

41 h. It is appropriate and desirable that programs, workshops,
42 institutes, seminars, and other teacher-training activities for the
43 study of the culture, history, and heritage of people of Asian
44 descent be conducted at the high schools and institutions of higher
45 education in this State.

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:
