1 AN ACT concerning the Supplemental Nutrition Assistance Program
2 and supplementing Title 44 of the Revised Statutes.

3
4 BE IT ENACTED *by the Senate and General Assembly of the State*
5 *of New Jersey:*

6
7 1. a. The Department of Human Services shall authorize a
8 student of higher education who is the recipient of an award from
9 the New Jersey Educational Opportunity Fund to obtain nutrition
10 assistance benefits under the Supplemental Nutrition Assistance
11 Program, regardless of whether the student satisfies the 20 hour
12 weekly student work requirement established by federal law at 7
13 CFR 273.5(b)(5).

14 b. (1) The provisions of subsection a. of this section shall
15 remain inoperative until such time as the federal Food and Nutrition
16 Service approves the change in, and authorizes a waiver of, existing
17 federal student work requirements for the students identified in
18 subsection a. of this section.

19 (2) Within 90 days after the effective date of this section, the
20 commissioner shall: (a) apply to the federal Food and Nutrition
21 Service to secure any appropriate federal approvals or waivers that
22 may be necessary to implement and enforce the provisions of this
23 section; and (b) take any additional actions as may be necessary to
24 ensure that the State's implementation of this section is done in
25 compliance with all applicable provisions of federal and State law
26 and regulation.

27 c. Following the receipt of necessary federal approvals and
28 waivers, as provided by subsection b. of this section, the department
29 shall implement and enforce the provisions of this section. In so
30 doing, the department shall institute a public awareness campaign
31 that is designed to inform high school seniors and students of higher
32 education about the new SNAP eligibility criteria applicable to
33 Educational Opportunity Fund award recipients under this section.

34 d. As used in this section:

35 "Commissioner" means the Commissioner of Human Services.

36 "Department" means the Department of Human Services.

37 "Educational Opportunity Fund" means the fund established
38 pursuant to section 4 of P.L.1968, c.142 (C.18A:71-31), which
39 provides financial assistance to needy students to attend institutions
40 of higher education.

41 "Supplemental Nutrition Assistance Program" or "SNAP" means
42 the New Jersey Supplemental Nutrition Assistance Program,
43 established pursuant to the federal "Food and Nutrition Act of
44 2008," Pub.L.110-246 (7 U.S.C. s.2011 et seq.).

45
46 2. The Department of Human Services shall adopt rules and

1 regulations, pursuant to the “Administrative Procedure Act,”

8 STATEMENT

9
10 This bill would require the Department of Human Services
11 (DHS) to authorize a student of higher education who is the
12 recipient of an award from the New Jersey Educational Opportunity
13 Fund to obtain nutrition assistance benefits under the State’s
14 Supplemental Nutrition Assistance Program (SNAP), regardless of
15 whether the student satisfies the 20 hour weekly work requirement
16 established by federal law at 7 CFR 273.5(b)(5), which is ordinarily
17 required for students of higher education to participate in SNAP.
18 The Educational Opportunity Fund provides financial assistance to
19 needy students in order to enable them to attend institutions of
20 higher education.

21 Because SNAP was established pursuant to federal law, and
22 because the program is subject to compliance with certain minimum
23 federally-established work requirements and eligibility criteria, the
24 bill’s relaxation of work requirements for Educational Opportunity
25 Fund award recipients will not take effect until such time as the
26 federal Food and Nutrition Service (FNS) approves the change in,
27 and authorizes a waiver of, existing federal student work
28 requirements for the students identified in the bill.

29 The bill would require the Commissioner of Human Services,
30 within 90 days after the bill’s effective date, to: 1) apply to the
31 FNS to secure any appropriate federal approvals or waivers that
32 may be necessary to implement and enforce the bill’s provisions;
33 and 2) take any additional action as may be necessary to ensure that
34 the State’s implementation of the bill is done in compliance with all
35 applicable provisions of federal and State law and regulation.

36 Following the receipt of the necessary federal approvals and
37 waivers, the DHS will be required to implement and enforce the
38 bill’s expanded SNAP eligibility requirements for Educational
39 Opportunity Fund award recipients. In so doing, the DHS would be
40 required to institute a public awareness campaign that is designed to
41 inform high school seniors and students of higher education about
42 the new SNAP eligibility criteria applicable to these award
43 recipients.
