

ASSEMBLY, No. 4273

STATE OF NEW JERSEY

219th LEGISLATURE

INTRODUCED JUNE 15, 2020

Sponsored by:

Assemblyman HERB CONAWAY, JR.

District 7 (Burlington)

Assemblyman GORDON M. JOHNSON

District 37 (Bergen)

Co-Sponsored by:

Assemblywoman Reynolds-Jackson

SYNOPSIS

Establishes database containing information on traffic stops by certain law enforcement officers.

CURRENT VERSION OF TEXT

As introduced.

(Sponsorship Updated As Of: 6/29/2020)

1 **AN ACT** concerning the collection of data from traffic stops and
2 supplementing Title 52 of the Revised Statutes.

3
4 **BE IT ENACTED** *by the Senate and General Assembly of the State*
5 *of New Jersey:*

6
7 1. a. The Attorney General shall establish and maintain a
8 central, searchable database of information pertaining to traffic law
9 enforcement by State and local law enforcement officers.

10 b. Information contained within the database shall be subject to
11 potential disclosure under P.L.1963, c.73 (C.47:1A-1 et seq.),
12 known commonly as the open public records act.

13 c. The database shall be publicly available on the website of
14 the Department of Law and Public Safety.

15 d. The Attorney General may promulgate guidelines to
16 effectuate the provisions of this act.

17
18 2. All State and local police shall submit a quarterly report to
19 the Attorney General containing the following information which
20 shall be entered in the database established in section 1 of P.L. , c.
21 (C.) (pending before the Legislature as this bill):

22 a. The number of drivers stopped for routine traffic
23 enforcement by law enforcement officers, the officer making each
24 stop, the date each stop was made, the law enforcement agency of
25 the officer making each stop, and whether or not a citation or
26 warning was issued;

27 b. Identifying characteristics of the drivers stopped, including
28 the race or ethnicity, approximate age, and gender;

29 c. The alleged traffic violation that led to the stop;

30 d. Whether a search was instituted as a result of the stop;

31 e. Whether the vehicle, personal effects, driver, or passenger
32 were searched, and the race or ethnicity, approximate age, and
33 gender of each person searched;

34 f. Whether the search was conducted pursuant to consent,
35 probable cause, or a warrant, including the basis for the request for
36 consent, the circumstances establishing probable cause, or the basis
37 for the warrant;

38 g. Whether any contraband was found and the type and amount
39 of any such contraband;

40 h. Whether any written citation or any oral or written warning
41 was issued as a result of the stop;

42 i. Whether an arrest was made as a result of either the stop or
43 the search;

44 j. Whether any property was seized, with a description of that
45 property;

46 k. Whether the officers making the stop encountered any
47 physical resistance from the driver or a passenger;

13
14

17 This bill would require the Attorney General to establish a
18 public, searchable database of information pertaining to traffic law
19 enforcement by State and local law enforcement officers.

20 The information entered in the database will include the driver's
21 identifying characteristics, such as race or ethnicity, approximate
22 age, and gender and will pertain to all interactions with traffic law
23 enforcement, even those stops that result only in an oral warning.

24 The wide range of specific information contained within this
25 database will allow for increased public oversight of traffic law
26 enforcement practices by providing a tool to prevent pernicious
27 enforcement of these laws, including racial and gender profiling.
