15 **and municipal clerks']** boards of elections², shall establish the rules
16 and regulations necessary to ensure the secure and successful
17 implementation of the mail-in ballot drop boxes required by this
18 section. In determining the ballot drop box locations, the secretary
19 and ²**['clerks']** county boards of elections² shall consider, at a
20 minimum, concentrations of population, geographic areas, voter
21 convenience, proximity to public transportation, community-based
22 locations, and security. The rules and regulations shall include, but
23 may not be limited to, criteria for each county board of elections to:

24 (1) determine the number of ¹**['staffed and unstaffed']** ballot
25 drop boxes required per voter population, considering both the
26 number of registered voters and the number of registered mail-in
27 voters in each county before each election;

28 (2) select the geographic location of each ballot drop box,
29 ensuring an equitable distribution of ballot drop boxes across the
30 county to maximize convenience to voters;

31 (3) ensure the accessibility of ballot drop boxes and drop box
32 locations to persons with disabilities; and

33 (4) maintain the security of ballot drop boxes and of the ballots

36 chain of custody and safe storage of voted mail-in ballots before
37 each election.

38
39 ²2. a. The November 2020 General Election shall be conducted
40 primarily via vote-by-mail ballots, which will be sent to all
41 "Active" registered voters without the need for an application to
42 receive a vote-by-mail ballot. The November 2020 General Election
43 shall be conducted in accordance with Title 19 except as set forth
44 below in subsections b. through aa. of this section.

45 b. All vote-by-mail return envelopes shall have prepaid First-
46 Class postage in order to facilitate the proper delivery of all cast
47 vote-by-mail ballots.

1 c. Notwithstanding the provisions of R.S.19:14-25, in lieu of
2 sending a sample ballot as required by that section, the appropriate
3 county official, as identified in R.S.19:14-25, shall send notice to
4 all “Active” voters, pursuant to R.S.19:14-21, advising of the
5 voter’s polling place, the URL to the Division of Election’s Internet
6 website that contains polling place information, locations of secure
7 ballot drop boxes within the county, information on where to obtain
8 a sample ballot prior to the election, a statement indicating that a
9 sample ballot will be available at the polling place on the day of the
10 election, and, if applicable, information on a county website where
11 a sample ballot may be viewed. The notice in lieu of a sample
12 ballot authorized pursuant to this subsection shall be sent return
13 service requested as required by R.S.19:14-23. The notice in lieu
14 of a sample ballot authorized pursuant to this subsection shall be
15 mailed on or before October 23, 2020. Notwithstanding R.S.19:63-
16 6, in lieu of the statutory notice, the county clerks shall, in a time
17 set forth by the Secretary of State, publish a notice to be prepared
18 by the Secretary of State.

19 d. All public primary and secondary schools shall be closed to
20 in-person instruction on November 3, 2020, and pursuant to
21 R.S.19:8-2, the authorities in charge of such schools shall not deny
22 the request of a county board of elections for use of the buildings as
23 polling places. All public primary and secondary schools shall work
24 cooperatively with the county elections officials for the delivery of
25 the necessary equipment for the November 2020 General Election.

26 e. Each county shall open a minimum of at least one polling
27 place in each municipality for the November 2020 General Election.
28 Each county shall open a minimum of 50 percent of its regularly
29 used polling places, and may open more than the minimum number
30 of its regularly used polling places. If a county board of elections is
31 unable to reach a minimum of 50 percent of its regularly used
32 polling places, the county boards of elections shall utilize schools or
33 other large facilities to serve as large voting centers, which shall
34 accommodate more voting districts in one polling place. Each
35 polling place shall meet the applicable requirements of the federal
36 “Americans with Disabilities Act of 1990” (42 U.S.C. s.12101 et
37 seq.). To the best of their ability, the county boards of elections
38 shall select polling places based on geographic location and
39 population density to best serve the voters of each municipality.
40 County boards of elections shall ensure that polling places and poll
41 workers implement, at a minimum, the following requirements for
42 the November 2020 General Election:

43 (1) Limit occupancy within all polling places to a number that
44 permits voters to maintain a distance of six feet between each other
45 and poll workers at any time;

46 (2) Ensure six feet of distance between voters and ensure six
47 feet of distance between voters and poll workers through the

- 1 demarcation of six feet of spacing in voter lines and poll worker
2 stations to demonstrate appropriate spacing for social distancing;
- 3 (3) Require infection control practices, such as regular hand
4 washing, coughing and sneezing etiquette, and proper tissue usage
5 and disposal;
- 6 (4) Provide poll workers break time for repeated handwashing
7 throughout their shifts;
- 8 (5) Require frequent sanitization of high-touch areas in polling
9 places consistent with CDC guidelines as of the date of the election;
- 10 (6) Place conspicuous signage at entrances and throughout the
11 polling place alerting poll workers and voters to the required six
12 feet of physical distance;
- 13 (7) Provide sanitization materials, such as hand sanitizer and
14 sanitizing wipes, to poll workers, voters, and those accompanying
15 voters;
- 16 (8) Require poll workers to adhere to CDC guidelines as of the
17 date of the election regarding face coverings while in the polling
18 place, except where doing so would inhibit that individual's health,
19 and require poll workers to wear gloves when in contact with voters
20 and those accompanying voters. County boards of elections shall
21 provide any required face coverings and gloves for poll workers,
22 without charge to the poll workers. If a poll worker refuses to wear
23 a required cloth face covering for non-medical reasons, then a
24 county board of elections may decline entry to the individual.
25 Nothing herein should prevent a poll worker from wearing a
26 surgical grade mask or other more protective face covering if the
27 individual is already in possession of such equipment. Where a poll
28 worker declines to wear a required face covering at a polling place
29 due to a medical condition that inhibits such usage, they shall not be
30 required to produce medical documentation verifying the stated
31 condition;
- 32 (9) Require appointed challengers to adhere to CDC guidelines
33 as of the date of the election regarding face coverings while in the
34 polling places and while in any location where the challenger is
35 serving in such a capacity, such as while observing the counting of
36 ballots. If an appointed challenger refuses to wear a required cloth
37 face covering, then a county board of elections may decline entry to
38 the individual; and
- 39 (10) Strongly encourage voters and those accompanying voters
40 to adhere to any CDC guidelines as of the date of the election
41 regarding face coverings while inside polling places except where
42 doing so would inhibit that individual's health. County boards of
43 elections may provide such face coverings for voters and those
44 accompanying voters, without charge to them. If a voter or person
45 accompanying a voter refuses to comply with the CDC guidelines, a
46 poll worker shall not deny entry to the voter or person. Nothing
47 herein should prevent a voter from wearing a surgical grade mask or

1 other more protective face covering if the individual is already in
2 possession of such equipment.

3 f. Notwithstanding the provisions of R.S.19:31-21, for the
4 November 2020 General Election, the Secretary of State may
5 modify the requirements concerning the use of poll books and the
6 information contained therein as necessary to address the procedure
7 by which the November 2020 General Election will be conducted
8 pursuant to this section, and the needs resulting therefrom.

9 g. Any voter who appears at a polling place on the day of the
10 November 2020 General Election and does not return a voted mail-
11 in ballot, pursuant to subsection h. of this section, shall vote via a
12 provisional ballot, except that accommodations will be made for
13 voters with disabilities.

14 h. Pursuant to section 16 of P.L.2009, c.79 (C.19:63-16), the
15 county boards of elections shall designate each polling place as a
16 location to receive voted mail-in ballots. A voter may return only
17 the mail-in-ballot that they personally voted to their designated
18 polling place. The Secretary of State shall establish appropriate
19 standards for the acceptance of mail-in ballots, including, but not
20 limited to, the poll worker verification that the voter returning the
21 voted mail-in ballot at the polling place is the individual who voted
22 the mail-in ballot, the securing of the returned mail-in ballots, and
23 the return of the mail-in ballots to the county boards of elections
24 after the close of polls.

25 i. Each polling place shall have signage that provides the
26 location of all ballot drop boxes in the county in which the polling
27 place is located.

28 j. The time restrictions of section 9 of P.L.2009, c.79
29 (C.19:63-9) shall be modified as follows: vote-by-mail ballots shall
30 be mailed to all "Active" voters on or before the 29th day before the
31 November 2020 General Election and in a manner to ensure the
32 timely receipt and return of ballots for counting in the November
33 2020 General Election, and whenever the county clerk forwards a
34 mail-in ballot by mail to a voter between the 29th day and the 13th
35 day before the November 2020 General Election it shall be
36 transmitted within three business days of receipt of the application
37 and in a manner to ensure the timely receipt and return of ballot for
38 counting in the November 2020 General Election. All other
39 provisions of section 9 of P.L.2009, c.79 (C.19:63-9) remain, and
40 this subsection, shall not modify the requirements set forth in the
41 Uniformed and Overseas Citizens Absentee Voting Act, 52 U.S.C.
42 §20302(a)(8)(A).

43 k. Notwithstanding any other law to the contrary, to allow
44 enough time for the county clerks to print and mail the ballots to
45 voters, the following deadlines are modified as follows:

46 (1) the deadline to submit a public question for November 2020
47 school board elections to the county clerk by the school board
48 secretary, pursuant to R.S.19:16-4, shall be August 31, 2020;

10 (5) the deadline for returning a vote-by-mail application in-
11 person in subsection d. of section 3 of P.L.2009, c.79 (C.19:63-3)
12 shall be suspended for the November 2020 General Election.

13 (6) Vacancies occurring after August 28, 2020 shall not be
14 placed on the November General Election ballot.

18 health.

19 m. Notwithstanding the provisions of subsection d. of section 4
20 of P.L.1995, c.195 (C.19:59-15) and section 22 of P.L.2009, c.79
21 (C.19:63-22) to the contrary, to account for the increase in vote-by-
22 mail ballots and to ensure that registered voters' efforts to vote are
23 not impacted by delays in the postal service, every vote-by-mail

25 received by November 10, 2020, at 8:00 p.m. shall be considered
26 valid and shall be canvassed, assuming the ballot meets all other
27 statutory requirements. Every ballot without a postmark, and ballots
28 mis-marked and confirmed by the post office that those ballots were
29 received by the post office on or before November 3, 2020, that is
30 received by the county boards of elections from the United States
31 Postal Service within 48 hours of the closing of polls on November
32 3, 2020, shall be considered valid and shall be canvassed, assuming
33 the ballot meets all other statutory requirements. In addition, a
34 county board of elections may begin opening the inner envelopes
35 and canvassing each mail-in ballot from the inner envelopes no
36 earlier than ten days prior to the day of the election. The Secretary
37 of State shall establish guidelines concerning the early canvassing
38 process. If a county board of elections begins opening the inner
39 envelopes and canvassing the mail-in ballots from the inner
40 envelopes prior to the day of the election, the county board shall
41 implement the measures necessary to ensure the security and
42 secrecy of the mail-in ballots. The contents of the mail-in ballots
43 and the results of the ballot canvassing shall remain confidential
44 and shall be disclosed only in accordance with the provisions of
45 Title 19 of the Revised Statutes, regulations and guidelines
46 concerning the disclosure of election results, and in no
47 circumstances disclosed prior to the close of polls on the day of the
48 election.

1 n. Notwithstanding the provisions of section 18 of P.L.2009,
2 c.79 (C.19:63-18), to account for the increase in vote-by-mail
3 ballots and to provide the county boards of elections sufficient time
4 to canvass the returned ballots, the county boards of elections may
5 continue the counting of ballots beyond the close of polls on
6 November 3, 2020, and may adjourn counting after 11:00 pm on
7 November 3, 2020 to immediately continue counting at 9:00 am on
8 November 4, 2020, and continue every day thereafter, until the
9 counting is completed within the limits of this section. In addition,
10 notwithstanding the provisions of section 19 of P.L.1999, c.232
11 (C.19:53C-13), the county commissioner of registration may
12 forward provisional ballots to the county board of election for
13 counting on an ongoing basis as the verification process is
14 completed.

15 o. In order to expedite the signature-verification process
16 outlined in section 17 of P.L.2009, c.79 (C.19:63-17), the county
17 boards of elections shall meet at least four days per week starting
18 October 13, 2020. Voters whose ballots are rejected pursuant to
19 section 17 of P.L.2009, c.79 (C.19:63-17), for a missing or
20 discrepant signature, shall be given the opportunity to cure the
21 signature defect in accordance with procedures established by the
22 Secretary of State, in the absence of any governing statute.

23 p. Because of the need to meet the federal deadlines for the
24 State's electors to meet, the meeting of the county Board of
25 Canvassers, under R.S.19:19-1, shall occur on or before November
26 20, 2020 to certify the results of the November 2020 General
27 Election, and no extension under R.S.19:19-4 or R.S.19:19-6 shall
28 be sought. The county clerks' transmittal of the official November
29 2020 General Election results to the Secretary of State, under

33 occur on or before December 8, 2020 to certify the results of the
34 November 2020 General Election.

35 q. Notwithstanding the provisions of R.S.19:6-2 to the
36 contrary, county residency shall not be a prerequisite for
37 employment as a poll worker for the November 2020 General
38 Election to allow for greater flexibility in obtaining poll workers.

39 r. Notwithstanding the provisions of R.S.19:8-2 to the
40 contrary, due to the limited number of polling places that will be
41 open for the November 2020 General Election, the county board of
42 elections may select a polling places located more than 1,000 feet
43 distant from the boundary line of the district.

45 P.L.2005, c.152 (C.19:53B-21 and C.19:53C-21) is extended to
46 November 23, 2020.

47 t. Notwithstanding the provisions of paragraph (8) of
48 subsection c. of section 1 of P.L.2007, c.349 (C.19:61-9), to allow

1 enough time for results to be certified prior to the meeting of
2 electors, counties may certify their election results prior to the
3 commencement of the election audit required in that section,
4 provided that the audit is completed by December 4, 2020.

16 reports of violations of the election laws and this section in
17 connection with the November 2020 General Election.
