STATEMENT

30

31 This bill would increase the Fiscal Year 2020 appropriation for
32 Extended Employment services out of the Workforce Development
33 Partnership Fund by \$2.5 million. In so doing, the bill would
34 ensure that the rates paid under the program during the three-month
35 extension of Fiscal Year 2020 from July 1, 2020 through September
36 30, 2020 would be identical to those paid in the first twelve months
37 of the fiscal year from July 1, 2019 through June 30, 2020.

38 Extended Employment services, also referred to as Sheltered
39 Workshop services, provide long-term employment services in
40 occupation-oriented facilities operated by non-profit service
41 providers, which, except for staff, employ only individuals with
42 significant disabilities at subminimum wages.
