 29 vessels designed for use exclusively in such service, and except for

2. Any waterfront employer who employs longshoremen at a waterfront facility¹], including, but not limited to, a public waterfront facility,¹ shall pay each longshoreman a rate of wages not less than the applicable waterfront prevailing wage rate. Every waterfront employer employing longshoremen at waterfront facilities shall keep an accurate record showing the name, classification, and hourly rate of wages actually paid to each longshoreman employed by the employer in connection with waterfront facilities. The records shall be preserved for two years from the date of payment, and shall be open at all reasonable hours to the inspection of the commissioner, of any public body which owns, administers or provides financial assistance to the waterfront facility where the longshoremen are employed, and of any labor organization representing longshoremen working at that waterfront facility or other waterfront facilities in the State.

3. The commissioner shall determine, establish and make public the waterfront prevailing wage rates for each waterfront facility and for each classification of longshoremen working at the facility. ¹["The prevailing wage shall be determined and computed in accordance with rules and regulations issued by the commissioner as he determines necessary to carry out the provisions of this act. The wage determination may be challenged within 30 days of issuance but only as to the accuracy of the wage information used. Such challenges shall be made by filing a written notice with the commissioner specifying the inaccurate wage information."¹ All determinations of the waterfront prevailing wage rates made pursuant to this section shall be announced by the commissioner¹["¹ and¹ prominently displayed on a webpage maintained by the department¹["¹ and provided by mail to any public body, any representative of longshoremen, any waterfront employer, or any representative of any group of waterfront employers, who makes a written request to the commissioner to be provided the mailed notifications]¹.

4. The commissioner shall have the authority to:

a. investigate and ascertain the wages of longshoremen employed in any waterfront facility in the State;

b. enter and inspect the place of business or employment of any waterfront employer employing longshoremen at any waterfront facility in the State, ¹["for the purpose of examining and inspecting any or all books, registers, payrolls, and other records of the waterfront employer that in any way relate to or have a bearing upon the question of wages, hours, and other conditions of employment of the longshoremen; copy]¹ and question those employees and investigate any facts, conditions or matters which the commissioner deems appropriate to determine whether any person has violated any provision of this act or rule or regulation adopted pursuant to this act or which may aid in the enforcement of the provisions of this act;

1 c. administer oaths and examine witnesses under oath, issue
2 subpoenas, compel the attendance of witnesses and the production of
3 papers, books, accounts, records, payrolls, documents, and testimony,
4 and take depositions and affidavits in any proceeding before the
5 commissioner;

6 d. Copy¹ any '[of those]' books, registers, payrolls, and other
7 records as '[he or his authorized representative may deem]' the
8 commissioner deems¹ necessary or appropriate; obtain proof of, and
9 question, any longshoreman's identity to determine whether the
10 longshoreman's identity is accurately and truthfully included or
11 reported in any books, registers, payrolls, and other records of the
12 waterfront employer '[that in any way relate to or have a bearing upon
13 the question of wages, hours, and other conditions of employment in
14 the waterfront facility;]' and question the longshoremen for the
15 purpose of ascertaining whether the provisions of this act have been
16 and are being complied with;

17 '[c.] e.'¹ obtain from the waterfront employers full and correct
18 statements in writing, including sworn statements, regarding wages,
19 hours, names, addresses, and such other information pertaining to the
20 waterfront employer's longshoremen and their employment as the
21 commissioner¹, or his authorized representative¹ deems necessary
22 or appropriate; and

23 '[d.] f.'¹ require any waterfront employer to file, within 10 days of
24 receipt of a request, any records enumerated in '[subsections b. and c.
25 of]' this section, sworn to as to their validity and accuracy. In the
26 case of a public waterfront facility in which a public body has an
27 agreement to make payments to a waterfront employer, if the
28 waterfront employer fails to provide the requested records within 10
29 days, the commissioner may direct within 15 days the fiscal or
30 financial officer charged with the custody and disbursements of the
31 funds of the public body immediately to withhold from payment to the
32 waterfront employer up to 25 percent of the amount, not to exceed
33 \$100,000, to be paid to the waterfront employer under the terms of the
34 agreement. The amount withheld shall be immediately released upon
35 receipt by the public body of a notice from the commissioner
36 indicating that the request for records has been satisfied.

37 'If a person fails to comply with any subpoena lawfully issued, or
38 on the refusal of any witness to testify to any matter regarding which
39 he may be lawfully interrogated, it shall be the duty of the Superior
40 Court, on application by the commissioner, to compel obedience by
41 proceedings for contempt, as in the case of disobedience of the
42 requirements of a subpoena issued from the court or a refusal to testify
43 in the court.'¹

44
45 5. Waterfront employers employing longshoremen at
46 waterfront facilities shall post the waterfront prevailing wage rates
47 for each classification involved as determined by the commissioner,

1 including the effective date of any changes thereof, in prominent
2 and easily accessible places at the site of the work or at such place
3 or places as are used by them to pay longshoremen their wages.

4
5 6. Any longshoreman or representative of longshoremen may
6 file with the commissioner a written complaint that the amount of
7 wages paid for work performed by the longshoreman at a waterfront
8 facility is less than the applicable waterfront prevailing wage rate
9 for that work, or a written complaint the longshoreman has suffered
10 a discharge or other discrimination in violation of section 11 of this
11 act, but the complaint may not be filed later than two years after the
12 alleged underpayment or discrimination occurs.

13
14 7. a. Any waterfront employer who willfully hinders or delays
15 the commissioner in the performance of his duties in the enforcement
16 of this act, or who fails to make, keep, and preserve any records as
17 required under the provisions of this act, or falsifies any such record,
18 or refuses to make any such record accessible to the commissioner
19 upon demand, or refuses to furnish a sworn statement of such record or
20 any other information required for the proper enforcement of this act
21 to the commissioner upon demand, or pays or agrees to pay wages at a
22 rate less than the rate applicable under this act, or, during the time that
23 the waterfront employer is included on the debarment list established
24 by the commissioner pursuant to section 9 of this act, employs
25 longshoremen at a waterfront facility, or who discriminates against a
26 longshoreman in violation of section 11 of this act, or otherwise
27 violates any provision of this act or of any regulation or order issued
28 under this act, shall have violated the provisions of this act and be
29 guilty of a disorderly persons offense and shall, upon conviction
30 therefor, be fined not less than \$1,000 nor more than \$2,500 or be
31 imprisoned for not less than 10 nor more than 90 days, or by both such
32 fine and imprisonment. Each week, in which there is a day in which
33 the waterfront employer employs longshoremen while on the
34 debarment list or in which a longshoreman is paid less than the rate
35 applicable under this act and each longshoreman so paid, shall
36 constitute a separate offense. Such fines shall be in addition to the
37 payment of any wage deficiencies.

38 b. As an alternative to, or in addition to, any other sanctions
39 provided by law for violations of any provision of this act, when the
40 commissioner finds that an waterfront employer has violated that act,
41 the commissioner is authorized to assess and collect administrative
42 penalties, up to a maximum of \$2,500 for a first violation and up to a
43 maximum of \$5,000 for each subsequent violation, specified in a
44 schedule of penalties to be promulgated as a rule or regulation by the
45 commissioner in accordance with the "Administrative Procedure Act,"
46 P.L.1968, c.410 (C.52:14B-1 et seq.). When determining the amount
47 of the penalty imposed because of a violation, the commissioner shall
48 consider factors which include the history of previous violations by the

1 waterfront employer, the seriousness of the violation, the good faith of
2 the waterfront employer and the size of the waterfront employer's
3 business. No administrative penalty shall be levied pursuant to this
4 section unless the commissioner provides the alleged violator with
5 notification of the violation and of the amount of the penalty by
6 certified mail and an opportunity to request a hearing before the
7 commissioner or his designee within 15 days following the receipt of
8 the notice. If a hearing is requested, the commissioner shall issue a
9 final order upon such hearing and a finding that a violation has
10 occurred. If no hearing is requested, the notice shall become a final
11 order upon expiration of the 15-day period. Payment of the penalty is
12 due when a final order is issued or when the notice becomes a final
13 order. Any penalty imposed pursuant to this section may be recovered
14 with costs in a summary proceeding commenced by the commissioner
15 pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274
16 (C.2A:58-10 et seq.). Any sum collected as a fine or penalty pursuant
17 to this section shall be applied toward enforcement and administration
18 costs of the ¹Division of Workplace Standards in the Department of
19 Labor division¹.

20 c. When the commissioner finds that the waterfront employer has
21 violated provisions of this act, the commissioner may refer the matter
22 to the Attorney General or his designee for ¹criminal¹ investigation
23 and prosecution. Nothing in this subsection shall be deemed to limit
24 the authority of the Attorney General to investigate and prosecute
25 violations of the New Jersey Code of Criminal Justice, nor to limit the
26 commissioner's ability to refer any matter for criminal investigation or
27 prosecution.

28
29 8. As an alternative to, or in addition to, any other sanctions
30 provided by law for violation of this act, the commissioner is
31 authorized to supervise the payment of amounts due to
32 longshoremen under this act, and the waterfront employer may be
33 required to make these payments to the commissioner to be held in
34 a special account in trust for the longshoremen, and paid on order of
35 the commissioner directly to the longshoreman or longshoremen
36 affected. The waterfront employer shall also pay the commissioner
37 an administrative fee equal to not less than 10 percent or more than
38 25 percent of any payment made to the commissioner pursuant to
39 this section. The amount of the administrative fee shall be specified
40 in a schedule of fees to be promulgated by rule or regulation of the
41 commissioner in accordance with the "Administrative Procedure
42 Act," P.L.1968, c.410 (C.52:14B-1 et seq.). The fee shall be
43 applied toward enforcement and administration costs of the
44 Division of Workplace Standards in the Department of Labor.

45
46 9. If the commissioner determines that a waterfront employer has
47 ¹repeatedly on more than one occasion¹ failed to pay the waterfront
48 prevailing wage, the commissioner shall add the name of the

1 waterfront employer to a debarment list established and maintained by
2 the commissioner of waterfront employers determined to have failed to
3 pay the waterfront prevailing wage. The debarment list and each
4 updating of the list shall be prominently displayed on a website
5 maintained by the department ¹and provided to any public body, any
6 representative of longshoremen, any waterfront employer, or any
7 representative of any group of waterfront employers who makes a
8 written request to the commissioner to be notified of the debarment list
9 and any updating of the list¹. Any waterfront employer placed on the
10 debarment list pursuant to this section shall remain on the list until
11 three years have elapsed from the date of listing. If the waterfront
12 employer denies that a failure to pay the waterfront prevailing wage
13 has occurred, the employer ¹shall have the right to apply to the
14 commissioner for a hearing which must be afforded and a decision
15 rendered within 48 hours of the request for a hearing. If the
16 commissioner rules against the waterfront employer, the waterfront
17 employer shall have the right to apply for injunctive relief in the
18 Superior Court against the listing by the commissioner] may request a
19 hearing, which shall be conducted in accordance with the
20 “Administrative Procedure Act,” P.L.1968, c. 410 (C.52:14B-1 et
21 seq.)¹.

22 It shall be a violation of this act for any waterfront employer to
23 employ longshoremen at a waterfront facility, whether or not the
24 facility is a public waterfront facility, during the time that the
25 waterfront employer is included on the debarment list established by
26 the commissioner pursuant to this section.

27
28 10. No public body shall approve, fund, authorize, or administer,
29 or otherwise provide financial assistance to a waterfront facility, by
30 means of any new or renewed agreement to do so, without first
31 ascertaining that no waterfront employer employing longshoreman
32 at the facility is on the current debarment list of names of
33 waterfront employers who have failed to pay waterfront prevailing
34 wages required by this act. No contract shall be awarded by a
35 public body to any listed waterfront employer or to any other
36 waterfront employer in which the listed waterfront employer has an
37 interest.

38 For purposes of this section, "interest" means an interest,
39 affiliation, relationship or connection of a waterfront employer
40 listed pursuant to section 9 of this act in or with another waterfront
41 employer employing, or seeking to employ, longshoremen at a
42 waterfront facility, whether having the interest is as an owner,
43 partner, officer, manager, employee, agent, consultant or
44 representative. The listed waterfront employer shall be regarded as
45 having an interest in another waterfront employer if the listed
46 waterfront employer enters into a contract or agreement with the
47 other waterfront employer for services performed or to be

1 performed, for services that have been or will be assigned or
2 subletted, or for the sale, rental or lease of vehicles, tools,
3 equipment or supplies during the period from the initiation of the
4 proceedings under section 9 of this act against the waterfront
5 employer until three years have elapsed from the date that the
6 waterfront employer was listed by the commissioner under section 9
7 of this act. The term "interest" shall not include shares held in a
8 publicly traded corporation if the shares were not received as
9 compensation after the initiation of proceedings under section 9 of
10 this act.

11 A rebuttable presumption that a waterfront employer listed by
12 the commissioner under section 9 of this act has an interest in
13 another waterfront employer may arise if the two share any of the
14 following capacities or characteristics: occupy the same premises,
15 have the same telephone number or fax number, have the same
16 email address or internet website, employ substantially the same
17 administrative employees, utilize the same tools and equipment, or
18 employ or engage the services of any listed person or persons
19 involved in the direction or control of the other.

20 If the rebuttable presumption that a listed waterfront employer
21 has an interest in another waterfront employer results in a
22 determination to include of the other waterfront employer in the
23 debarment list, the other waterfront employer may request a hearing
24 to challenge the determination, to be conducted in accordance with
25 the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et
26 seq.).

27
28 11. Any waterfront employer who discharges or in any other
29 manner discriminates against any longshoreman because the
30 longshoreman has made any complaint to his waterfront employer,
31 to a representative of the longshoreman, a public body, or the
32 commissioner that he has not been paid wages in accordance with
33 the provisions of this act, or because the longshoreman has caused
34 to be instituted or is about to cause to be instituted any proceeding
35 under or related to this act, or because the longshoreman has
36 testified or is about to testify in any such proceeding, or because the
37 longshoreman has requested information from the waterfront
38 employer relevant to such a proceeding, shall be in violation of this
39 act, shall be guilty of a disorderly persons offense, and shall, upon
40 conviction therefor, be fined not less than \$1,000 nor more than
41 \$2,500. Such fines shall be in addition to the payment of any wage
42 deficiencies.

43
44 12. If any longshoreman is paid by an waterfront employer less
45 than the waterfront prevailing wage to which the longshoreman is
46 entitled under the provisions of this act, or suffers discharge or
47 other discrimination in violation of section 11 of this act, that
48 longshoreman may recover in a civil action the full amount of such

1 waterfront prevailing wage less any amount actually paid to the
2 longshoremen by the waterfront employer together with costs and
3 reasonable attorney's fees as allowed by the court, and in the case of
4 discharge or other discrimination, reinstatement to employment
5 with payment of any wages lost because of the discharge or
6 discrimination. An agreement between longshoremen and a
7 waterfront employer to pay less than the prevailing wage shall not
8 be a defense to the action. Any longshoreman shall be entitled to
9 maintain such action for and on behalf of himself or other
10 longshoremen similarly situated, and the longshoreman or
11 longshoremen may designate an agent or representative to maintain
12 such action for and on behalf of all longshoremen similarly situated.
13 At the request of any longshoreman paid less than the waterfront
14 prevailing wage to which such longshoreman was entitled under the
15 provisions of this act, the commissioner may take an assignment of
16 the wage claim in trust for the assigning longshoreman and may
17 bring any legal action necessary to collect the claim, and the
18 waterfront employer shall be required to pay the costs and such
19 reasonable attorney's fees as may be allowed by the court.
20

21 13. Nothing in this act shall be deemed to interfere with, impede,
22 or in any way diminish the right of longshoremen to bargain
23 collectively through representatives of their own choosing in order to
24 establish ¹["wages in excess of any applicable minimum under"] wage
25 rates that are different than wage rates set by¹ this act.
26

27 ¹14. Except for waterfront employers located in the Port of New
28 York district, no waterfront employer shall be permitted to operate in
29 New Jersey, unless it is registered with the department as a waterfront
30 employer on a form, which may be an electronic form provided by the
31 commissioner. The form shall require the following information:

32 a. The name, principal business address and telephone number of
33 the waterfront employer;

34 b. Whether the waterfront employer is a corporation, partnership,
35 sole proprietorship, or other form of business entity;

36 c. If the waterfront employer's principal business address is not
37 within the State, the name and address of the waterfront employer's
38 custodian of records and agent for service of process in this State;

39 d. The name and address of each person with a financial interest
40 in the waterfront employer and the percentage interest, except that if
41 the waterfront employer is a publicly-traded corporation, the
42 waterfront employer shall supply the names and addresses of the
43 corporation's officers;

44 e. The waterfront employer's tax identification number and
45 unemployment insurance registration number;

46 f. A certification form provided by the commissioner, with
47 documentation satisfactory to the commissioner, that the waterfront
48 employer has all valid and effective licenses, registrations or

1 certificates required by State law, including registrations or
2 certifications required to do business in the State of New Jersey; and

3 g. Other relevant and appropriate information as determined by
4 the commissioner.

5 At the time of registration, and subsequently upon request, the
6 waterfront employer shall submit to the commissioner documentation
7 demonstrating that the waterfront employer has workers'
8 compensation insurance coverage for all workers as required by law.¹

9
10 ¹15. The waterfront employer shall pay an initial annual non-
11 refundable registration fee of \$300 to the commissioner. The non-
12 refundable registration fee for the second annual registration shall be
13 \$300. Upon successful completion of two consecutive years of
14 registration, a waterfront employer may elect to register for a two-year
15 period and pay a non-refundable registration fee of \$500.¹

16
17 ¹16. A contractor who is operating on the effective date of this act
18 shall submit the registration application form and fee to the
19 Commissioner within 30 days of the effective date of this act.¹

20
21 ¹17. Registration fees collected pursuant to this act shall be
22 applied toward the enforcement and administration costs of the
