12 emergency, before a member of the New Jersey Legislature for the
13 area covered by the public state of emergency, faithfully and
14 honestly to discharge the duties of his office, and that he will make
15 and keep a true record of all such matters as are required by law,
16 which oath shall be filed with said clerk. The oath of office of a
17 nonresident notary public shall be taken and subscribed before the
18 clerk of the county in which he maintains his office or is employed
19 in this State or, during a declared state of emergency, before a
20 member of the Legislature for the area covered by the state of
21 emergency.

13 14 15 STATEMENT

16
17 Presently, N.J.S.A. 52:7-14 directs that within three months of
18 the receipt of his commission, a notary public shall take and
19 subscribe an oath before the clerk of the county in which he resides.
20 The oath of office of a nonresident notary public should be taken
21 and subscribed before the clerk of the county in which he maintains
22 his office or is employed.

23 In the event of a declared state of emergency, such as the public
24 health emergency and state of emergency declared by the
25 Governor's Executive Order 103 of 2020, county level offices may
26 not function normally, potentially resulting in delays or interruption
27 to the vital services performed by notaries.

28 This bill provides an additional, alternative way for a notary
29 public to take the required oath. Under the bill, when a period of a
30 declared state of emergency exists, a notary public may take and
31 subscribe the oath before a member of the New Jersey Legislature
32 for the area covered by the state of emergency. Thus, if a local
33 state of emergency exists, a notary public may take and subscribe
34 an oath before any legislator whose district includes that local unit;
35 if a countywide state of emergency exists, a notary public may take
36 and subscribe an oath before any legislator whose district includes
37 that jurisdictional boundary, and if a statewide state of emergency
38 exists, a notary public may take and subscribe an oath before any
39 member of the New Jersey Legislature. The member of the
40 Legislature before whom the oath of office is taken shall retain and,
41 within 30 days of the end of the declared state of emergency, shall
42 transmit the oath to the clerk of the county for filing.

43 The bill directs the State Treasurer to provide each member of
44 the Legislature with access to certificates of commission, and the
45 notice concerning a notary public who is not licensed as an
46 attorney-at-law for distribution to the applicant. The applicant
47 remains responsible for the payment of the notary public application
48 fee and oath of office recording fee.
