STATEMENT

19
20 This bill provides a supplemental appropriation of \$2 million to
21 William Paterson University of New Jersey for the university's
22 Child Development Center.

23 William Paterson University has not had a Child Development
24 Center on its campus in several years since the renovation of the
25 original building that housed the center. The center was a place of
26 care for the children of students, faculty, and staff, and provided
27 hands-on teaching experiences to students majoring in elementary
28 and early childhood education. The university plans to reopen the
29 Child Development Center in a new building. The supplemental
30 funding under this bill will provide funds to the university as it
31 constructs and establishes a new Child Development Center as a
32 critical on-campus parenting support resource.
