SYNOPSIS

Requires MVC to make mobile units available to reduce service delays at overcrowded agencies.

CURRENT VERSION OF TEXT

As introduced.

(Sponsorship Updated As Of: 11/19/2020)

1 AN ACT concerning New Jersey Motor Vehicle Commission mobile
2 units and supplementing Title 39 of the Revised Statutes.

3

4 BE IT ENACTED *by the Senate and General Assembly of the State*
5 *of New Jersey:*

6

7 1. If one or more commission agencies are overcrowded and
8 experiencing service delays, the New Jersey Motor Vehicle
9 Commission shall utilize mobile units to reduce service delays and
10 to assist in processing customer transactions.

11 If the commission has fewer mobile units than the number of
12 commission agencies that are overcrowded and are experiencing
13 service delays, then the commission shall utilize the mobile units in
14 a manner that maximizes the number of individuals the commission
15 is able to serve or provides the greatest reduction in service delays.

16 For the purposes of this section, “mobile unit” shall mean a
17 portable commission agency that provides commission agency
18 services.

19

20 2. This act shall take effect immediately.

23 STATEMENT

24

25 This bill requires the New Jersey Motor Vehicle Commission
26 (commission) to utilize mobile units to reduce service delays and to
27 assist processing customer transactions in the event that one or
28 more commission agencies are overcrowded and experiencing
29 service delays.

30 Under the bill, if the number of mobile units is fewer than the
31 number of commission agencies that are overcrowded and are
32 experiencing service delays, then the commission is required to
33 utilize the mobile units in a manner that maximizes the number of
34 individuals the commission is able to serve or provides the greatest
35 reduction in service delays.
