15 their perspectives and opinions at the highest levels of our
16 government.

17 b. The unique perspectives and valuable insights of the youth
18 of this country are essential to ensuring that investments made by
19 the government for programs and services for those youth are
20 effective and efficient.

21 c. Many state legislatures have created youth councils that
22 have proven to be an effective means of understanding the
23 perspectives and opinions of the youth of the state, leading to more
24 effective and efficient policies, programs, and services for those
25 youth.

26 d. The creation of a youth council in this State that can advise
27 the New Jersey Legislature will be beneficial for the State and its
28 resident youth.

29
30 3. There is established a New Jersey Legislative Youth Council
31 for the purpose of providing a forum for the youth of this State to
32 participate in the democratic process; to advise the Legislature and
33 its committees, commissions, and task forces on the perspectives,
34 opinions, needs, development, and welfare of the youth of the State;
35 and to advise the Legislature and its committees, commissions and
36 task forces on the most effective and efficient policies, programs,
37 and services that the State could provide for the youth of this State.
38 The council shall research, analyze, discuss, and make specific
39 recommendations in the areas of civics education; drugs and
40 substance abuse; emotional and physical health; employment and
41 economic opportunities; environmental protection; gun violence and
42 school safety; homelessness and poverty; mental health; safe
43 environment for youth; sexual harassment and violence; youth
44 services; and youth bias and hate crimes.

45 In each two-year term of the New Jersey Legislature, the council
46 shall submit, in writing, a series of policy recommendations to the
47 President of the Senate, the Speaker of the General Assembly, the
48 Minority Leader of the Senate, and the Minority Leader of the

1 General Assembly. The series of policy recommendations shall be

3 The council may express its position publicly on legislation
4 pending before the New Jersey Legislature that is directly relevant
