Applications shall be made in the form prescribed by the superintendent, accompanied by a fee of $50 payable to the superintendent, and shall be made to a judge of the Superior Court in the county where the applicant maintains his place of business. (3) No firearm or imitation thereof shall be placed in any window or in any other part of the premises where it can be readily seen from the outside.

The certification shall be retained by the dealer and shall be made available for inspection by any law enforcement officer at any reasonable time.

(e) (Deleted by amendment, P.L.2019, c.164)

(6) The dealer shall keep a true record of every handgun sold, given or otherwise delivered or disposed of, in accordance with the provisions of subsections b. through e. of this section and the record shall note whether a trigger lock, locked case, gun box, container or other secure facility was delivered along with the handgun.

(c) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers;

(d) any transaction where the person has purchased a handgun from a licensed retail dealer and has returned that handgun to the dealer in exchange for another handgun within 30 days of the original transaction, provided the retail dealer reports the exchange transaction to the superintendent; or

(e) any transaction where the superintendent issues an exemption from the prohibition in this subsection pursuant to the provisions of section 4 of P.L.2009, c.186 (C.2C:58-3.4).

b. Records. Every person engaged in the retail business of selling, leasing or otherwise transferring a handgun, as a retail dealer or otherwise, shall keep a register in which shall be entered the time of the sale, lease or other transfer, the date thereof, the name, age, date of birth, complexion, occupation, residence and a physical description including distinguishing physical characteristics, if any, of the purchaser, lessee or transferee, the name and permanent home address of the person making the sale, lease or transfer, the place of the transaction, and the make, model, manufacturer's number, caliber and other marks of identification on such handgun and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. The register shall be retained by the dealer and shall be made available at all reasonable hours for inspection by any law enforcement officer.

c. Forms of register. The superintendent shall prepare the form of the register as described in subsection b. of this section and furnish the same in triplicate to each person licensed to be engaged in the business of selling, leasing or otherwise transferring firearms.

d. Signatures in register. The purchaser, lessee or transferee of any handgun shall sign, and the dealer shall require him to sign his name to the register, in triplicate, and the person making the sale, lease or transfer shall affix his name, in triplicate, as a witness to the signature. The signatures shall constitute a representation of the accuracy of the information contained in the register.

e. Copies of register entries; delivery to chief of police or county clerk. Within five days of the date of the sale, assignment or transfer, the dealer shall deliver or mail by certified mail, return

receipt requested, legible copies of the register forms to the office of the chief of police of the municipality in which the purchaser resides, or to the office of the captain of the precinct of the municipality in which the purchaser resides, and to the superintendent. If hand delivered a receipt shall be given to the dealer therefor.

Where a sale, assignment or transfer is made to a purchaser who resides in a municipality having no chief of police, the dealer shall, within five days of the transaction, mail a duplicate copy of the register sheet to the clerk of the county within which the purchaser resides.

(cf: P.L.2019, c.164, s.7)

3. The following sections are repealed:

Sections 1 through 5 of P.L.2019, c.164 (C.2C:58-2.7 through C.2C:58-2.11); and

Section 8 of P.L.2019, c.164 (C.59:2-11).

4. This act shall take effect immediately.

STATEMENT

This bill repeals the personalized handgun law in the State. Current law defines a personalized handgun as one that "incorporates within its design a permanent programmable feature as part of its manufacture that cannot be deactivated and renders the personalized handgun reasonably resistant to being fired except when activated by the lawful owner or other authorized user."

Under the law, the Personalized Handgun Authorization Commission is responsible for: 1) establishing performance standards and qualifying criteria for personalized handguns; 2) determining whether a firearm has met those standards and criteria; and 3) maintaining a roster of personalized handguns authorized for sale to the public.

The law provides that from the date the first personalized handgun is placed on the roster, licensed retail firearms dealers in the State will have 60 days to make available for purchase at least one personalized handgun. In the event that a dealer's inventory of personalized handguns is depleted, the dealer is required to place an order for at least one personalized handgun within 21 days of the sale of the dealer's last personalized handgun. Violations may result in a monetary fine and a dealer license suspension.

This bill repeals the current law. Under its provisions, the commission would be abolished and licensed retail firearms dealers would not be required to stock any specific firearm inventory. Additionally, the bill amends certain sections of current law to remove references to "personalized handgun" and "authorized user" as appropriate.
