STATEMENT

24

25 This bill authorizes a public institution of higher education to
26 establish an in-municipality tuition rate for a student who graduates
27 from a public high school located in the same municipality in which
28 a campus of the institution is located. Under the bill, for a four-year
29 institution, the tuition rate would be less than the in-State tuition
30 rate established by the institution for persons domiciled in the State.
31 For a county college, the tuition rate would be less than the tuition
32 rate established by the college for residents of the county.
