1 These rules and regulations are to include requirements that the
2 proprietor of an airport, heliport, or helistop reduce the number of
3 helicopters leaving the airport, heliport, or helistop by not less than
4 47 percent per weekday compared to the average number of
5 helicopter flights per weekday leaving from the airport, heliport, or
6 helistop for the 12 months preceding the date of enactment of the
7 bill. Flights by helicopters owned or operated by a federal or
8 military authority or the State government and helicopters providing
9 emergency medical transportation are not included in the required
10 reduction in flights.
