P.L. 2021, CHAPTER 322, *approved December 21, 2021*
Assembly, No. 4433 (*Third Reprint*)

1 **AN ACT** establishing a grant program for the training of school-
2 based mental health services providers and supplementing
3 chapter 6 of Title 18A of the New Jersey Statutes.
4
5 **BE IT ENACTED** *by the Senate and General Assembly of the State*
6 *of New Jersey:*
7
8 1. a. There is established in the Department of Education a grant
9 program to assist school districts in the training of school-based mental
10 health services providers, expand the pipeline of high-quality, trained
11 providers, and address the shortages of mental health professionals in
12 schools. As used in this section, “school-based mental health services
13 provider” means a State-licensed or State-certified school counselor,
14 school psychologist, school social worker, or other State-licensed or
15 State-certified mental health professional qualified under State law to
16 provide mental health services to children and adolescents.
17 b. Grants under the program shall be awarded on a competitive
18 basis. School districts ¹or groups of school districts¹ that receive a
19 grant under the program shall use the funds for efforts to create and
20 grow programs and partnerships that train students who are attending
21 graduate school to become school-based mental health services
22 providers.
23 c. To be eligible for consideration of a grant award under the
24 program, a school district ¹or a group of school districts seeking to
25 participate in the program together¹ shall submit an application to the
26 Commissioner of Education, in accordance with application
27 procedures and requirements prescribed by the commissioner. A
28 school district ¹or a group of school districts¹ applying for a grant
29 award under the program shall, prior to submitting an application,
30 form a partnership with one or more institutions of higher education
31 that offer graduate programs in school-based mental health fields. The
32 partnership shall allow a student enrolled in an institution of higher
33 education’s graduate program to perform applicable fieldwork, credit

1 hours, internships, externships, or other related training as applicable
2 for the academic program of the student.

3 A grant application submitted by a school district ¹or a group of
4 school districts¹ shall include information regarding the following:

5 (1) the details of the partnership formed between the school district
6 ¹or group of school districts¹ and an institution of higher education,
7 including plans for supervising the graduate students in school settings
8 and ensuring that the students are trained in providing mental health
9 supports and services to students in the school district ¹or districts¹;

10 (2) a description of how the lack of school-based mental health
11 services providers is affecting students in the school district ¹or
12 districts¹;

13 (3) the school ¹**【district's】** district or districts¹ unmet need for
14 student mental health supports and services;

15 (4) the number of school-based mental health services providers
16 currently employed by the school district ¹or districts¹ and their
17 caseloads;

18 (5) the existing ratio of school-based mental health services
19 providers to students enrolled in the district ¹or districts¹;

20 (6) the schools and student populations that will benefit from the
21 grant funding;

22 (7) the objectives for the number of graduate students the school
23 district ¹**【anticipates】** or school districts anticipate¹ training under the
24 grant program;

25 (8) plans to collaborate with federal, State, regional, and local
26 entities to expand the pipeline of school-based mental health services
27 providers and achieve partnership goals and objectives; and

28 (9) any other information as required by the commissioner.

29 d. (1) The commissioner shall establish selection criteria for the
30 awarding of grants under the program, including consideration of the
31 information listed in subsection c. of this section. Grants shall be
32 awarded based upon review of the applications and subject to the
33 availability of funds. The commissioner shall establish the amount for
34 each grant that is approved.

35 (2) Priority for grants awarded under the program shall be given to
36 ²**【high-need】**² school districts ²that demonstrate an unmet need for
37 mental health services in the school community². ²**【The**
38 Commissioner of Children and Families, in consultation with the
39 Commissioner of Education, shall establish criteria for designating
40 high-need school districts based upon evidence that the school district
41 is located in an area of the State that has significant mental health
42 needs that are not currently being met.**】**²

43 e. The Department of Education shall annually apply for and use
44 any federal grant funds or other federal assistance which may be
45 available to be used for the grant program established pursuant to this
46 section including, but not limited to, funds under the federal Mental
47 Health Service Professional Demonstration Grant Program ²**【and】** ².

1 the federal “Coronavirus Aid, Relief, and Economic Security
2 (CARES) Act,” Pub.L.116-136 ², the federal “Coronavirus Response
3 and Relief Supplemental Appropriations (CRRSA) Act, 2021,”
4 Pub.L.116-260, and the federal “American Rescue Plan (ARP) Act of
5 2021,” Pub.L.117-2². The department may, if applicable, apply for
6 federal grant funds or other federal assistance on behalf of one or more
7 school districts approved for participation in the grant program
8 established pursuant to this section. Any federal grant funds or other
9 federal assistance awarded to the department shall first be used to
10 provide grant awards to school districts, prior to using State funds
11 under the grant program established pursuant to this section.

12 f. Within three years after receiving a grant award under the
13 program, a school district ¹or a group of school districts¹ shall submit
14 a report to the Commissioner of Education containing information on
15 the ¹【district’s】¹ use of the grant funds. The report shall include, at a
16 minimum, information on the number of graduate students trained
17 under the program, the number of graduate students who were hired as
18 school-based mental health services providers using grant funds,
19 increases or improvements in the provision of student mental health
20 supports and services as a result of the grant, and any notable changes
21 in school climate, attendance rates, student achievement, school
22 discipline, or other measures since receiving the grant.

23
24 2. The Commissioner of Education shall submit a report to the
25 Governor, and to the Legislature pursuant to section 2 of P.L.1991,
26 c.164 (C.52:14-19.1), no later than four years after the establishment
27 of the grant program established pursuant to section 1 of this act. The
28 report shall include, but need not be limited to, information on the
29 number of grant applicants, the number and amounts of the grant
30 awards, information provided by school districts ²and groups of school
31 districts² in the reports submitted pursuant to subsection f. of section 1
32 of this act, and any recommendations concerning the continuation or
33 expansion of the grant program.

34
35 ³3. (New section) There is appropriated from the General Fund to
36 the Department of Education a sum of \$500,000 for costs associated
37 with the grant program established pursuant to section 1 of this act.³

38
39 ³【3.】 ^{4.}³ The State Board of Education shall adopt, pursuant to
40 the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1
41 et seq.), rules and regulations necessary to carry out the provisions
42 of this act.

43
44 ³【4.】 ^{5.}³ This act shall take effect immediately and shall first
45 apply to the first full school year following the date of enactment.
