7 STATEMENT

8
9 This bill deletes a provision of current law under P.L.2021, c.109
10 which requires the Department of Education (DOE) to, for the
11 2021-2022 school year through the 2025-2026 school year, set the
12 maximum tentative tuition rate of each approved private school for
13 students with disabilities (APSSDs) at the maximum tentative
14 tuition rate set for the 2020-2021 school year if, during the 2021-
15 2022 school year through the 2023-2024 school year, the school
16 exceeds the total number of students at the approved facility in the
17 2020-2021 school year.

18 P.L.2021, c.109 requires a board of education to temporarily
19 provide special education and related services, including transition
20 services, to certain students who attain the age of 21 during the
21 2020-2021 school year, the 2021-2022 school year, and the 2022-
22 2023 school year. The law extends for one year the age of eligibility
23 for special education and related services for these students,
24 provided that the parent of the student and the individualized
25 education program (IEP) team determine that the student requires
26 additional or compensatory special education and related services,
27 including transition services.

28 As part of the law, the DOE is required to permit APSSDs to
29 temporarily utilize non-qualifying spaces on school property for
30 instruction and educational purposes in order to serve any
31 additional students receiving special education and related services,
32 including transition services, pursuant to the provisions of the law.
33 The law also requires the DOE to set the maximum tentative tuition
34 rate of each APSSD at the maximum tentative tuition rate set for the
35 2020-2021 school year if, during the 2021-2022 school year through
36 the 2023-2024 school year, the school exceeds the total number of
37 students at the approved facility in the 2020-2021 school year. This
38 bill deletes the provision related to the setting of tuition for
39 APSSDs.

40
41
42
43
44 Eliminates requirement for DOE to set certain tuition rates for
45 approved private schools for students with disabilities in certain
46 cases.
