1 The State of New Jersey greatly appreciates the service of the
2 millions of honorable men and women who have served our country
3 in the United States Armed Forces. America's service men and
4 women make great sacrifices while serving the nation and, in
5 recognition of their service and sacrifice, the creation of a military
6 veterans toll discount program administered by the Delaware River
7 Port Authority would complement the existing toll discount
8 programs currently offered for senior citizens and commuters who
9 utilize the electronic toll collection and monitoring system, known
10 as E-ZPass.
